TELEPHONE TALKS IN THE WATSON FAMILY

"MY DAD *can talk farther than* YOURS!"

When Donnie Watson's father greeted him over the telephone from 500 miles away, Donnie was impressed no end. He couldn't resist boasting a bit to his next-door neighbour and playmate.

Whenever you're called out of town, do as Bob Watson does — telephone home. It brings peace of mind at a trifling cost.

Reductions in telephone rates—local and long distance — in 1935, '36 and '37 have effected savings to telephone users in Ontario and Quebec of nearly one million dollars yearly.

VANDELEUR

We wish The Advance editor, staff and readers a Merry Christmas and a Happy and Prosperous New Year.

Mr. and Mrs. Elmer Warling, who have rented their farm to Mr. A. Bowles and who intend to move to Weston in the near future, were presented with a splendid studio couch by their friends and neighbors at a farewell gathering held at their home Monday evening. Mr. C. B. Boland read the address while the presentation was made by Messrs. Lewis Teeter, Dane McGee and Jas. Cargoe on behalf of the community. Mr. and Mrs. Warling thanked their friends for their kindness and invited them all to visit them in their new home. The remainder of the evening was spent in games and social chat. Mr. and Mrs. Warling and family will be greatly missed as they have always been interested in the various activities of the community. Their many friends wish them health and prosperity in their new home.
