HEALTH DEPENDS UPON PURE BLOOD. Thin and acrid blood cannot secrete healthy bile, and therefore the first thing for those who are dyspeptic should be to commence the purification of their blood.
BRANDRETH'S PILLS,
Not only purify, but they make the blood richer, and add those principles upon which its power to resist disease, depends.
MILD OPERATION WITH SUCCESSFUL EFFECT ARE THE PECULIARITY OF BRANDRETH'S PILLS. Now that we may soon expect genial Spring, it is of great importance that a few doses be used by the wise. Our race are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection! By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and bowels.—They soon cure liver complaint, dyspepsia, loss of appetite, pain in the breast bone, sudden faintness and costiveness. In brief, Brandreth's Pills work their way to the very roots of the disease, cleansing in their passage, removing every unhealthy accumulation, till the blood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens.
We have thousands of similar testimonials to the following, and such evidence can be had from living witnesses all around us on every side. It is from a gentleman of high respectability, whose letter can be seen at the Principal office: he writes:
