COMMERCIAL TRAVELLERS—Dr. Ayer's business Agents are a pleasant annoyance to us, coming about as surely as the year. We can say of them what we are sorry we can not of all such visitors—that they are uniformly gentlemen. They are known to us of the press, as able and reliable, accomplished business men, of character well worthy the benevolent calling in which they are engaged, of promulgating the best remedies for the sick, this age affords. Success to you gentlemen and to your cause, for both deserves success.—Hartford Chronicle.

MR. A. G. CLOW, who has lately favoured us with a call, does ample credit to our brother's views, and we commend him to the cordial reception of our fraternity—long may he wave. 232

THE ONLY SAFEBY,
Neglect a cold! and soon, with terrors rife
Consumption saps the citadel of life.
Slow paced, yet sure—while hope with tints untrue,
Depicts a future glorious to the view—
The spider creats along with hidden dart,
And Death's cold shadows darken round the heart.
Yet hath Consumption warnings, that foretell
The love's quick ear the loved one's coming knell;—
The deepening Cough, flushed cheek, and pulses high,
The failing strength, and fever-lighted eye.
These, and the wasted form, and shortened breath,
Are symptoms all, too eloquent of death!
BE WISE IN TIME!—remedial means apply,
Nor stand meet to see the sufferer die.
If Cough or Cold the Lungs or Throat assail,
Employ a remedy that cannot fail!
Tar, Canchalagua, Liverwort, combined,
The golden gift of science to mankind,
These in concentrate form, a compound rare,
Hath Rogers given, banishing despair! 141

ECONOMY.

IT has long been considered that ELLIOTS DENTIFRICE was the best Powder in use for Cleansing, Whitening and Preserving the Teeth and Gums, but few think of the Economy of its employment.

It is by far the cheapest Powder or Preparation for the Teeth offered to the Public.

Each Box contains four times the usual quantity of powder in its boxes, at the same time the universal testimony of all who have tried it, including the Dignitaries of the Church, the Judicial Bench, as well as Editors, Professional men, &c, &c, is, indeed all classes, that Elliot's Dentifrice is one of the Safest, most agreeable and Effectual Dentifrices ever employed.

It prevents the decay of the Teeth, sweetens the breath, renders the gums healthy, and by its constant use Toothache is avoided.

Its Sale has already reached over 10,000 Boxes With still increasing demand.

Ayer's American Almanac is now ready for delivery at E. W. Palmer's, who is supplied with it by the publisher for distribution gratis to all who call for it. It contains about the richest collection of anecdote we know of—is calender accurately calculated for this meridian and found reliable, besides an amount of valuable medical information which should be in the possession of every family. This little annual has become a welcome visitor to the firesides of the American people—and not to them alone, for its numbers are freely circulated in almost every civilized country under the sun. It is published in the English, French, Spanish and German languages, with calenders adapted to every meridian of the Northern Hemisphere. Over twenty-seven hundred thousand copies were issued last year, which is doubtless the largest edition of any book in the world. Our readers are respectfully invited to call and get a copy, and when got, keep it.

IMPORTANT NOTICE.

But one solution to the mysterious office performed by Dr. Smith's "Electric Oil," of Philadelphia, that any Physiologist can thus far discover, which is, its probable incorporation with the nervous fluid of the body, as pains are in the nerves. On no other principle can this be explained. Rheumatism has been much talked about and little understood. This Oil, if genuine, is known to cure amaurosis.

Do you know that Dr. Smith's genuine Electric Oil will cure Gravel, Kidney Complaints, Gout, Rheumatism, Salt Rheum, Erysipelas, Scaly Eruptions of the Skin, Ear, Tooth and Headache, Amaurosis, Cramps, Indolent Swellings, Tic Doloreaux Neuralgia, Paralysis, Weak Ankles, Limbs, and Joints, acute nervous pains, instantly. Burns, Felons, Wounds, Piles, always. Try it, and you won't wonder at its popularity. The genuine Dr. Smith's Electric Oil is always signed A. E. Smith. Grand Central Depot, N. E. corner Walnut and Eighth streets, Philadelphia. Beware of counterfeits.

