On Wednesday evening, July 26th, the members of the Priceville Presbyterian Y.P.S., who were regular in attendance and active in the work of the Society, were rewarded by a weiner roast, held on a picturesque little island in the Saugeen, just below the village. At dusk, a friendly camp fire was kindled, which served to roast the weiners. Cold lemonade and marshmallows, toasted to a golden brown, made a delicious addition to the feast. A few community songs and bagpipe music gave a musical touch to the evening and a quiz program conducted by Jamie Sutherland and Gordon Nichol, provided further entertainment. The party was such a success that it was decided to hold another in the near future.

We were delighted, yea honored, with a visit last Wednesday from two old time friends, Mr. and Mrs. W. H. Hunter (nee Mrs. G. Swanston). He is a government official and she an accomplished violinist. Old times around Fairbairn church were thought of, where she was a valued member of the choir of which I have pleasant memories.

The premises of Mr. Fred Runciman are still being beautified by the addition of a fine gravelled undulating and curving driveway into his garage. Ditches were cleaned out and an eye-sore of a big stone buried. What can't be done with elbow grease and determination?

We purpose taking in the anniversary at Amos Church and the concert following on Monday, July 31st.

The best way to serve your party is to serve your country first.
