First sod was turned last week in construction of the $2,000,000 dam to be built on the Grand River, three miles from Fergus. The purpose of the dam is to control the waters of this river which in the summer almost dries up. The dam will ensure a supply of water in dry weather, and a control of the tide in the spring freshets.

Live Report Stock

(By Dunn & Levack)

Almost 5,000 cattle arrived for Monday's market, and although the market opened slow, prices held up well on cattle of choice quality. Some demand for weighty steers for export overseas was helpful in holding prices about steady on that class, while choice butcher cattle and cows sold well for this time of the year. Lambs were steady, while calves were higher. Hogs showed considerable strength on Monday and were from 10 to 25 cts. higher than a week ago.

Choice heavy steers brought 6.50, fair to good 6.00 to 6.40, common to medium 5.00 to 5.75. Choice butchers steers and heifers sold at from 6.00 to 6.50, fair to good 5.50 to 6.00, common to medium 4.50 to 5.25. Choice baby beeves were steady at from 8.00 to 8.50, but those of medium quality easier at from 6.50 to 7.50, Selected stockers were in strong demand at from 5.00 to 5.50, medium 4.50 to 5.00, common 4.00 to 4.40. The cow market was active and steady, choice fat cows from 4.50 to 5.00, with choice heifery kind at 5.25. fair to good butcher cows from 4.00 to 4.50, common to medium 3.00 to 3.75, canners and cutters 2.75 to 3.00. Good weighty bulls were steady at from 4.75 to 5.00, those weighing around 1200 pounds 3.75 to 4.00, common light bulls 3.25 to 3.50.

The lamb market was active and steady at 8.85 for choice kind. Sheep were steady, choice 3.50 to 4.00. Calves were stronger, under a good demand, choice 9.00 to 9.75, fair to good, 8.00 to 9.00, common to medium 6.00 to 7.50.

A good demand from outsiders was helpful in forcing hog prices higher, and on Monday truck hogs sold at 8.15 on the hoof, and 10.85 dressed weight. Present indications -- the close of Monday's market looked favorable for a steady trade during the balance of the week.

Two Toronto lads of two and three have been taken to hospital because they swallowed pennies. Probably heard their parents saying how hard it heir parents saying how hard it was was to keep any money these days.

Grey County minister reports that in a recent marriage ceremony which he conducted the bride chewed gum throughout; her replies to the usual questions indicated that she was chewing a pretty big wad. There is, we have been told, a time and place for everything, but a marriage ceremony would hardly appear to be the correct time to indulge in this habit.
