BEST HAIR DYE IN THE WORLD!!

This is strong language, yet Bogle's Eleuron Hair Dye (recently improved) was proven to be so, by the judges at the late Mechanic's Fair, held in Boston, (among whom was Dr. Hayes, the eminent chemist and State assayer) who awarded it the PRIZE MEDAL AND DIPLOMA, over the choicest Hair Dyes on exhibition from all parts of the Union. Its unparalled superiority consists in, 1st. The ingredients are nourishing to the hair, not destructive as others are. 2d. Does not stain the hand or the skin. 3d. Is easily applied, and dyes the hair any color required, from a delicate brown to a deep black, so natural as to appear marvellous. Manufactured, sold and sold by WM. BOGLE, 277 Washington st. 252

*Pronounced Incurable by Six Physicians—Yet Cured by Hoofland's German Bitters.*

CENTRAL BRIDGE, Schoharie co., N. Y., Feb. 12, 1855.

Dr. C. M. Jackson—Dear Sir—A gentleman by the name of Larkin, living in this place, who has been under the doctor's charge, and confined to the house for two years past with Liver Complaint, which last fall turned into Dropsy, and was pronounced beyond cure by the principal Physicians of the place, and his friends expected him to die daily, is now, after taking five bottles of the German Bitters, out doing errands and attending to his daily business. The Bitters are consequently in great demad.

Respectfully,
JOHN G. CARRYL.

A FAVORITE REMEDY.—We believe no medicine in the world has ever given such astonishing proof of its efficacy as Dr. Rogers' Liverwort, Tar and Canchalagua.

LET THERE BE NO SECRETS IN MEDICINE or rather no pretended secrets. The Medical Faculty publish as soon as made, all their discoveries, and almost all that is known of real value for the cure of disease, has been discovered by them. Dr. Ayer, takes the honorable honest course, and right because it is honest. He goes to work and invents the best remedy which medical skill can devise for the cure of certain complaints; then publishes what it is and maintains his monopoly of it solely by making it cheaper, better, more perfect, than anybody else can. If the people would exact this of all who offer medicines, they would have much less treacle and trash to swallow. New Orleans Organ. 252

Liver Complaint.—Mr. James Alderton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business; he was told nothing in the world would thoroughly cure him, although he had spent a complete fortune in medicine and advice. At last he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present. 252

OXYGENATED BITTERS.

The annexed Statement of Prof. A. A. HAYES, M. D., State Assayer, is ample testimony of the scientific manner in which this medicine is compounded, and recommends it to Professional Men, as worthy a fair trial in their practice:—

An opinion having been asked for of me, in consequence of the formula for preparing Oxygenated Bitters being known to me, I express the following, in form:—

The composition of these Bitters includes those medical substances which experienced physicians have long resorted to for special action on the system, when deranged by Fevers, Dyspepsia, Agues, and General Debility, resulting from exposure or climate influence.

These are rendered permanent, and remain active, in this preparation, as a consequence of the scientific manner in which they are combined.

It was a well founded inference, that the preparation, used in larger or smaller doses, would prove a valuable Genera l Medicine, which experience has demonstrated.

In this medicine, no metallic salts can be found, by the most delicate chemical trials.

Respectfully,
A. A. HAYES, M. D.,
Assayer to the State of Massachusetts.

THE PAIN KILLER.

This unparalled Preparation is receiving more testimonials of its wonderful efficacy in removing pain, than any other medicine ever offered to the public. And these testimonials come not alone from the ignorant, but from persons of every degree of intelligence and every rank of life. Physicians of the first respectability, and perfectly conversant with the nature of diseases and remedies, have recommended this as one of the most effectual in their line of preparations for the extinction of Pain. The Pain Killer is used internally and externally, according to the nature of the complaint. It has been found to be an excellent remedy for sudden Colds, Coughs, &c., Fever and Ague, Asthma and Phthisic, Pain in the Head, Kidney Complaints, Piles, Rheumatic Complaints, Bruises and Sores, Severe Burns, Canker, Biles and Ringworms, Weak Stomach, and General Debility, Painter's Colic, Broken Breasts, &c., Bowel Complaints and Dysentery, Cholera, Liver Complaint, Dyspepsia, Toothache, &c., &c.

The genuine Perry Davis' Pain Killer is now put up in panel bottles, with the words Davis' Vegetable Pain Killer blown in the glass; and with two steel engraved labels on each bottle—one an excellent likeness of Perry Davis, the original Inventor of the medicine; the other a steel engraved Note of Hand—none others can be relied on as genuine.

Price of bottles—12 1-2 cents, 25 cents, 50 cents, and $1, respectively.

For sale by most of the medicine dealers throughout the known world.

GREAT SALE
OF
VALUABLE BUILDING LOTS!
IN THE
City of Kingston,
ON
*This day, the 22nd January, 1857.*
BY JOHN PATTERSON.

THE Subscriber has received positive instructions from the Proprietors to sell by Auction the following eligible property, in Lots, consisting of Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, situated on PRINCESS STREET, in the City of Kingston, and adjoining the residence of JOHN METCALF Esq.

—ALSO—

Nos. 1, 2 & 3, 4, 5, 6 and 7, situated on CENTRE STREET. Also, Lots Nos. 16, 32, 36 and 37, situated on COLLINGWOOD STREET, lately laid out by A. J. Macdonald, Esq.

The terms of payment will be easy, namely one-fifth by an endorsed note at three months (without interest) from day of sale, the balance in four equal annual instalments with interest on the unpaid balance. For particulars of title, &c., application to be made to Thomas Kirkpatrick, Esq.

TO INTENDING PURCHASERS

of Building Lots this sale will afford an opportunity that not rarely presents itself. The proximity of the location to the business part of the city, its contiguity to the new Court House and public buildings, its salubrious and commanding situation, (embracing a view of Lake Ontario, River St. Lawrence, and the whole city and its environs), making it one of the most desirable places of residence in the Province.

The Subscriber would particularly recommend these lands to the notice of Mechanics, who for a small outlay, can secure to themselves and families permanent, comfortable homes. The yearly rent, paid to exacting landlords would more than cover both the interest and purchase money, and the cost of a neat and comfortable dwelling.

TO SPECULATORS.

In Town lots Kingston offers greater inducements than, perhaps, any city in the Province.

The Grand Trunk Railroad, which to small towns, is decidedly injurious, touching the water, as it is designed to do, be most advantageous to Kingston, which is naturally the interchanging point for lake, river and railroad traffic, besides being the nearest Canadian frontier port to the City of New York.

Together with the Busts and Statues in Marble of Apollo and Diana, the Struggle for the Heart, Psyche, Venus and Apple, Child of the Sea, Magdalen, Innocence, the Little Truant, and the Captive Bird.

Besides which are numerous Statuettes in Bronze, Medallions, and a large and choice collection of beautiful Oil Paintings by leading Artists; the whole of which are to be distributed or allotted to subscribers of the Association gratuitously at the annual distribution on the 28th of January next.
