We publish as a great curiosity the following characteristic letter, received by our friend Dr. J. C. Ayer, of Lowell, Mass, from the "Rebel Chief, or usurping Emperor of China, in acknowledgment of quantities of his Cherry Pectoral and Cathartic Pills, the Doctor sent him as a present.

To Dr. Ayer in America—

The great curing Barbarian of the outside country.

Your present of sweet curing seeds (Pills) and fragrant curing drops, (Pectoral) of the Cherry smell, has been brought to Hugwo-Tsene—the mighty Emperor (Kwangte) of the terrible stout Ming dynasty, by the grace of heaven received after an interval of ages—Prince of peace (Ta-ping-wang) of China, the central flowery land. He directed his powerful Mandarines to give them to the sick according to what the Interpreters read from your printed papers (directions) Be profoundly happy, O wise Barbarian! for I, Yang-see-Tsing, say it. Your curing seeds and sweet curing drops were given to the sick in his Army of the Winged-Sword, and have made them well. Be profoundly happy while you live for this is known to the Mighty Emperor of China, who approves your skill, and permits you to send more of your curing medicines for his fierce armies of myriads of men.

They may be given to Chiang Lin, Chief Mandarin of the Red Button at Shanghai, who will repay you with Tea or Silk or Gold.

The high Mandarins of China, have heard of your great knowledge, surpassing all other Foreigners, even aspiring to equal the keen wisdom of our own healing teachers, who make remedies that cure instantly.—We are glad to know you bow in trembling terror before our Mighty Emperor.

Written by YANG-SEU-TSING,
Minister-in-chief of the restored Imperial Ming Dynasty, destined by the heavenly wisdom to rule in China.

An Invaluable Medicine.

From the Hon. Solomon Foote, Member of Congress from Vermont.

Washington, D. C. June 1.

Dr. Geo. B. Green,—Dear Sir; In your note of this morning, you ask "for an expression of my opinion in regard to your medicine called Oxygenated Bitters" It affords me pleasure to state, that from the experience I have had, in curing a severe attack of Dyspepsia in my own family, and from the wonderful effects which it has produced in other and more severe cases, arising in families of members of Congress with whom I am acquainted, I think it an invaluable medicine, and hope that such circulation will be given to it as will bring it within the reach of all who are afflicted with that distressing malady.

Respectfully yours,
S. FOOTE.

SETH W. BOWLE & Co., 138 Washington Street Boston, Proprietors. Sold by their agents everywhere. 36

IMPORTANT NOTICE.

But one solution to the mysterious office performed by Dr. Smith's "Electric Oil," of Philadelphia, that any Physiologist can thus far discover, which is, its probable incorporation with the nervous fluid of the body, as pains are in the nerves. On no other principle can this be explained. Rheumatism has been much talked about and little understood. This Oil, if genuine, is known to cure amaurosis.

Do you know that Dr. Smith's genuine Electric Oil will cure Gravel, Kidney Complaints, Gout, Rheumatism, Salt Rheum, Erysipelas, Scaly Eruptions of the Skin, Ear, Tooth and Headache, Amaurosis, Cramps, Indolent, Swellings, Tic Doloreaux Nouralgia, Paralysis, Weak Ankles, Limbs, and Joints, acute nervous pains, instantly, Burns, Felons, Wounds, Piles, always. Try it, and you won't wonder at its popularity. The genuine Dr. Smith's Electric Oil is always signed A. E. Smith. Grand Central Depot, N. E. corner Walnut and Eighth streets, Philadelphia. Beware of counterfeits.

P. S.—Col Wallace, the distinguished Editor of the Philadelphia Sun, says:

SMITH'S ELECTRIC OIL.—Among the many evidences of sympathy for those injured by the late railroad accident, we are pleased to see that Dr Smith has tendered the gratuitous supply of his Electric Oil, as well as the personal services of himself and lady. The Doctor has a heart "open as day to melting clay," and his valuable medicines deserve all the popularity they have attained.

A MOST ASTONISHING CURE OF GENERAL DEBILITY.—Mr. Henry Ambrose, of Toronto, was for thirteen years an alarming sufferer from general debility, at night he had the most horrible, dreams when asleep, and when awake, he was low-spirited, with thoughts of self destruction, dislike of society, and involuntary blushing, this was the catalogue of his complaints, his friends were constantly alarmed, and in his calmer moments wished for death to relieve him of his sufferings. As might be expected the best advice from time to time was obtained, but it was utterly unavailing, at last, he was determined to commence the use of Holloway's Pills, which he did; nine weeks perseverance with this celebrated medicine saw him a man as he had never been before in his life, the bloom of health upon his cheeks, and every symptom of his host of disorders completely eradicated. 36

ECONOMY.

