Markdale Band Concert

The Markdale Citizens Band held their first band concert in the Armories at Markdale on Friday evening last and a very good crowd was in attendance and received the work of the band very enthusiastically. Frank Duncan, C. J. Bellamy and F. J. Thurston of town are members of the band and assisted in the program. A very pleasant event took place at the close of the concert when Mr. and Mrs. LaVern Piper (nee Verdun McMaster), recent groom and bride, were presented with a studio couch by the members of the band and the citizens of Markdale, besides two electric irons from the Markdale Garage Co. and Mr. and Mrs. W. Hill. LaVerne replied very nicely, although taken completely by surprise. Mr. Sawyer made the presentation on behalf of the donors. Dancing followed to the strains of the Markdale orchestra and after a few hoursdurinkCkoutra. Everyone present had a most enjoyable time and the lunch served was delicious.

County W. I. Convention

At the Grey County W.I. convention held at Dromore on Friday, 18th inst., the following officers were elected: president, Mrs. W. H. Sing, Meaford; vice pres., Mrs. D J. McGowan, Ravenna; Mrs. Florence Smith, Meaford, secretary-treas.

A CORRECTION

An error crept in the report of the field crop competition held by the Osprey Agricultural Society, when the third and fourth place winners became mixed. Mr. Garnet Magee won third place with a high count of 92, one point behind second place, while Emerson Wright was fourth with 84. It seems impossible sometimes from keeping mistakes out of a newspaper, and we hasten to make amends to Mr. Magee, as his fine showing in the competition is worthy of reporting.

EASY MONEY

Capone made it—and he's in jail. So did scores of others who are in jail, have been in jail, are going to jail, or are under the sod — all because they made easy money.

Nobody can be blamed for wanting more money, but only simpletons take the easy-money route. It often takes the law a long time to catch up with them, but most invariably it does catch up.

This isn't intended as consolation for those who are out of jail but haven't much money; those who work for a living and haven't much left over after they've paid living expenses. It's just another reminder to those who look with greedy eyes on easy money that the fellow who makes it, and appears to be a big shot, usually ends up in the role of a big chump.—Chicago Herald.

SPECIAL PICTURES ARE BEING SHOWN TONIGHT

The Goodyear Tire Company is to give special pictures tonight in Flesherton that will be well worth seeing. They will bring their own loud speaker system and a splendid night's entertainment is forecast.

Miss Macphail To Contest Grey-Bruce

It is a foregone conclusion that Miss Macphail, who has been the member for Grey-Bruce since 1921, will again get the nomination of the party. It will be her sixth election campaign, and the second she has contested since a part of Bruce county was added to the old riding of South Grey.

There have been rumors for some weeks that Miss Macphail is to be appointed to a Penitentiary Commission, but we have been unable to secure any confirmation of these reports. The story is that the government is placing the control of the prisons in a three-man board, the chairman to get $10,000 and other members $7,000 a year, and that they will operate instead of the former Superintendent of Penitentiaries. In view of the fact that Miss Macphail was largely instrumental in having an enquiry into the prison system of Canada, as a result of which many changes were suggested by the Commission, rumors have connected her name with appointment to the board, and it is reported that the appointment will be made before an election is held.

Were Miss Macphail asked to serve on this board and agreed to accept, it would entail her resignation as member, and officials of the district U.F.O. have expressed the view that they would be rather adverse to her accepting such a post, feeling that she has a greater field of service as a member of the House. Another fact is that were she appointed to such a board on the eve of an election, and should the Conservatives have a majority in the next House, they might not feel themselves bound by the last-minute appointments of the Liberal government and cancel it, so that Miss Macphail would be left "in the cold."

These reports, as we said, are quite unconfirmed, and Premier King is about the only one who knows what appointments are in mind, and he has said nothing, so it would seem likely that Miss Macphail will again be a candidate in the next election.—Ex.

Pedlar Clan Held Picnic

The Pedlar clan and their various connections held a picnic at Eugenia Falls on Sunday in honor of Mr. and Mrs. H. D. Pedlar, who have been holidaying with relatives for the past two weeks. Over forty sat down to a delightful supper, served amid the beauties of Hydro Park. After a pleasant afternoon and the singing of "Blest be the Tie That Binds," all dispersed to their respective homes. Mr. and Mrs. Pedlar returned to their western home at Oxbow, Sask., on Monday.

SHOTS FAIL TO HALT STOLEN CAR DRIVER

Provincial Constable H. C. Black of Flesherton and Chief Constable H Scott of Durham had a thrilling chase through Wednesday evening's storm, when they drove many miles at 80 miles per. hour, chasing a car reported stolen at Woodstock. Several shots were fired during the chace, but the thieves eventually made their escape. The car was first sighted at Dhurham and becoming suspicious the officers followed the car to Mount Forest. Here they made an attempt to halt it, but the theives eluded capture and started off in the directon af Harriston. Through blinding rain the chase continued for several miles Finally an attempt was made to halt the car by shooting at the tires, but the high speed at which the chase was conducted and the heavy rain made accurate marksmanship impossible the pursued car finally made a sudden turn down a sideroad and escaped before the officers could follow.—Hanover Post.