P. S.—Col Wallace, the distinguished Editor of the Philadelphia Sun, says:

SMITH'S ELECTRIC OIL.—Among the many evidences of sympathy for those injured by the late railroad accident, we are pleased to see that Dr Smith has tendered the gratuitous supply of his Electric Oil as well as the personal services of himself and lady. The Doctor has a heart "open as day to melting clay," and his valuable medicines deserve all the popularity they have attained.

Ulcerous Sores.—A poor man named Mackey, in the employ of Lieut. Webster, of Pugwash, was terribly afflicted with several ulcerous sores on his body, and two on his leg, which rendered him a most miserable object, and frequently deprived him of the means of earning his daily bread; he obtained advice from some very eminent medical men, but he did not get any better, however; the gallant an humane Lieut. finally purchased for him a quantity of Holloway's Ointment and Pills which Mackey commenced using; he persevered with these remedies for only nine weeks, when to the astonishment of every one, the ulcers had entirely disappeared, leaving scarcely a scar perceptible after 19 years of actual suffering. These famous medicines will cure old wounds even of 30 years standing.

The Oxygenated Bitters have received the strongest testimonials of any medicine in the world for the cure of Dyspepsia, Asthma and General Debility, and is worthy the confidence of all who seek a remedy for these complaints. 265

BEST HAIR DYE IN THE WORLD!

This strong language, yet Bogle's Electric Hair Dye (recently improved) was proven to be so, by the judges at the late mechanic's Fair, held in Boston, (among whom was Dr. Hayes, the eminent chemist and State assayer) who awarded it the PRIZE MEDAL AND DIPLOMA, over the choicest Hair Dyes on exhibition from all parts of the Union. Its unparalled superiority consists in, 1st. The ingredients are nourishing to the hair, not destructive as others are. 2d. Does not stain nor hurt the skin. 3d. Is easily applied, and dyes the hair any color required, from a delicate brown to a deep black, so natural as to appear marvellous. Manufactured, sold and sold by WM. BOGLE, 277 Washington-st. 232

MEDICAL ADVICE

TO THE AFFLICTED.—Dr. H. Balburny, from England, can be consulted and will forward his advice by letter to any part of Canada. Dr. H. B. from his great experience in the London Hospitals and deep study, is able to treat cases when described by letter, as successfully as by a consultation. Cases which have long been given up as hopeless by ordinary practitioners, are daily cured by the prescriptions and instructions sent by him. The following diseases are treated by him with great success—Bronchitis, Consumption, Fever and Ague, Dyspepsia or, Indigestion, Fits, Rheumatism, Scrofula or King's Evil, Erysipelas, Cancer, also all diseases of the Liver, Throat, Lungs, Kidneys and Bladder. In cases of Venereal Disease, Dr. H. Balburny can safely affirm he has not his equal in the world, employing medicines of his own, perfectly harmless, yet effecting a speedy and wonderful cure.—Young men who have debilitated their constitutions, will do well to consult Dr. H. B., who will, if there is yet time, save them from their sufferings. In all cases where it is wished, Dr. H. B. will forward his Medicines securely packed and concealed from observation. All letters must be prepaid, and contain the consultation fee of Five Dollars, for which sum advice to suit the case, will be sent to any part of America, and a cure guaranteed. Address, stating age, sex, occupation and full particulars of the disease, to Dr. H. Balburny, Post Office, Toronto. 9

LET THERE BE NO SECRETS IN MEDICINE or rather no pretended secrets. The Medical Faculty publish as soon as made, all their discoveries, and almost all that is known of real value for the cure of disease, has been discovered by them. Dr. Ayer, takes the honorable honest course, and right because it is honest. He goes to work and invents the best remedy which medical skill can devise for the cure of certain complaints; then publishes what it is and maintains his monopoly of it solely by making it cheaper, better, more perfect, than anybody else can. If the people would exact this of all who offer, medicines, they would have much less treacle and trash to swallow. New Orleans Organ. 252

Agricultural Circular.

Office of the Agricultural Society of the County of Frontenac,
Kingston, 14th January, 1857.

