## Live Stock Report

(By Dunn & Levack, Toronto)

Monday's cattle market was pleasing to all concerned and prices advanced a quarter on practically all classes. Calves and lambs held fairly strong, while hogs recovered fully from last week's decline.

Choice weighty steers brought 7.25 to 7.50; fair to good 6.75 to 7.25. In the butcher section choice steers and heifers were in good demand at from 6.50 to 6.75; fair to good from 5.75 to 6.25; common to medium 5.00 to 5.50. Choice baby beeves sold readily at from 8.00 to 9.00, others at 6.50 to 7.50. Cows reached a new high price for the year, choice from 4.75 to 5.25; fair to good from 4.25 to 4.65; common to medium from 3.25 to 4.00; canners and cutters 3.00. The bull trade was steady, choice butcher bulls from 4.75 to 5.25 and good bolognas from 4.25 to 4.50.

The lamb market held strong with choice lambs selilng at 8.75 and good butcher sheep 5.00. Calves were in good demand, choice from 10.00 to 10.50; fair to good from 8.50 to 9.50; common to medium 6.00 to 7.50.

The hog market was active with truck deliveries selling on Monday at 9.00. The prospects for the balance of the week look steady, depending entirely upon supplies.

### AUCTION SALE

Mrs. J. J. Lyness will hold a credit auction sale of farm stock and implements on Stone's Line on Friday, February 24th.

## Heifer Became Frightened

(By Proton Station Corr.)

A heifer belonging to Dever Bros. was put up for auction at Mr. A. Sherson's sale. The animal became frightened and in spite of all efforts to prevent her she reached the road and ran about three mils ending up in Mr. T. White's bush at the back of his farm where her pursuers lost track of her and she was out all the stormy night. Next morning the run-away beast was seen on the railway track and possibly hunger made her call in at Gordon Acheson's yard. Gordon tactfully let his cattle out and after some chasing succeeded in getting the stranger into the shed with the other cattle. Messrs. Wes Dever and Jack Neilson arrived and the three men put ropes on her and managed to get her to the Dever stable. The beast was wild and certainly would have hurt the men if she had not been overpowered.

## Green Feed For Poultry

At all times of the year an abundance of green feed is essential to the health of the poultry flock. In summer it may be provided by free range on the farm, but in winter it must be supplied by some sort of stored food. Roots, cabbage, alfalfa hay and sprouted oats are commonly used for winter feeding. Probably alfalfa is the most valuable element in the winter poultry ration, and if the following precaution is taken in feeding it may be used in unlimited quantity.

For several years it has been the practice of the Experimental station at Harrow to chop fine the young alfalfa shoots for the baby chicks and to use cut alfalfa hay as the sole means of supplying the necessary roughage and greens for winter egg production. A good grade of second or third cutting hay is run through the cutting box in about half-inch lengths, steeped for about twenty-four hours by entirely covering with cold water, strained, and fed in shallow tubs. For the best results it is fed immediately after the early morning grain and again late in the afternoon. Old stalks left should be thrown out where the birds cannot reach them or they may be the cause of crop trouble.

Fair results may be had by feeding good alfalfa leaf dry but the experience at this station is that the steeped cut hay is better appreciated by the birds on acoount of its easy digestibility and because it is more palatable.

The fellow who thinks himself big usually is just a big nuisance.

## Local and Personal

Mr. and Mrs. S. H. Cooke and Betty spent the week end in Toronto.

Miss Evelyn Montgomery spent the week end in Toronto.

Mr. E. Betts of town has sold his farm on the eighth line to Mr. A. Williams of Eugenia.

Mr. John McCauley of Iron Bridge pent the first of the week with his uncle, Mr. Wm. Burnett.

Miss Jeanette Cargoe returned to her home on Thursday after visiting several weeks with her sister, Mrs. Harry Herbert, at Sault Ste. Marie.

We are pleased to know that Mr. Wm. Burnett is making splendid recovery from his recent stroke. He was able to take a short walk outside on Monday.

## Dundalk 5, Flesherton 3

In a fast, hard fought game Dundalk takes a two goal lead home with them. Soft ice hampered the play of the Flesherton boys together with penalties which meant their downfall. In the first period Flesherton drew first blood on a beautiful shot by Boyd on a pasout from the corner by Smith. This turn of the tide was not to the referee's liking apparently and as a result he started handing out penalties to the local boys for no reason whatever. At one stage in the game Flesherton was two men short and as a result Dundalk ran in three quick goals. Near the end of the period the local boys tried hard and were rewarded with a goal by Piper on a hard shot from left wing after Boyd and Gorrell had set up a nice passing play.

The second period started with the local boys still getting the odd penalty and play became a close checking game. Half way through the period Smith tied it up from a scramble in front of the Dundalk cage. The period ended with the score deadlocked at three all.

