

### Institute Prayer

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away pretence, and meet each other face to face without self-pity or with prejudice.

May we never be hasty in judgment and always generous. Let us take time for all things; make us to grow calm, serene and gentle.

Teach us to put into action our better impulses straightforward and unafraid.

Grant us that we may realize it is the little thing that create differences, that in the big things of life we are one.

And may we strive to touch and know the great common woman's heart of us all and O Lord God let us not forget to be kind.

### Opening Ode

(Tune: Auld Lang Syne)

A goodly thing it is to meet  
In friendship's circle bright,  
Where nothing stains the pleasure sweet  
Or dims the radiant light.  
No unkind word our lips shall pass,  
No envy sour the mind,  
But each shall seek the common weal,  
The good of all mankind.
