Young Couple Feted

(By Orange Valley Corr.)

A large number of friends of Mr. and Mrs. John Talbot, recent groom and bride, gathered in the Orange Hall, Markdale to honor them and present them with a miscellaneous shower. Mrs. Littlejohns read the address and Misses Gladys McFadden and Ella Stephenson unwrapped the presents while Miss Shirley Semple read the accompanying verses and names of the givers. Mr. and Mrs. Talbot replied in well chosen words, thanking all present for the tokens and good wishes. Lunch was served at this time and a short program was given by the Douglas boys and Mr. Norman Hartley, Jr. after which the dancing was resumed.

To Mr. and Mrs. John Talbot,

On this occasion of your marriage, we, your friends and neighbors, deem it a pleasure to assemble here tonight to wish you both happiness and prosperity in the bright future that is before you.

Since childhood, Velma, it has been a pleasure to know you in genial friendship and on social occasions, to which you have contributed very abundantly.

John, to you, who is a stranger to most of us, we congratulate you upon your choice in picking a life partner. But, John, we sincerely hope your fate will not be as the one pictured in this poem entitled:

AS HIS MOTHER USED TO DO

He criticised her pudding and he
found fault with her cake;
He wished she'd make some biscuits
as his mother used to make.
She didn't wash the dishes and she
didn't make a stew,
Nor even mend his socks as his mother used to do.
His mother had six children, but by
night her work was done;
His wife seemed always drudging, tho'
she only had the one.
His mother always was well dressed,
his wife might be so too
If she would only manage as his
mother used to do.
Ah. 'Well she was not perfect, but
she tried to do her best
Until she thought her time had come
to have a rest.
So when one day she went the same
old rigmarole all through
She turned him up and spanked him,
as his mother used to do.

We ask you both to accept these gifts as a slight token of our esteem and good will, and in conclusion we join in wishing that God's blessing may rest upon you through many years of happily wedded life.

Signed on behalf of your friends and associates, Mrs. Gordon Hill, Mrs. G. 'W. Littlejohns, Miss Ina Bradley.

A Worthwhile Project

(Creemore Star)

'We heartily endorse the movement sponsored by the Farmers' Magazine towards the general improvement of farm home surroundings. We believe the movement is timely because in our opinion the young farmers of today are not as nifty about their home surroundings as were their ancestors. We have as fine an agricultural district as can be found anywhere but many fine farms could probably be much improved by some needed repairs. "Clean up and Paint up" is an excellent motto and if followed it will pay big dividends. 'We would suggest that our junior farmers would give local leadership to this splendid movement.

Following up the subject of farm improvement, there is still about 95 per cent of the farms without any means of identification. The farm owner's name and also the name of the farm painted on the front gate will pay big dividends to the occupant. There are so many things to be said in favor and we can think of nothing to be said against this suggestion that we just can't understand why the great majority of farm owners have yet to adopt this proposal.

Live Stock Report

(By Dunn & Levack, Toronto)

Over three thousand cattle arrived for Monday's market and outside of the sale of a few lots of choice butcher cattle, prices were from 15c to 25c lower. Reports from United States were discouraging and this caused the buyers to bid considerably lower here.

Choice weighty steers brought from 7.00 to 7.25, with a few extra choice at 7.50; fair to good from 6.75 to 7.00. Choice butcher steers and heifers sold mostly at 6.50, with some of extra choice quality at 6.75; fair to good from 6.00 to 6.50; common to medium 5.25 to 5.75. A few choice baby beeves brought 9.00, with most of the good to choice at from 7.50 to 8.50; medium 6.50 to 7.00. Stockers and feeders were slow of sale, the best kind selling at 5.50. Cows held steady, choice heifery kind from 5.00 to 5.50; choice heavy fat cows from 4.75 to 5.00; fair to good from 4.00 to 4.50; common to medium 3.50 to 3.75; canners and cutters 2.75 to 3.25. Choice butcher bulls were steady at from 5.00 to 5.50, while heavy bulls brought from 4.50 to 4.75.

Lambs held steady under a liberal supply, choice ewes selling at 9.00, choice sheep 5.00. The calf market was very slow on account of reports from the United States, choice calves selling mostly at from 9.00 to 9.50; fair to good from 8.00 to 9.00; common to medium 5.00 to 6.50.

The hog market held strong in spite of lower offers from local buyers. Practically all truck hogs sold at 9.00, with the sows at 6.50. The prospects will depend entirely upon supplies.

The N.H.L. all-stars have been chosen and the Detroit Red Wings was the only club which didn't have a player included on either the first or aternative teams.