In the third period the ice became very soft and much to the liking of the Dundalk players. Flesherton just seemed outlucked during the whole period as they had most of the play but just couldn't beat Sims. Half way through the period the referee began to shine again when he rewarded Dundalk a penalty shot because Ferris, who played his best game of the season, threw the puck over the side boards when pressed. However, Dundalk missed the net with the shot and play was resumed. The turning point of the game came when Dargavel was staging a rush when a Dundalk defenceman rode him, not to mention the butt end thrown in, when the former was rounding the defence. This punishment was unbearable to the Flesherton lad and in defending his rights slashed the said player back. Of course the referee could see only the slash and as a result Dargavel received a penalty. During the penalty Dundalk scored what proved to be the winning goal and added another on a long shot to sew up the game. Flesherton lads seemed to wilt after this penalty and thus ended up on the short end of a 5-3 score.

It is to be hoped during the next game on Friday evening in Dundalk that the locals will be favored by Lady Luck and will be able to make use of their scoring opportunities. Next year we hope that when referees are appointed by the executive that the board of governors will give Flesherton at least a little say in choosing the referee and not to be ignored entirely. It is kind of hard to understand why the executive wanted an outside referee and why they wanted to go so far away from home when O.H.A. referees can be secured who know more about the game and who will at least play fair. Any referee who will not play fair shows a lack of judgment on somebody's part or perhaps a little influence on the part of the other team.

### LAZY MAN'S LAWN MOWER

Ideal for the lazy man is the remote controlled lawn mower invented by a Pennsylvania mechanic. While he sits in a comfortable chair the operator can guide the twin-motored cutter around the lawn. Starting with a regular cutter, the inventor installed two motors whose speed is regulated by the control box beside the chair. When both motors are running at the same speed the mower runs straight; by diminishing the speed on one or the other, the machine is turned to left or right. A 100-foot length of wire, connecting the controls of the motor, is wound on a revolving paint can mounted on the mower. An old barrel hoop and mixing bowl provide bumper and shock absorber.—Popular Mechanics.

An apt quotation is as good as an original remark.

## Huge Dam May Be Built Near Fergus

Work for close to seven hundred men may be available in the Fergus district this spring, if construction is begun on a proposed huge storage dam on the Grand River, three miles upstream from Fergus, in connection with the Grand River conservation and flood control scheme. Plans are being prepared by Engineer H. G. Acres for such a dam. It may be possible to build a dam there sixty-one feet high and still be within the price limit of $1,500,000. H. Templin of Fergus, a member of the Grand River Conservation Commission, says that this site will conserve about four times as much water as the originally planned Waldemar dam and twice as much as the former proposal of two dams, one at Waldemar and the other at Hollen. A dam such as proposed would be the largest of its kind in Canada.

Him is English. Ihm is German. And they both mean the same thing.

### NOTICE TO CREDITORS

All persons having any claims or demands against the Estate of JOHN LOCKHART, late of the Township of Osprey, County of Grey, farmer deceased, who died on or about the fifth day of June, A.D., 1938, are required to forward their claims, duly proved, to the undersigned Solicitor for the Estate on or before the fourteenth day of March, A.D., 1939.

And further take notice that after such mentioned date, the Administrator will proceed to distribute the assets of the estate among the parties entitled thereto, having regard only to such claims as he will then have notice of.

Dated at Collingwood, Ontario, this eighth day of February A.D., 1939.

MALCOLM McLEAN
Collingwood, Ontario.
Solicitor for the Estate.

FOR SALE — Good General Purpose horse. Apply to J. P. Ottewell, Flesherton. 15p2

## Pipes Give Welcome At Surprise Party

(By our Ceylon Correspondent)

The playing of the bagpipes by Mr. Murdock McLeod welcomed Mr. and Mrs. Bert Irwin as they entered the home or Mr. and Mrs. Alex. McEachern, Garden Ave, Toronto, where seventy-five friends had assembled to honor them following their recent marriage.

Mr. Alex. Dobson, president of the Priceville Old Boys' and Girls' Association, read an address while the ooooooooo ooooo te tetttt oiiiiiiiiiiiii honorary president, Mr. Alex. McEachern, presented the couple with an Aladdin table lamp on behalf of the Association. Mr. McEachern and Mr. Dan Gillies referred to the loss of Mrs. Irwin who had been secretary of the Association for the past four years. Mrs. Irwin replied expressing her appreciation of the kindly words and also the gift from the Association. The remainder of the evening was spent in social chat and dancing.

Prior to Mrs. Irwin's marriage she was the guest of honor at a dinner party and miscellaneous shower at the home of Mrs. Feeley when twenty friends were present and the following week Misses Jean McLean and Anne Burnett were joint hostesses at a shower when about forty friends were present. On each occasion the bride-to-be was presented with beautiful gifts and replied fittingly expresing her appreciation to her many friends.
