Miller, of Ernestown, C.W., of Consumption, or that of Ambrose Wood, of Consecon, C.W., of Dyspepsia and Liver Complaint, or that of John Hosey, of Napanee, C.W., of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well? ANOTHER WONDERFUL CURE OF CONSUMPTION IN CANADA.

MESSRS. YOUNG & CHAMBERLAIN,—Sirs, I feel it a duty I owe to you, as well as to the public, to inform you of the most wonderful cure of Consumption, accomplished in my person, by the use of the Great Shoshonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter, and had a great pain about my left lung. I had cold chills every day, and seven night sweats every night, and between the racking cough and great sweating, I was almost deprived of sleep, by these miseries as well as the loss of appetite. I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but nothing gave relief. I tried different receipes, but all without any good effect. Esquire Paterson, of Bath, recommended me to use the Great Shoshonees Remedy. I procured three bottles at once, with the Pills, so soon as I commenced using it I began to get better, and when I had finished this component, the Cough, expectoration of matter, pain about the lung, chills, sweating, &c., left me, and by continuing its use I became strong and healthy. It is now over two months since I quit the Remedy, and there have been no symptoms of the disease returning, and I have been, and am now, healthy and better than I have been for many years. I trust you will make this known to the public, that they may be aware of the peculiar virtues of this truly wonderful Indian Remedy.

Holloway's Worm Lozenges.

Are certain and safe remedy for worms in children and adults. As it is a well known and melancholy fact that one great cause of death among children is from Worms alone. It cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. The following are a few of the very numerous symptoms and diseases which are caused by Worms:—Deranged appetite emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, fretful dreams, and a gradual wasting away of flesh. Holloway's Worm Lozenges are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartic. Each box contains the fac-simile signature of Northrop & Lyman, Newcastle, C.W., who are the sole proprietors. N.B.—Ask for Holloway's Worm Lozenges, and take no other. Price twenty-five cents a box. Sold by all Medicine Dealers everywhere.

THE perfection and cheapness of the American (Waltham) watch have given it such a wide-world celebrity that unscrupulous dealers years ago imitated its style and pirated its trade marks. Irresponsible dealers are occasionally found who furtively trade upon the popularity of the American watch by selling a base imitation under the name of the genuine article.

It is hardly necessary to state that such watches are worthless as time-keepers, and when bought for the genuine are calculated to injure the high reputation which our watches have attained. The several grades of the American watch (except the lowest grade marked Home Watch Co.) are guaranteed by special certificate bearing the number of the watch and the signature of the Treasurer of the Company, R. E. ROBBINS. The purchaser should in all cases require one of these certificates, which is furnished to all dealers in the genuine watches.

The following are the trade marks on the several grades of our manufacture:—

AMERICAN WATCH CO.

WALTHAM WATCH CO.
P. S. BARTLETT.
WM. ELLERY.
HOME WATCH CO.

PENNSYLVANIA RAILROAD CO.

Office of the General Superintendent,
Altona, Pa., 15th Dec., 1866.

GENTLEMEN—The watches manufactured by you have been in use on this Railroad for several years by our engine men, to whom we furnish watches as part of our equipment. There are some THREE HUNDRED OF THEM CARRIED ON OUR LINE, and we consider them GOOD and RELIABLE TIME-KEEPERS. Indeed I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never keep time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr Lewis, whose experience extended over a series of years.

Respectfully,
EDWARD H. WILLIAMS,
General Superintendent.

NEW YORK CENTRAL RAILROAD.

Locomotive Dep't Western Division,
Rochester, Dec. 24, 1866.

GENTLEMEN—I have no hesitation in saying that I believe the great majority of locomotive engineers have found by experience that WALTHAM WATCHES ARE THE MOST SATISFACTORY of any for their uses. They RUN WITH THE GREATEST ACCURACY AND STEADINESS, notwithstanding the roughriding of an engine; and as I have NEVER KNOWN ONE TO WEAR OUT, they must be durable. I hope to see the time when railway companies will generally adopt your watches, and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and safety.

Yours respectfully,
CHARLES WILSON,
G. Chief Engineer,
