A MARVELLOUS REMEDY
FOR A MARVELLOUS AGE!!
HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Mosquitoes and Sand-Flies	Piles
	Rheumatism
	Scalds
Coco-bay	Sore Nipples
Chiego-foot	Sore throats
Chilblains	Skin-diseases
Chapped hands	Scurvy
Corns (Soft)	Sore-heads
Cancers	Tumours
Contracted and Stiff Joints	Ulcers
	Wounds
Elephantiasis	Yaws.

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs or spots before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it bears favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

Messrs B. Hall & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1856

We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his score.

Messrs. Joseph R. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter aged about 16 year, has been complaining of a pain in her side for six or seven years, and most the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pain between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

WM CLARK.

CERTIFICATE of CAPT. DANIEL ABBOTT

Brooklyn, Me July 16th, 1853.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

Respectfully, yours,

To Dr. C M Jackson. DANIEL ABBOTT

CERTIFICATE from REV. A. D. SHEPPARD

Rockland, Lincoln Co Me, Jan 3, 1853.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

Price 75c. per bottle. Sold by Druggists and Storekeepers in every town and village in the United States and Canada; and by

MONUMENTAL DAGUERREOTYPE CASES.

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Lowell Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 2 each to $8 50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN, Agent of Manchester Dag. Co., 335 Broadway New York 248

Money! Money! Money!

WHY be WITHOUT MONEY! when it is just as easy for any one to be a round with a pocket full, as not, if they only think so. I have got a new article Pen which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and no humbug which is sold in every Township in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instruction in the art. The business is very easy—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and in so a good business, than to pay twenty fivecents for a spurious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to—

DWIGHT MONROE, New York

I send one of my Circulars to an Editor in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars and I will just say to my readers that if some of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug." 248

AYER'S
CHERRY
PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BURNSVILLE, MASS., 20th Dec., 1853.

Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last two years has shown it to possess superior virtues for the treatment of these complaints. ELIJAH KNIGHT, M. D.

A. R. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you intrusted it, and believe it the best medicine for the purpose ever put out. With a bad cold I should scarcely pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

DR. AYER: I will cheerfully engage the services of my name in the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of childhood. We regard Paternity in the Schoolship appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTROSE, PA., writes, 3d Jan., 1856. "I had a tedious Influenza, which confined me in doors six weeks; took much medicine without relief, then tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL has performed wonderful cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., ALBION, MONROE CO., IOWA writes, Sept. 6, 1854: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for curing cases and relief in consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Scarcely any one but has some friend or relative upon whom it has proved beneficial, and who is ready to testify to its virtues when they know it will do good. Many such testimonials are published in our American Almanac, which we send gratis to all who call for them. Dealers in our medicines have the most convincing evidence of their extraordinary efficacy in the cures of Pulmonary Consumption, Bronchitis, Severe Coughs, Asthma, Incipient Consumption, and Hoarseness, which are of such a nature that the skill of the most eminent physicians is baffled to find a remedy for. Hence the confidence we can give to our CHERRY PECTORAL as a remedy for these fatal diseases, is based on the fact that it does cure them, even when other medicines have failed to do any good. Many of our friends in the medical profession have given their patients our Cherry Pectoral when other medicines could do no good, and have informed us of the results of such cases, that we have published in our American Almanac, which they can obtain of you. Our Pectoral is also a most agreeable and efficacious family medicine, for it cures the slight coughs and colds which are incidental to families everywhere, and by its timely use prevents them from becoming more dangerous. Keep it by you for your children and family, and you will find it a faithful friend in need.

Prepared by DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.
