MARVELLOUS REMEDY
FOR A MARVELLOUS AGE!!
HOLLOWAY'S OINTMENT.

The Great External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, Disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS RHEUMATISM AND SCORBUTIC HUMOURS

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this. Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe visiting the principal hospitals disclosing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otr ewise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

ad Legs	Fistulas
ad Breasts	Gout

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and Diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull Pain at the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten year trial, before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is unanswerable, and a careful perusal of the Almanac, published annually by the proprietors agents, or by any of his Agents, cannot but satisfy the most sceptical that this remedy is really deserving the great celebrity it has attained.

Astonishing Cure, with only One Bottle.

JOSEPH B. HALL & Co. says:—

Prospect, Aroostook Co., Me., April 24th, 1856.

"We have heard you a certificate of cure with only one bottle of the German Bitters, we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters," I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

CERTIFICATE of CAPT. DANIEL ABBOTT, Brooklyn, Me. July 16th, 1855.

"I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor sleep, or appetite. At last, taking up a newspaper having your advertisement, of "Hoofland's German Bitters" in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.

Respectfully, yours,

To Dr. C. M. Jackson. DANIEL ABBOTT

C. P. FESSENDEN, says:—

Rockland, Lincoln Co. Me., Jan. 8, 1855.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening, and never prostrating the system.

Important to Daguerreotypists: Marble Dealers and others.

MONUMENTAL DAGUERREOTYPE CASES.

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a screw top. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn Cemetery, Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 25 each, to $9 50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN, Agent of Mausoleum Dag. Co., 335 Broadway New York. 248

Money! Money! Money!

WHY be WITHOUT MONEY! when it is just as easy for any one to be a round with a pocket full as not, if they only think so? I have got a new article from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy.—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty five cents for a spurious advertisement. This is no humbug, "Try it! Try it! Try it!" Address your letters to

DWIGHT MONROE, New York

Lest one of my Circulars to an Editor in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars and I will just say to my readers that whoever of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug."

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRIDGFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. ERSKINE KNIGHT, M.D.

A. B. MORTLEY, Esq., of Utica, N.Y., writes: "I have used your PECTORAL myself and in my family, ever since you invented it, and believe it the best medicine for the purpose ever put out. With a bad cold I should scarcely pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SCHUYLERVILLE, MASS., Feb. 7, 1854.

DEAR DR. AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and confidence your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTVERT, IA., writes, 31 Jan., 1856: "I had a terrible Influenza, which confined me to doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one-half the bottle made me perfectly well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, OHIO, Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who had laboured under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We believe his kindness as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and respect,

ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bear witness the high merits of its virtues. — *Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win an precedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of the afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them and they should have it.

INDIAN MEDICAL SOCIETY.

At a meeting of this Society, held in Boston, Oct 1st, 1856, the following resolutions were chosen:

Rev Norris Day, Boston, Pres't; John Stiles, Esq, Boston, Sec; Reuben Greene, M.D., "V-Pres'd; Wm. M. Tyler, Esq., "Treas.

The following Resolutions were unanimously adopted:

Resolved, That as the principal medicines used together in varied and peculiar to the Indian System of Medicine upon scientific principles, we believe we are conferring a Blessing upon the afflicted, and advancing the cause of the Medical Science.

Resolved, That we have had regular demonstration that Dr. Greene's Medicines are not the production of nostrums. They have done my wife more good than I can tell you. She had been sick and pining away for months. Was off to be doctored at great expense, but got no better. She then commenced taking your Pills which were recommended her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and with cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be popular.

GEO. J. GRIFFIN, *Postmaster.*

Her mother had been troubled with the blotch they are the very best medicine I have ever known, and I can confidently recommend them to my friends. Yours, J. Y. HIMES.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hoss, of the Methodist Episc. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief which skill has brought me if I did not report my case to you. A cold settled in my limbs, and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 6 Sept., 1854.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SIGDELL.

For Dropsy, Plethora, or kindred Complaints,

they are a valuable remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and efficacious.

Piles, Suppression, Paralysis, Inflammation, and even **Deafness, and Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a popular pill. From the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. And yet, for years the pills in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among their some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it also the pleasantest and safest medicine that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more victims to the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inevitable canker that fastened on the vitals. Prevent the fatal consumptions, and you will know the dreadful fatality of lung disorders, and may know too the virtues of this remedy, we need not more than to assure them it is still under the best of care. We spare no cost, no care, no toil, to produce it the most perfect possible and thus afford those who rely on it the best agent which our skill can furnish for their cure.

BLODGETT'S PATENT IMPROVED BAKING OVEN!!

For Steamboats, Hotels and Families.

Warranted to cook with less fuel than any other Oven.

It is a perfect oven, doing everything required of it in the most superior manner.—It will roast at the same time, as many different kinds of meats as the oven can contain, and each piece will be perfectly sweetened free from the gases arising from the different varieties, as the gases are let off through an escape pipe at the top.

For baking bread and pastry, this oven is without a rival, and the heat is regulated by dampers at the bottom, and is under the perfect control of the operator. It is also excelled in point of economy, as the heat is generated in the oven.

The material from which it is manufactured being a non-conductor, and constructed with air-chambers, there is no radiation of heat, and a small quantity of fuel will keep it going for hours.

A water boiler is attached when desired by which a supply of water can be readily obtained without additional fuel.
