SUGAR-COATED

ARE a safe and reliable remedy in all diseases of the *Stomach, Liver* and *Bowels*. They are no *Quack* Medicines puffed up by high sounding testimonials from imaginary people, but are the result of forty years experience of a first-class physician, and their extraordinary success is due to the fact that they answer exactly their name. The formula from which they are prepared, is based on sound, scientific principles, and has received the unqualified approbation of the *medical profession*. They do not profess to be a cure-all, but for all diseases arising from any derangement of the *Stomach, Liver* and *Bowels*, they furnish an effectual remedy. We have in our possession, over one hundred testimonials from physicians who have used them in their practice and highly approve of them, among which are the following.

BRITISH AMERICAN
COMMERCIAL COLLEGE

PUBLIC TESTIMONY.

(*From Lyman & McNab, Wholesale Hardware Merchants*)

Toronto, Sept. 13, 1866.

Messrs MUSGROVE & WRIGHT,
B. A. Com. College, Toronto.

Dear Sirs,—We have much pleasure in testifying to the order of training for commercial pursuits obtained by the young men educated at your College.

We have now in our employment one of your graduates who, notwithstanding the fact that he never had any previous experience, has proved himself a most reliable, accurate, and efficient Book-keeper.

We may further state, that having had occasion to engage another office hand we gave a decided preference to one of your graduates. In short, we have no hesitation in saying, that as far as our experience goes, your course of training is eminently adapted to make a thoroughly efficient office man.

Yours truly,
LYMAN & MACNAB.

(*From Morrison, Taylor & Co, Wholesale Provision Dealers.*)

Toronto, May 21, 1867.

Messrs MUSGROVE & WRIGHT,
B. A. Com. College, Toronto.

Dear Sirs,—We can eminently recommend your establishment to the business public, from which to select their Book-keepers. The young man in our employ bears testimony to the efficient system taught in your College, and the accurate habits derived therefrom, and though different houses pursue different methods, yet the general principles, rules, and varieties of commerce are so thoroughly inculcated by your system of tuition as to render the knowledge applicable to each new feature in each peculiar system.

Your efforts are worthy of every appreciation in founding a sound Commercial Emporium of the intelligent youth of Canada, and though occasionally students fail to become proficient, it can only be attributed to lack of ability on the student's part, and not the incapacity of the tutor. We shall ever give and advise preference to your pupils for an office, and feel glad to thus attest our experience of the same.

We remain, Gentlemen, yours, &c.,
MORRISON, TAYLOR & CO.,
Wholesale Provision Dealers.

CAUTION.

THE perfection and cheapness of the American (Waltham) watch have given it such a wide-world celebrity that unscrupulous dealers years ago imitated its style and pirated its trade marks. Irresponsible dealers are occasionally found who furtively trade upon the popularity of the American watch by selling a base imitation under the name of the genuine article.

It is hardly necessary to state that such watches are worthless as time-keepers, and when bought for the genuine are calculated to injure the high reputation which our watches have attained. The several grades of the American watch (except the lowest grade marked Home Watch Co.) are guaranteed by special certificate bearing the number of the watch and the signature of the Treasurer of the Company, R. E. ROBBINS. The purchaser should in all cases require one of these certificates, which is furnished to all dealers in the genuine watches.

The following are the trade marks on the several grades of our manufacture:—

AMERICAN WATCH CO.
APPLETON, TRACY & CO.
WALTHAM WATCH CO.
P. S. BARTLETT.
WM. ELLERY.
HOME WATCH CO.

PENNSYLVANIA RAILROAD CO.

Office of the General Superintendent, Altona, Pa., 15th Dec., 1866.

GENTLEMEN—The watches manufactured by you have been in use on this Railroad for several years by our engine men, to whom we furnish watches as part of our equipment. There are some THREE HUNDRED OF THEM CARRIED ON OUR LINE, and we consider them GOOD and RELIABLE TIME-KEEPERS. Indeed I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never keep time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.
American Watch Co., Waltham.

NEW YORK CENTRAL RAILROAD.

Locomotive Dep't Western Division, Rochester, Dec. 24, 1866.

GENTLEMEN—I have no hesitation in saying that I believe the great majority of locomotive engineers have found by experience that WALTHAM WATCHES ARE THE MOST SATISFACTORY of any for their uses. They RUN WITH THE GREATEST ACCURACY AND STEADINESS, notwithstanding the roughr iding of an engine; and as I have NEVER KNOWN ONE TO WEAR OUT, they must be durable. I hope to see the time when railway companied will generally adopt your watches, and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and saiety.

Yours respectfully,
CHARLES WILSON,
G. Chief Engineer,
Brotherhood of Locomotive Engineers.

Holloway's Worm Lozenges.

Are certain and safe remedy for worms in children and adults. As it is a well known and melancholy fact that one great cause of death among children is from Worms alone. It cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. The following are a few of the very numerous symptoms and diseases which are caused by Worms:—eranged appetite emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh. Holloway's Worm Lozenges are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartic. Each box contains the fac-simile signature of Northrop & Lyman, Newcastle, C. W., who are the sole proprietors. N.B.—Ask for Holloway's worm Lozenges, and take no other. Price twenty-five cents a box. Sold by all Medicine Dealers everywhere.

MOTHERS, MOTHERS, MOTHERS,
Holloway's Worm Lozenges.

ARE a certain and safe remedy for Children and Adults. As it is a well known and melancholy fact that one great cause of death among children is from Worms alone. It cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. The following are a few of the very numerous symptoms and diseases which are caused by Worms:—Deranged appetite, emaciated extremities, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use of Holloway's Worm Lozenges.

☞ Each Box contains the fac-simile signature of Northrop & Lyman, Newcastle, C. W., who are the sole proprietors.

N. B.—Ask for Holloway's Worm Lozenges, and take no other. Price twenty-five cents a box. Sold by all Medicine Dealers everywhere in Kingston and all Medicine Dealers.
