A MARVELLOUS REMEDY
FOR A MARVELLOUS AGE !!
HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Bowels, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or metal of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by oil or wise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases.—

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Mosquitoes and Sand-Flies	Piles
	Rheumatism
	Scalds
Coco-bay	Sore Nipples
Chiego-foot	Sore throats
Chilblains	Skin-diseases
Chapped hands	Scurvy
Corns (Soft)	Sore-heads
Cancers	Tumours
Contracted and Stiff Joints	Ulcers
	Wounds
Elephantiasis	Yaws.

JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from, a disordered Liver or Stomach. Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Astonishing Cure with only One Bottle.

Joseph B. Hall & Co. says:—

Presque Isle, Aroostock Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

CERTIFICATE of CAPT. DANIEL ABBOTT.

Brooklyn, Me. July 16th, 1855.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor rest, or appetite. At last, taking up a newspaper containing your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.

Respectfully, yours,

To Dr. C M Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

Rockland, Lincoln Co. Me, Jan 3, 1855.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

MONUMENTAL DAGUERREOTYPE CASES.

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which inclosed the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2.25 each to $9.50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN, Agent of Mausoleum Dag. Co., 335 Broadway New York. 248

Money! Money! Money!

WHY be WITHOUT MONEY? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted to every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty five cents for a specious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my Circulars to an Editor in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars and I will just say to my readers that whoever of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug." 248

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BURNFIELD, MISS., 20th Dec. 1853.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last fifteen years has shown it to possess superior virtues for the treatment of those complaints. EBEN KNIGHT, M.D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you favored it, and believe it the best medicine for the purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1858.

BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M.D.

AMOS LEE, Esq., MONTEREY, IL., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine are the best, most as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARRS, Merchant.

A. A. RAMSEY, M.D., AUSTIN, MORGAN CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some so human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 4, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, till Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We blest him kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHEARY, OF SHERBYLLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by man of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of the afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Mortal Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the sluggish stomach, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Indigestion, Mortal Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the sluggish stomach, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Indigestion, Mortal Inaction of the Bowels and Pain arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1856, the following Officers were chosen:

Rev Norris Day, Boston, President; John Stiles, Esq, Boston, Sec. Reuben Green, M.D., Vice-President; Wm. M. Tyler, Esq., Treas.

The following Resolutions were unanimously adopted:

Resolved, That in associating ourselves together to extend and propagate the Indian system of Medicine upon scientific principles, we believe we are conferring a blessing upon the afflicted, and advancing the cause of Medical Science.

Resolved, That we have had ocular demonstration that Dr. Greene's treatment has cured hundreds of cases of Consumption, after they were pronounced incurable by other physicians, and that the fruits of his practice for the last ten years conclusively prove that Cancers, Scrofula, Humors of the Blood, and various other diseases which have found no remedy in the hands of the old system of medicine, are permanently cured by a judicious use of "Nature's Remedies," in scientific and skilful hands.

Resolved, That we will not countenance ignorant pretenders, or quackery in any form, or receive as physicians into this Society, persons who have not received a regular medical education.

Resolved, That we recommend the continued publication of the newspaper entitled "Nature's Arcana," and that an extra copy, containing testimonies to cures effected in different parts of the country, be furnished gratuitously to any person calling at the office, or ordering the same by mail, enclosing a postage stamp, addressing Dr. R. Greene, 36 Bromfield st., Boston.

JOHN STILES, Sec'y. NORRIS DAY, President.

INDIAN MEDICAL INSTITUTE,

Office, 36 Bromfield street, Boston.

Established by Dr R. GREENE and his Associates, for the successful and scientific treatment of Cancers, Scrofulous Humours, all diseases of the Stomach, upon the Natural or Indian System of Medicine.

This Institution has for a basis "MEDICAL OFFICE and LABORATORY AT Bromfield st. and several Houses for the accommodation of patients from abroad, and is the only Medical Institution sanctioned by the New England INDIAN MEDICAL SOCIETY. A newspaper has also been established, stating the system of practice. It is entitled "Nature's Arcana," or the "Scientific Indian Physician." Monthly 20 cts. per annum.