JEAN COLLINSON IN LINE FOR ONE OF CARTER SCHOLARSHIPS

Miss Jean Collinson was the star pupil in Flesherton High School in the Upper School examinations published on this page. She received first class honors in all of her nine subjects with the exception of English Composition in which she took second class honors. Jean will no doubt be in the running for one of the Carter scholarships on her fine record. Seven students of the local school have graduated: Kathleen Bannon, Jean Collinson, Gladys Patterson, Frances Reiley, Walter Russell and James E. Sutherland. Congratulations are extended to these pupils on the successful ending of their high school course.

Accident Neer McKean's Mill

Mr. and Mrs. Geo. Lanktree who live near Feversham, were thrown out of their buggy on Monday when a truck driver lost control of his truck on the face of a hill and it struck the horse-drawn vehicle. Mr. Langtree had the misfortune to receive three broken ribs. However, Mrs. Langtree escaped any injury.

Campaign Enters The Second Lap With Contenders Vieing For Lead

5,000 Bonus Votes For Every New Subscription This Week in The Advance Subscription Campaign —Merchants Offer Special Prizes

Midnight Saturday saw the close of the first period of The Advance great Good-Will Subscription Campaign. Monday morning's relative standing revealed several of the candidates with scarcely a nominal difference between them.

Even if one candidate were an outstanding leader, it would be too early to predict a winner. But, with the competition keen, and the leaders so closely placed, the race is filled with exciting and unpredictable possibilities. Only one thing is certain and that is that the best candidate will prove to be the one who bends the most intelligent and persistent effort towards the winning of the Campaign's Grand Prize—the $400.00 in cash

This week a special bonus of three prizes are being given as follows:

To the candidate securing the greatest number of new subscriptions any one day, Bennett & Richards will give a special prize.

To the candidate securing the greatest number of new subscriptions this week F. W. Duncan will give a special prize.

To the candidate securing the greatest amount of business (new or old) during the week, D. McTavish & Sons will give a special prize.

This is a good week to give support to your favorite candidate, so that he or she may win one of these special prizes.

At the end of the first period of the campaign Mrs. Russell Linton is still leading. Mrs. Linton has been in the lead from the beginning and still holds that enviable position.

Miss Alice Armstrong, who was in third position in the first announcement, did not take long to climb into second place and has demonstrated that other candidates must look to their laurels.

Argyle Martin in third position now and Miss Gladys McFadden in fourth place, are really having quite a time to themselves, as first one is a jump ahead and then the other, and either one may yet furnish the leaders strong competition.

Miss Lois Weber in fifth position and Mrs. C. N. Long in sixth have both given proof that they are able, if they devote more time to the campaign, to give the other candidates something to think about.

Mr. and Mrs. Albert O'Dell 40th Wedding Anniversary

(By our Priceville Corr.)

Mr. and Mrs. Alfred O'Dell celebrated their 40th wedding anniversary on Sunday, August 13th, at their home on the South Line, Artemesia. A very happy day was spent with their family, who were all home for the occasion: Mr. and Mrs. Alfred O'Dell Jr., Artemesia; Mr. and Mrs. Hornsby, Toronto; Mr. and Mrs. Stanley Heffer, Maple; Ronald and Doris, Toronto; Alebrt and Bob at home. There were also present Mr. and Mrs. Higginson, Miss McPherson and J. H. Higginson of Toronto and Miss Mary Mather of Artemesia. Twenty guests sat down to beautifully decorated tables for dinner and supper, the bride of forty years ago cutting the cake. They received a lovely lamp from the family, besides many other fine presents. The community joins with their family circle in wishing them many years of health, prosperity and happiness.

The Late A. Brooks

Mr. Albert Brooks, son of the late Mr. and Mrs. James Brooks of Lindsay, passed away at his home at Pickering on Saturday, Aug. 12, in his 75th year. The funeral took place on Monday, Aug. 14, from the home of his eldest son, Leslie, 47 Laughton Ave., Toronto, interment being made in Park Lawn cemetery Rev. Jenkinson of Pickering and Rev. Baker of Davenport Road United church officiated at the service.

The late Mr. Brooks was united in marriage to Emma Radley, daughter of the late John and Selina Radley of Rock Mills. They celebrated their golden wedding anniversary last May. To them were born nine children: Hazel (Mrs. Fred Bryan), Leslie, William, Harvey Elmer, Mabel (Mrs. Gray, Laura (Mrs. McLaren), Stanley and Russell. Mr. Brooks was one of a family of six children, those remaining being a brother, Charles, of Peterboro and Bella (Mrs. Thoman) of Kitchener.

