First Poultry Fair Was Decided Success

Flesherton's first annual poultry fair was considered to be a great success when it was held on Wednesday of last week. More than four tons of poultry were marketed, with a number of buyers from outside points in attendance. Chickens brought from sixteen to twenty-two cents, ducks seventeen to nineteen cents, geese up to seventeen cents and turekys twentyone and twenty-two cents. Messrs Rapp and Borinsky, local creamerymen, were large buyers and were very pleased with the success of the fair.

The business men of town offered some valuable prizes for fowl and these were judged in Down and Boyd's show rooms by Mr. T. Stewart Cooper, agricultural rpresentative, and Mr. Jas. Bell, Master Feeds salesman. In commenting on the fowl marketed, Mr. Bell stated that farmers were not paying enough attention to the finishing of the birds as considerable fowl were not Grade A. The fowl that were shown were of excellent quality and a credit to the producer. Well finished fowl will bring higher returns for the extra money paid out for a proper finish.

United Church Notes

Rev. H. H. Irish, D.D., of West China gave very interesting and educational addresses Sunday when he spoke on the missionary work and also present conditions in West China. Splendid congregations greeted him on each occasion and the slides shown at night were very fine. After hearing such addresses one feels that supporting the missionary cause is one of vital importance to the life of the world. Our missionary objective for this year has not yet been raised.

Next Sunday being Christmas Day arrangements have been made whereby the Sunday School and adults may celebrate Christ's birthday together. Let us make it a family service. The Sunday School children are asked to meet at 10.45 a.m. so that the class books may be marked and then at 11.00 o'clock go upstairs for a joint service. Special Christmas music by the choir and appropriate messages will be given. The evening service will take the form of a carol service.

The pastor joins with his officials and congregation in wishing all "The Advance" subscribers a very joyous Christmas and a New Year filled with health and happiness.

Two Serious Fires

The Georgian Bay district was the scene of two disastrous fires during the week end, when a whole business block in Thornbury was wiped out, on Saturday morning, while in nearby Meaford both the curling rink and hockey arena,, owned by the Agricultural Society, were gutted Sunday morning.

A feature of the Thornbury fire was the heroic work carried on by Miss Florence Andrew, night operator in the telephone office. Miss Andrew stuck to her post while flames wer licking the wall close beside her and smoke filled the office and coolly telephoned people who were sleeping in the path of the flames and also brought the aid of the Collingwood fire brigade. Ten minutes before the roof caved in she left the office, claiming that what she had done was only "her duty." Miss Andrew is a niece of Rev. G. R. Service of town. The loss was set at $150,000.

The Meaford fire destroyed the rinks, besides a considerable amount of hockey equipment, with an estimated loss of $15,000. The Meaford fire is being probed by officials.

One egg measured 6 x 7½ inches, while the other one was 5⅞ x 7½. A Barred Rock pulletilll These two eggs were from six laid by a Barred Rock pullet, the first she had laid.

Osprey Council In Wind-Up Session

The meeting on the fifteenth was the last sitting of the Osprey Municipal Council and a goodly number of ratepayers took advantage of it to attend to get accounts owing them settled and also to pay their stipend of taxes as that was the last day for settlement before that much dreaded penalty was added. However, everything went along smoothly and efficiently. The Road Superintendent scrutinized every road bill carefully and when he passed it on for payment the treasurer was prepared to issue a cheque for the same. This was a departure from the ordinary routine of the business but every effort was put forth so that any money due ratepayers could be used for the payment of their taxes. Only routine business took up time of the council and the slate was cleared by 5.30 o'clock.

By-law No. 13 was passed authorizing the payment of school, telephone and hydro rates and tolls and debentures also as they come due.

By-law No. 14 appointing deputy returning officers and poll clerks and also for the holding of a nomination meeting on Monday, December 26, and an election on January 2, 1939, if necessary. The appointment of deputy returning officers and poll clerks was not changed from last year.