There are connected with this establishment, Bathing Rooms, where the patients can have the benefit of the ELECTRO CHEMICAL BATH, or Medicated BATHS. This is the greatest triumph of modern Medical Science. It is the most powerful agent in Radiating Disease, and effecting a cure. Their effects were shown, but sure. By persevering in the use of them I assure entirely well.

SENATE CHAMBER, HAVANA, LA., 5 Dec., 1855.

DR. GREENE: I have been entirely cured by your Pills of Rheumatic Gout, a painful disease that had afflicted me for 25 years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are invaluable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the careless and improper manner that frequently follow its gratuitous use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, the wonderful cures of pulmonary complaints have made it already known. Nay, we are the familiar in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtile and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest compound that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared, for we have abundant grounds to believe the CHERRY PECTORAL cures quicker than any consumption it prevents than those it cures. Keep it by you, and cure your children while they are curable, nor neglect them until no human skill can master the incurable canker that fastened on the vitals, and carried them off. All know the dreadful fatality of lung disorders, and so they know too the virtues of this remedy, we need not do more than to assure them it still made the best it can be. We spare no cost, no care, no toil in bringing to the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure

AYER'S

Cathartic Pills,

(SUGAR COATED.)

ARE HOW TO BE

CLEANSE THE BLOOD AND CURE THE SICK

Impartially, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE SALE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURGH, PA., Nov 1, 1854.

DR J. C. AYER, Sir: I feel bound to express my sense of the great benefit my body has had by a dose or two of your Pills. It seems to arouse from a torpid state, which they cleanse so easily. If they will cure others as they do me, the fact should be known.

Yours with great respect, ED W. FRENZLE,
Chief of Schnauff's police.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., Feb. 16, 1855.

MR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and grieving for months, and had spent money freely to no purpose, but my wife better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (casts from her body) and by her health has improved astonishingly, free from all bloody disorders. One of our neighbors had a bad case of worms, and was completely cured by your Pills, which he says he has given them. Such a medicine as yours, which is radically good and honest, will be prized here.

GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. F. Hanna, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in service. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I feel confidently recommend them for my friends.

Yours, J. V. HIMES.

WARREN, WARREN CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Mo., 1856.

DR. AYER: Your Pills are the paradise of all that is great in medicine. They have cured my little daughter of a dreadful scrofulous humor, which had resisted all medicines for years. Her mother has been long a sufferer from a tetter on the hands and tumors on her neck and ears. She has now clear skin, and we ascribe the cure to your Pills, and they have cured her. ASA MORGHILL.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawes, of the Methodist Episc. Church.

PLEASANT BRANCH, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Buckingham, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I became entirely well.

SENATE CHAMBER, HAVANA, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout, a painful disease that had afflicted me for 25 years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are invaluable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the careless and improper manner that frequently follow its gratuitous use. These contain no mercury or mineral substance whatever.

EDWIN CHOWN'S MANUFACTORY, BAGOT-STREET, KINGSTON

THE Subscriber grateful for the patronage already extended to him, most respectfully solicits a continuance of the same, and still retaining his interest in the Eagle Foundry, he is prepared to supply his friends and customers with Stoves of his own Manufacture, as heretofore. Having added several new patterns, to his already large assortment, he begs to call attention to the following:—

THE KING OF STOVES.

This Stove having an extra large Oven, so arranged that the heat passes entire round it, it is a universal favorite where ever it has yet been introduced.

THE IMPROVED FARMER.

A good, plain, substantial Stove, of which there are two sizes, with large fire places and elevated ovens, without any complication of dampers. This he believes is the stove the farmers want and all who use appreciate it.

MECHANICVILLE, No. 6. Large, flat top Summer and Winter Stove, working well with wood or coals.

THE FOREST PREMIUM, three sizes.—This is the best premium Stove