Deceased resided in Artemesia for some time and moved to Toronto where he carried on a grocery business and retired to Pickering two years ago. He suffered with heart trouble for the past year, but his sudden death came as a shock to all. He was of a jovial disposition, a kind and loving father and his many acts of kindness will be long remembered by all who knew him.

Friends from a distance who attended the funeral were Mrs. Alfred Partridge, Mrs. Eva Fisher of Flesherton, Mr. and Mrs. Brown, Mr. Rudd London, Mrs. Harvey Brooks, Mr. and Mrs. Jas. Brooks, Omemee, Mr. Fred Radley of New Liskeard, Mr. and Mrs. Brickwood of Markham and Mr. Baker of Pickering.

The pallbearers were: Messrs. Jack, Edward and Ken Brooks, Fred Fisher, Harold Foster and Phillip Harper, while the grandchildren acted as flower bearers.

IMPROVE BALL DIAMOND

A murmer has been heard that the ball team would like the fence moved at the Park to the memorial gates, and erected along the cedars at the rear. The way it is now, the park is of not much use, but with the fence moved it would allow 30 feet more to the diamond, which would assist considerably. The Women's Institute will be asked about this at the next meeting and if they are agreeable the town council will, perhaps, move it to the more appropriate location. If on special occasions a fence was needed, a snow fence could be stretched along to take the place of the one there now

Business must be good in Western Ontario, for we noticed where one man took in $35,000 in one day. He was the tax collecter.

FARMERS HAVE REAL GRIEVANVE WHEN FARMS ARE INVADED

There was a police court case in Durham on Friday last in which our sympathies were with the defendant, a farmer, who had got himself into a rather bad jam by swiping a tire and wheel off a car that was parked on a sideroad near his farm. He had been having trouble with tresspassers in his berry patch who failed to move out when requested. This made the farmer mad and he told his son in a fit of anger to go down and remove the wheel, which the young lad did.

Of course he broke the law He had no business to take the tire and wheel, and the fact that the tresspassers were also breaking the law was no justification for him committing what could have been called theft.

Farmers have a good many things to contend with, what with berry-pickers, fishermen, hunters and others, too many of whom show but little regard for the men who own the property. Gates are often left open, fences are taken down and not replaced, grain fields are overrun, until the farmer is beside himself. It hardly seems right that a farmer, with his work to do in the summer months, should have to police his farm as well. It is a hard thing to do, especially if there are two or three hundred acres in the holding.

It might not have been right for that Egremont farmer to take the wheel and tire, but he had our sympathy just the same. True, he could have taken the license number of the car, but most of us do a lot of fool things when we get mad. — Durham Chronicle.

Tax Rate Up Slightly

At the last meeting of the Flesherton Village Council the tax rate for this year was passed b bylaw, making the rate 40 3-10 mills. Last year the rate was 40 mills. The advance in the rate will not make any appreciable raise in the amount to be paid to the treasurer this fall. The rate is made up from the following items on an assessment for all purposes of $193,058:

County $1,327.50, rate 6.9 mills.
Village $965.29, rate 5 mills.
Paving Deb. $1,907.03, rate 9.9 mills
Hydro $618.00, rate 3.2 mills.
Library $57, rate .3 mills.
Public School $1,824, rate 9.5 mills.
High School $1,061.82, rate 5.5 mills.

SOME THINGS WE LIKE

We like the crowds of good natured, good looking people who come to our town on Saturday nights.

We like to hear farmers talk about conditions on the farm, about their stock and crops, the weather and their shrewd comments on current events. We like to hear the women asking one another if they are going to the garden party or picnic and about what eatables they are going to take, and about who will make the tea and coffee; who will take the cream and discuss how many pies they should have, etc.

We like to see acquaintances meet and shake hands with one another on the street Saturday night, ask each other how they are keeping; how are the children and Aunt Rachel and grandma and grandpa. We like to hear them talking for a while about their home and community life and then say, "WELL, I MUST GO NOW AND DO SOME SHOPPING."—Kincardine News.

Let Us Have Those Items

Vacation season is here, and it brings a steady stream of visitors to the community, while scores of local residents are holidaying at other points from time to time. Every one of these visits is a news item of interest to at least one of our readers, and we are very anxious to receive these items. Send them in, or bring them in, phone them in, or if you live in the country, let your district correspondent know. We do not wish to miss any of these "comings and goings," but if someone doesn't tell us, how are we to know of all the visiting. Any items of local news, weddings, births, strange occurrences or any other special happening will be welcome. If you send it by mail use a one cent stamp with the letter unsealed or telephone 18w.
