Dear Mrs. Henderson:

In response to your request for a tender to  
manage the operation of the flea market at Mar Community  
Centre from May 24th to October 11th inclusive, please  
consider this tender in the amount of \$1,000.00.

I have been a dealer at the Mar Flea Market  
for approximately 3 years although I did not participate  
last year and I am very much interested in seeing it  
continue with good success.

Yours sincerely

*Jean Davidson*
