Eastern Area Tweedsmuir History Curator's Report.  
1991-1992.

From the green forms returned (all should have been forwarded to me). I received reports from eleven of the twelve districts. From these the following information has been compiled.

1. 90 branches reported to District Conveners.
2. 70 Tweedsmuir Books were displayed.
3. 80 books are stored in the Curator's home.
4. 10 books stored elsewhere.
5. No microfilming but several branches have photocopied their books.

There were several branch workshops and one District workshop. So much work goes into these workshops. Thank you for having them.

I received and passed on to all District Secretaries the address and information for new Acid Freed books. If you do not have that information you will find a new book on the display table, and information pertaining to it.

Several district and branches have had speakers from different museums which all prove to be very helpful.

All the reports and green sheets sent on to me will go to Mrs. Myrtle Stone, Our Provincial Curator.

Keep reporting! Thank you.

Faith Nelms,  
Tweedsmuir History Curator (for Area\_)
