Burton Bellamy Died Early Friday Morning

After an illness of three weeks in the Owen Sound hospital, Burton Charles Bellamy, 18 year-old son of Mr. and Mrs. C. J. Bellamy, passed away early Friday morning, after a most gallant fight from a relapse following an operation for appendicitis. Burton went to the hospital on August 29th and had the operation that afternoon. Hopes for his complete recovery were held out for some time but he gradually grew weaker and despite five blood transfusions he passed away about 12.45 Friday morning.

Burton was of a quiet disposition and was popular with all. His hobby was airplanes, and he was a master in designing and flying gliders around his home. He was extremely clever that way and took a keen interest in aeronautics. In his home is a splendid model of the Santa Maria, full rigged, that Burton built and which showed the care and exactness in the work he undertook. He was a clean-living boy and was a member of St. John's United Church, of which he was a regular attendant and was also in attendance at Sunday School each Sunday. He was a student at the Flesherton high school and took high splendid marks at the June examinations, taking all his subjects.

Besides his grief stricken parents, Burton is survived by two brothers, Robert of Winona and Benny at home.

The funeral was held on Sunday afternoon with service in St. John's United Church, which was filled to capacity with sympathizing friends of the family. The service was conducted by Rev. G. K. McMillan, pastor of St. John's Church, assisted by Rev. A. R. Muir of Priceville. Rev. McMillan preached a comforting sermon and referred to the Christian character of Burton and the interest he took in religion. His message was very comforting to the bereaved parents. Interment was made in the family plot in Flesherton cemetery, where Rev. McMillan was again assisted by Rev. Muir.

The pallbearers were his school chums and close friends: Mac Duncan, Alan Chapple, Emery Fisher, Melville Buchanan, Walter McBride and Ross McConkey.

Among those from a distance who attended the funeral were Mrs. Sam Osburn and Murray, Mrs. Passmore, Mr. and Mrs. Bert Osburn, Miss Mary Osburn and Bob Osburn, all of Batteau; Mr. Mervyn Osburn, Mr. and Mrs. Geo. Grenier, Miss Mildred Sharp, Mr. and Mrs. John Edwards, Frank Edwards, and Mr. and Mrs. Burns, all of Toronto; Mr. and Mrs. Frank Graham, Barrie; Mr. and Mrs. C. B. Wilson, St. Catharines; Mrs. R. Srigley, Allandale; Mr. Fred Bellamy, Collingwood; Mr. and Mrs. Robert Bellamy, Coldwater; Mrs. Thos. Scott, Hanover; Mrs. Mark Wilson, Durham; Mr. and Mrs. R. Andrew and family, Corbetton; Mrs. Robt. McKee, Nattawa and Mr. Jared Lyons, Dundalk.

Among the many beautiful floral tributes that surrounded the casket in the home and at the church were the following: St. John's United Church, Public School teachers and pupils, High School staff and students, Public School Trustee Board, the neighbors and one from his nurses in the Owen Sound hospital.

One wise man says it is better to give than to lend, and figures that the cost is about the same either way.

Judge Awarded Pupils To Dundalk High School Area

Last week Mr. Roy Piper, chairman of the Flesherton High School Board was in Owen Sound attending a hearing before Judge G. W. Morley, in regard to a claim by the Dundalk High School Board for three pupils from this school area who were attending Dundalk High School. The account sent in by the Dundalk Board, and which the Flesherton Board disputed was for $183.43 for three pupils from Artemesia Township in this school area, who attended school in Dundalk. Judge Morley gave his desion in a written report that gave expenses of two of the three pupils to the Dundalk school. The third was in favor of the Flesherton school. Judge Morley gave his judgment apparently on the fact that the pupils from near Proton Station were travelling by train facilities as Dundalk was more reasonably accessible than Flesherton. The Flesherton Board claimed that the local school was the school for those pupils to attend, as it was in their area and the same subjects were taught in both schools.

The school Act was changed in 1938 to read that pupils could attend another school that was more reasonably accessible than the one in their high school area, and their area would have to pay for their maintenance. In the case of one of the pupils, the fact that she journeyed to Dundalk each Monday by motor car and returned by train on Friday, swayed the Judge in awarding this pupil to the local area. The Artemesia High School area takes in all the township with the exception of an area adjacent to the Markdale High School area.