It has long been considered that ELLIOT'S DENTIFRICE was the best Powder in use for Cleansing, Whitening and Preserving the Teeth and Gums, but few think of the Economy of its employment.

It is by far the cheapest Powder or Preparation for the Teeth offered to the Public.

Each Box contains four times the usual quantity of powder in Jar boxes, at the same time the universal testimony of all who have tried it, including the Dignitaries of the Church, the Judical Bench, as well as Editors, Professional men, and indeed all classes is, that Elliot's Dentifrice is one of the Safest, most agreeable and Effectual Dentifrices ever employed.

It prevents the decay of the Teeth, sweetens the breath, renders the gums healthy, and by its constant use Toothache is avoided.

Its Sale has already reached over 10,000 Boxes With still increasing demand.

From Rev. Dr. Adamson chaplain to the Legislative Council &c. &c.

Toronto, July 21st, 1856.

Gentlemen,—Having used Elliott's Dentifrice for some time, I can confidently recommend it as well calculated to cleanse and preserve the teeth, and to impart health and consistency to the gums.

THE ONLY SAFETY.

Neglect a cold! and soon, with terrors rife
Consumption seps the citadel of life.
Slow paced, yet sure—while hope with—unts untrue,
Depicts a future glorious to the view—
The spoiler steals along with hidden dart,
And Death's cold shadows darken round the heart.
Yet hath Consumption warnings, that foretell
The love's quick ear the loved one's coming knell;—
The deepening Cough, flushed cheek, and pulses high,
The failing strength, and fever-lighted eye,
These, and the wasted form, and shortened breath,
Are symptoms all, too eloquent of death!
BE WISE IN TIME!—remedial means apply,
Nor stand inert to see the sufferer die.
If Cough or Cold the Lungs or Throat assail,
Employ a remedy that cannot fail!
Tar, Canchalagua, Liverwort, combined,
The golden gift of science to mankind,
These in concentrate form, a compound rare,
Hath Rogers given, banishing despair! 141

COMMERCIAL TRAVELLERS.—Dr. Ayer's business Agents are a pleasant annual to us, coming about as surely as the year. We can say of them what we are sorry we can not of all such visitors—that they are unformly gentlemen. They are known to us of the press, as able and reliable, accomplished business men of character well worthy the benevolent calling in which they are engaged, of promulgating the best remedies for the sick, this age affords. Success to you gentlemen and to your cause, for both deserves success.—Hartford Chronicle.

MR. A. G. COOK, who has lately favoured us with a call, does ample credit to our brother's views, and we commend him to the cordial reception of our fraternity—long may he wave. 232

BEST HAIR DYE IN THE WORLD!

This is strong language, yet Bogle's Electric Hair Dye (recently improved) was proven to be so, by the judges at the late mechanic's Fair, held in Boston, (among whom was Dr. Hayes, the eminent chemist and State assayer) who awarded it the PRIZE MEDAL AND DIPLOMA, over the choicest Hair Dyes on exhibition from all parts of the Union. Its unparalled superiority consists in, 1st. The ingredients are nourishing to the hair, not destructive as others are. 2d. Does not stain nor hurt the skin. 3d. Is easily applied, and dyes the hair any color required, from a delicate brown to a deep black, so natural as to appear marvellous. Manufactured, sold and sold by WM. BOGLE, 277 Washington st. 232

WILLSON HOUSE,
(LATE WILLSON'S HOTEL,)
MAINE STREET, Brockville, C. W.

THE SUBSCRIBER begs to intimate to his friends and the public, that he has leased the above premises, and will feel grateful for a continuance of the patronage heretofore extended to the Hotel.

The situation of BROCKVILLE is one of the pleasantest on the whole line of the St. Lawrence or Grand Trunk Railroad. From it the Traveller may enter at once, by Steamboat, into the exciting scenery of the Thousand Islands. Or, if the wonderful Rapids of the St. Lawrence are to be visited, the local position of Brockville renders it the most enticing, and at the same time the most convenient spot for taking Steamboat downwards, to Montreal and Quebec.

Brockville also forms a comfortable half way distance between Montreal and Toronto by Railroad, where passengers could enjoy a quiet night's rest, and continue their journey either East or West on the following day, there being a Local and Through Train each way.

THE WILLSON HOUSE

Is Commodious, and one of the most comfortable in America. Omnibusses will attend at the Cars and Boats to carry passengers to the House, free of Charge.

The proprietor is desirous of making his House in reality a home to all Travellers who may stay at his Establishment, and consequently desires to call public attention to the conveniences of the same.

Westport Stages, via Farmerville and Beverly, leaves the Hotel every morning at 9 o'clock. Sundays excepted.

Perth Stage, via Smith's Fall, leaves at 7 o'clock every morning. Sundays excepted.

Merrickville Stage, leaves on Tuesdays, Thursdays and Saturdays, at 2 o'clock, P. M.
