MARVELLOUS REMEDY FOR A MARVELLOUS AGE!!!
HOLLOWAY'S OINTMENT.

The Great External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried in any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS—RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Mosquitoes and Sand Flies	Piles
	Rheumatism
	Scalds

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from, a disordered Liver or Stomach, Such as Consumption, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

JOSEPH B. HALL & Co. says:—
Presque Isle, Aroostook Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

CERTIFICATE of CAPT. DANIEL ABBOTT.
Brooklyn, Me. July 14th, 1853.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor sleep, or appetite. At last, taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.'

Respectfully, yours,
To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—
Rockland, Lincoln Co. Me, Jan 3, 1853.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

Important to Daguerreotypists, Marble Dealers and others.

MONUMENTAL DAGUERREOTYPE CASES.

A method has long been sought for, to insert a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn Laurel Hill, and many other Cemetries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 25 each to $9.50. A circular of engravings will be sent to any address, free, with price list. Address,

Money! Money! Money!

WHY be WITHOUT MONEY! when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy.—Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty five cents for a sparious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my Circulars to an Editor in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars and I will just say to my readers that whoever of you are out of employment that Mr Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug." 248

AYER'S
CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRIDGEFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of those complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BROOKLYN, CONN., SPRINGFIELD, MASS., Feb. 7, 1856.

DEAR SIR: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEVALLO, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing wonderful cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY I. FARRS, Merchant.

A. A. RAMSEY, M. D., ALMON, MONROE CO., IOWA, writes, Sept. 8, 1854: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing the incipient stages of pulmonary consumption."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ANN HARBOR, New York City, March 4, 1856.

DOCTOR AYER: Lowell: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been three months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her relief. She was so nearly failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet so strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and respect,
ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made from the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that those PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow disease, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children, being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Distension of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Prepared by Dr. J. C. AYER,
Practical and Analytical Chemist, Lowell, Mass.

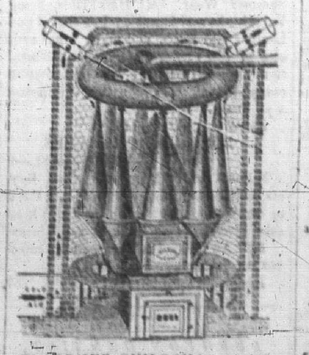
IMPORTANT NOTICE.



GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache in existence, by one dose to two doses of your Pills. All others have failed me before I found them, which they always do, sooner or later. If they will cure others as they do me, the fact is worth knowing.

Yours with good respect, ED. W. FREELE, Clerk of Steamer Clarion.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1857.

SIR: I have used your Pills in my general and hospital practice, ever since you made them, and cannot hesitate to say the cure they effect outstrips any compeers. Their purgating action is the more superior and decided, cotemporaries to the contrary notwithstanding, because, in my experience of that virtue, I have seldom found a case of bilious disease in which it did not speedily yield to them.

Professionally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

BOSTON, MASS., HANOVER, LIT. CO., MICH., Nov. 26, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you, and have broken up a most lingering and distressing dysentery. Many of to be destroyed at great expense, have cast out their worms by the hundreds, under the influence of your Pills, which seem equal to expelling every description of worms (thank God) we have yet met with. They effectually cured her of a long and severe attack of bloody dysentery. One of our neighbors had tried and was cured by your Pills, with the same disease, after all other means had failed him. Such a testimony as yours, which is actually good and blessed, will be welcomed here.

Indigestion and Impurity of the Blood

From Rev. J. V. Hinch, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in the ministry. They have cured my wife of Indigestion and Impurity of the Blood, and I can recommend them to my friends as the best family medicine I have ever known, and I can cordially recommend them to my brethren.

J. V. HINCH.

WARREN, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I have used your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and expel from the blood the impurities which cause sickness and suffering.

JOHN S. HARTMAN, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

DEAR SIR: Your Pills are the perfection of all that is great in medicine. They have cured my little daughter of a most obstinate scrofulous humor, which had baffled the skill of our ablest physicians, and which we had given up as incurable, and I prophesy for them a sale as great as the wants of the people are universal and their virtues are known. Our family will use no other cathartic.

ASA MORTIMER.

Rheumatism, Neuralgia, and Gout.

From the Rev. Abel Stevens, Editor of the Methodist Apost. Church.

PHILADELPHIA, SATURDAY, Oct. 24, 1846.

DEAR SIR: I should be ungrateful to the good power that has brought me to health, if I did not report my case to you. A cold settled in my limbs and brought on excruciating rheumatic pains, which caused me to groan with every movement. Your Pills, which I had taken before, relieved the disease, and worms and worms came out by your direction. I took no other medicine, and I am now as well as ever. I shall not forget to recommend them to my friends.

ABEL STEVENS.

Bilious Fever.

SALEM CHURCH, BUCKS COUNTY, PA., 3 Dec., 1853.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SEIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and efectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable medicine in skilful hands, should never be given in a public pill. Even the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. There is few in the families in any civilized country on this continent without some personal experience of its effects, and fewer yet the communities any where which have not among them some living trophy of its victory over this subtle and dangerous disease of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it also affords the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, not neglect them until no human skill can master the irreversable ranker that, fastened on the vitals, cuts your life away. All know the dreadful fatality of lung disorders, and as they know for the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache in existence, by one dose to two doses of your Pills. All others have failed me before I found them, which they always do, sooner or later. If they will cure others as they do me, the fact is worth knowing.

Yours with good respect, ED. W. FREELE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1857.

SIR: I have used your Pills in my general and hospital practice, ever since you made them, and cannot hesitate to say the cure they effect outstrips any compeers. Their purgating action is the more superior and decided, cotemporaries to the contrary notwithstanding, because, in my experience of that virtue, I have seldom found a case of bilious disease in which it did not speedily y