GENTLEMEN,—

I beg to call your attention to the Agricultural Act passed the 10th Nov. 1852 16 Vic. Cap. 11, Section 31 notifying you of holding your yearly Township Agricultural Society Meeting as early in this present month of January as possible, for the purpose of appointing your officers, and Section 35 calls upon the officers and Directors to prepare and present to the Annual Meeting of the Society a Report of their proceedings during the year and directing them to transmit a true copy thereof, certified by the President or Vice-President to the Secretary of the County Society in time for the Annual Meeting thereof, in the Month of February next.

Pronounced Incurable by his Physicians—Yet Cured by Hoofland's German Letters.

CENTRAL BRIDGE, Schoharie co., N. Y., Feb. 12, 1855.

Dr. C. M. Jackson—Dear Sir—A gentleman by the name of Larkin, living in this place, who has been under the doctor's charge, and confined to the house for two years past with Liver Complaint, which last fall turned into Dropsy, and was pronounced beyond cure by the principal Physicians of the place, and his friends expected him to die daily, is now, after taking five bottles of the German Bitters, out doing errands and attending to his daily business. The Bitters are consequently in great demand.

Respectfully,
JOHN G. CARRYL.

See advertisement. 252

Perry Davis' Vegetable Pain Killer is decidedly the most popular family medicine known, for no other remedy has been so successful in relieving all kinds of pain. It is most appropriately called Pain Killer. 248 13

Liver Complaint—Mr. James Alferton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business, he was told nothing in the world would thoroughly cure him, although he had spent a complete fortune in medicine and advice. At last he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present. 252

OXYGENATED BITTERS.

The annexed Statement of Prof. A. A. HAYES, M. D., State assayer, is ample testimony of the scientific manner in which this medicine is compounded, and recommends it to Professional Men, as well as a fine tonic in the practice:—

An opinion having been asked for of me, in consequence of the formula for preparing Oxygenated Bitters being known to me, I express the following, in reply:—

The composition of these Bitters includes those medical substances which experienced physicians have long resorted to for special action on the system, when deranged by Fevers, Dyspepsia, Agues, and General Debility, resulting from exposure or climate influence.

These are rendered permanent, and remain active, in this preparation, as a consequence of the scientific manner in which they are combined.

It was a well founded inference, that the preparation, used in larger or smaller doses, would prove a valuable General Medicine, which experience has demonstrated.

In this medicine, no metallic salts can be found, by the most delicate chemical trials.

Respectfully,
A. A. HAYES, M. D.,
Assayer to the State of Massachusetts.

GREAT SALE
OF
VALUABLE BUILDING LOTS!
IN THE
City of Kingston,
ON
Thursday the 22nd January, 1857.
BY JOHN PATTERSON.

THE Subscriber has received positive Instructions from the Proprietors to sell by Auction the following eligible property, in Lots, consisting of Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, situated on PRINCESS STREET, in the City of Kingston, and adjoining the residence of JOHN METCALF Esq.

—ALSO—

Nos. 1, 2, 3, 4, 5, 6 and 7, situated on CENTRE STREET. Also, lots Nos. 16, 32, 36 and 37, situated on COLLINGWOOD STREET, lately laid out by A. J. Macdonald, Esq.

The terms of payment will be easy, namely one-fifth by an endorsed note at three months (without interest) from day of sale, the balance in four equal annual instalments with interest on the unpaid balance. For particulars of title, &c., application to be made to Thomas Kirkpatrick, Esq.

TO INTENDING PURCHASERS

of Building Lots this sale will afford an opportunity that not rarely presents itself. The proximity of the location to the business part of the city, its contiguity to the new Court House and public buildings, its salubrious and commanding situation, (embracing a view of Lake Ontario, River St. Lawrence, and the whole city and its environs), making it one of the most desirable places of residence in the Province.

The Subscriber would particularly recommend these lands to the notice of Mechanics, who, for a small outlay, can secure to themselves and families permanent, comfortable homes. The yearly rent paid to exacting landlords would more than cover both the interest and purchase money, and the cost of a neat and comfortable dwelling.

TO SPECULATORS.

In Town lots Kingston offers greater inducements than, perhaps, any city in the Province.

The Grand Trunk Railroad, which to small towns, is decidedly injurious, touching the water, as it is designed to do, be most advantageous to Kingston, which is naturally the interchanging point for lake, river and railroad traffic, besides being the nearest Canadian frontier port to the City of New York.
