A MARVELLOUS REMEDY FOR ANY DISEASE ARISING FROM HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we find millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through leather or meat of any thickness. This healing Ointment far more readily penetrates through any body of fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otl erwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

ad Legs	Fistulas
dad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago

Sand-Flies	Rheumatism

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Constipation, Inward Piles, Fullness of Blood in the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of Weak or Dull Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has undergone the test of a ten year's trial before the American people and its reputation and sale is unrivalled by any similar preparation extant.—The testimony given by the most prominent and well known Physicians and individuals in all parts of the country is unanswerable, and a careful perusal of the Almanac, published annually by the proprietor and to be had gratis of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has attained.

Astonishing Cure with only One Bottle.

OSWEGO HALL & CO. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1856

We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his cure.

Messrs. Joseph R. Pal & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 18 year, has been complaining of a pain in her side for six or seven years, and about two first of January last was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pain between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters," I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

WM CLARK.

CERTIFICATE of CAPT. DANIEL ABBOTT, Brooklyn, Me. July 16th, 1855.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston S. C.—At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, not sleep, or appetite. At last, taking up a newspaper having your advertisement of "Hoofland's German Bitters" in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, another at 8 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day, found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

Respectfully, yours,

To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

Rockland, Lincoln Co., Me., Jan 5, 1851.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

MONUMENTAL SUBSTITUTE CASES.

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses in Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a green box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 25 each to $3 50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN, Agent of Manufacturing Co., 335 Broadway New York. 248

Money! Money! Money!

WHY be WITHOUT MONEY, when it is just as easy for any one to be in command with a purse that is not, if they only think so. I have got a new article from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is used in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions to the art. The business is very easy—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty five cents for a spurious advertisement. This is no humbug. Try it! Try it! Try it! Address all letters to

DWIGHT MONROE, New York

I sent one of my Circulars to an Editor in Georgia, and he gave me a house for his paper like the following:

Mr. Monroe sent me one of his Circulars and I will just say to my readers that whoever of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug" 245

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BROOKLYN, MASS., 20th Dec. 1855.

Dr. J. C. AYER—I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the succeeding consequences of a Cold is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N.Y., writes:—I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a lack coil I should consider my twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the other diseases of children. Let your fraternity in the South appreciate your skill, and commend your medicine to our people.

ADIRAM CONKLIN, M. D.

AMOS LEE, Esq., Montgomery, Pa., writes, 24 Jan., 1856. "I had a tedious Influenza, which confined me to the house six weeks; took many medicines without relief. Finally tried your Pectoral by the advice of our clergyman. The first dose relieved my soreness in my throat and lungs; less than one half the bottle made me entirely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Brother, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the bronchi for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., AUBURN, MONROE CO., Iowa, writes, Sept. 8, 1855:—"During my practice of many years, I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Scarcely human skill can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTON HOUSE, New York City, March 3, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no skill or medicine could procure her much relief. She was steadily failing until Dr. Strong of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough and calls herself well.

Yours with gratitude and respect,

ORLANDO SHELLEY, of SHELBYVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us prove the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they will unprecedentedly open the esteem of all men. They are so gentle yet powerful to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases, stimulate sluggish or disordered organs into their natural action, and impart health, tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also those hidden and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time in diminished doses, the safest and best physic that can be employed for children, being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many reverend clergymen and physicians have lent their names to testify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of suffering, suffering fellow-mortals.

The Agent below named is pleased to furnish gratis his American Almanac, containing testimonials of their wonderful cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Mortal functions of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other pill can be compared with this in curative value or durable powers. The sick want the best and they can find it for them and they should have it.

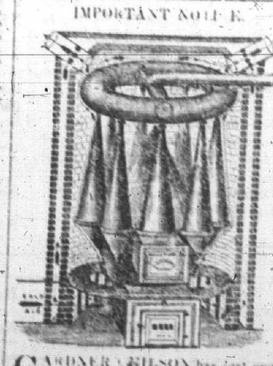
IMPORTANT NOTICE.



GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE, and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, to a Universal or Steam Power, to which he will examine this invention, which effects CHANGE in the principle and construction of Hot Air Furnaces *develops a greater and a new principle*, and obviating all the objections to their use. The practical operation of a number of these Furnaces erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the same heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery, simple in itself—is the daily wonder of those who witness its results and it becomes a matter of surprise that a plan at once so simple and practical in its operation, should thus long have escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

DIPHTHERIA TO EVERYBODY.

For the last three years I have been engaged in a business requiring my entire time, and consequently could not attend to my health, which has been in a very bad state for the last two years, while I have tried all the medicines I could hear of, without any benefit, I was induced to try your Cherry Pectoral, which has benefited me so much, that I feel it my duty to make the fact known to the public, in the hope that it may be of service to others. I have taken two bottles, and feel as well as ever I did in my life. I am in perfect health, although I am now living in a place where Diphtheria is very prevalent. I have recommended your Pectoral to many, who have used it with the same results as myself. I shall always be happy to recommend your Pectoral to those I meet with who are in need of such a medicine.

Yours with gratitude and respect,

ORLANDO SHELLEY, of SHELBYVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us prove the high merits of its virtues.—*Philadelphia Ledger.*