Change In Mail Time

Due to a change in time of the railway lines, the mails in Flesherton for afternoon and evening despatch and receipt have also been changed.

The mail for the afternoon train to Toronto will now close at 5.24 p.m. and the mail off the same train from the north will be received at 6.10p.m. The night mail from Toronto will be received at 10.10 p.m. Owing to the change in time of receipt of the night mail the wicket will not be opened Saturday night, as has been the custom in the past. The post office lobby will be open each night until after the sorting of the night mail, so that boxholders may receive their mail.

HAW—STEWART

(By Vandeleur Correspondent)

The home of Mr. and Mrs. Howard Graham was the scene of a very happy wedding reception on Saturday afternoon, in honor of Mr. and Mrs. Gordon Haw, who were married at the Presbyterian Manse, Markdale, by Rev. J. E. Taylor. The bride was formerly Sylvia Eva Stewart, daughter of Mrs. Stewart and the late James R. Stewart of Shrigley, and sister of Mrs. Howard Graham of Vandeleur. After a sumptuous dinner the bride and groom left amid showers of confetti and best wishes, for a motor trip through Northern Ontario and other points. On their return they will reside on the groom's farm at Swinton Park.

BALL—JAMIESON

A quiet but pretty wedding took place on Saturday, Sept. 16th, at the United Church parsonage, McIntyre, when Rev. R. E. Gosse united in marriage Hazel Marjorie Mae, only daughter of Mr. and Mrs. J. J. Jamieson of Hatherton, and Mr. George Wesley Ball, eldest son of Mr. Wesley Ball and the late Mrs. Ball of Durham.

The bride wore Queen's blue silk tricotine with navy accessories. The groomsman and bridesmaid were Mr. and Mrs. Lawrence Jamieson, brother and sister-in-law of the bride. The bridesmaid wore white striple sheer with white accessories, her wedding outfit of three months ago. After the ceremony the happy young couple returned to the home of the bride's parents, where a dainty supper was served.

The groom's gift to the bride was a gold bracelet and to the attendants a beautiful clock. The happy young couple left on a short honeymoon to Collingwood, Mt. Forest and Durham, and will reside near Maxwell.

Sunday School Rally Held At Priceville

Another successful Sunday School Institute was held in Priceville on Thursday of last week, Sept. 21, the purpose of which was to stimulate zeal for our task in the church at the beginning of the fall term. About ten charges in South Grey took advantage of the opportunity the Institute offers to leaders, especially in Sunday School work, and in all there were about 75 in attendance.

The sessions commenced at 2.30 in the afternoon with Rev. R. E. Gosse of McIntyre presiding. A feature of the afternoon program was a "panel" discussion taken by four young ladies from Dundalk. Each represented a particular emphasis necessary to make the Sunday School effective; a new religious emphasis, leadership training, the home, and assuming our whole task for each and every child. While some think one of these emphasis more important than the other, it was agreed by those leading this discussion that all are important if the Sunday School is to move forward. After the group had spent an hour in one of three sections which was given over to a particular phase of the work, Rev. Frank Langford, of the Department of Christian Education in Toronto, lead in a round table discussion when questions were asked freely and when Dr. Langford gave helpful answers to all.

The evening session opened with a very helpful worship period, which was led by three young people from Priceville. After reports were received from the sectional groups which met in the afternoon, Dr. Langford addressed the gathering on the theme of the Institute "The Sunday School Moves Forward." It was a stirring message with a great challenge and all who were there felt inspired to go home and do their task more effectively. A large percentage of those who attended took supper together between the afternoon and evening sessions. The Priceville ladies went to a great deal of trouble to serve a sumptuous and tasty meal. All who partook thanked them heartily.

ENLISTED IN R.C.C.S.

Mr. Bill Jamieson of South Porcupine, enlisted in the Royal Canadian Corps of Signals in Toronto. Bill is well known in Flesherton, having resided here for a time with his grandmother, Mrs. M. Jamieson, and attended high school. He had been visiting her for the past two months when the call for recruits came. He had some experience with the signal section of the Grey Regiment and the Owen Sound signal section. He is a son of the late Ellwyn Jamieson, who went overseas with the 147th Battalion in 1917, and who died a number of years ago. Bill's friends wish him the best of luck.
