Along The Highway of Local Sports :

(By Delbert Smith)

What's so rare as a day in June? but the past week end has been the best for skiing since the Dominion Ski Championships were held in the Beaver Valley three years ago. About one hundred skiers came to Flesherton and the Beaver Valley district to enjoy the thrills of trying new trails which are very plentiful. A large majority of the skiers arrived Saturday by train while others motored and even a bus was chartered to bring a number of them from Toronto. Monday evening they returned to their respective homes with faces tanned by the wind and broad smiles showing their appreciation of a pleasant week end spent in our midst. We hope they will return again soon.

SHELBURNE 6, FLESHERTON 1

The two Flesherton hockey teams suffered set-backs on Friday last in their initial games of the season. The senior team visited Shelburne and were defeated 6-1 with Ted McTavish getting the lone counter for the locals. However the score was no indication of the play as the locals had as much of the play as the lads from Shelburne. It was because of their lack of practice and insufficient players that probaby had more to do with their loss than anything. When scoring opportunities did present themselves the local boys were outlucked. However with their new executive namely: Ivan Alexander manager; George Armstrong secretary-treasurer; Fred Gorrell playing coach and Bob Phillips assistant coach the boys are confident of going places.

The standing as on Monday, January 2, finds Shelburne and Markdale on top with two points each due to their wins over Flesherton and Chatsworth respectively on December 30. Dundalk have played no games up to this date. Nothing has been heard from the southern group, the entrants being Hillsburg, Erin and Grand Valley.

The Flesherton Semi-Pro team also suffered a reverse in their encounter with Ceylon, the latter winning 4-2. The Semi-Pro team have a peculiar situation in that they have too many players and will have to appoint a coach to direct them. This team has several good players and should go places when they start.

The Priceville entry is leading the group with four points made up of a win over Dundalk 8-4 and a game won by default from Proton when the latter failed to show up for a game. Ceylon is next with one win, while Flesherton, Proton and Dundalk have no points.

FLESHERTON 6, MARKDALE 2

Well, the Flesherton Seniors have hit their stride at last. On Tuesday, January 3, the locals rang up a 6-2 defeat over Markdale in the local arena. A totally different and inspired bunch of boys started out on the ice headed by their new coach and simply played the Markdale boys off their feet. The game was one of the best that will be seen this season and the locals passing plays were clicking to perfection. The defence was an inspired bunch of boys who really hit them so that they stayed hit and, as a result, the Markdale lads always shot from outside the blue line. Up front the first line of Boyd, Gorrell and Smith scored five of the teams six goals and showed promise of becoming a real threat as a unit. The goal scorers for the locals were as follows: Boyd 2, Smith 2, Gorrell 1 and Dargavel 1. The Flesherton alternates of Dargavel, M. Piper, McCutcheon and T. McTavish also played a bang-up game as well as Ferris in the nets.

The next Flesherton game is on January 10 when Chatsworth comes here for a game. If you are a hockey fan don't miss this engagement as a good game is assured and the team will appreciate your patronage. Markdale, Shelburne and Flesherton are now tied for first place with two points each.

Ceylon Took Opener From Flesherton 4-2

Flesherton and Ceylon swung into action Friday night in the local arena for the first time and both teams suffered from lack of practice when both teams tried individual play instead of the safe and sane passing plays. The game got under way on time with only a handful of spectators on hand with Referee Sherman Piper in charge. The play was of the fast rough-and-tumble variety with Flesherton handing out the bodychecks in bouncing style but the majority of the Ceylonites came right back for more. Both teams had equal parts of the play but Ceylon were the first to sink the rubber behind Leavell when a shot from the blue line gave Ben no chance as it came through a maze of players. Flesherton pressed hard but Austin McKee, a new player on the Ceylon line-up, was kicking them out and saved the day for his team many times. In the second period both teams were still going strong and finally Banks took a pass from Teeter at the defence and coasted in on McKee to tie the score. Banks was in numerous times with his wings but failed to pass at the right time thus Flesherton was being kept off the score sheet. Garfield Teeter made it 2-1 for Ceylon when he whipped home a shot from the right boards late in the second period. Penalties were handed out to Morgan, Archibald, Marshall, Johnson, Russell and McKee. In the third period Ceylon scored right off the face-off when they carried the puck into Flesherton territory and Archibald backhanded a shot from close in that found the mark. Shortly after Morgan scored on a pass out from the corner. Both Flesherton goals were scored when they tried a bit of team play instead of the individual play that many tried during the evening. Harvey Archibald got Ceylon's second easy goal when he backhanded a shot from centre ice that again eluded Leavell who in letting four pucks slup by him wasn't given proper protection as two of the goals were scored from men left unprotected in front of the net. The final period saw much icing of the puck by Ceylon who were content to sit back and enjoy the lead they had built up.

Plenty of Snow

This past week has seen snow storm after snow storm pile great quantities of snow on the streets in the village and on the highways. Road breaking in the townships has been a task, the horses often going through snow up to their backs. Even then the newly-broken roads are not fit for heavy loads. The Provincial Highways north and south and west have been kept open continually since Wednesday of last week. Surely we have seen the worst of the winter.

The village council is busy removing the huge piles of snow from the main street with a truck and sleigh.
