## Letter to The Letter

Victoria Road, Ont.
October 27th, 1939.

Editor of The Advance:

Dear Sir,— The declaration against war by a pacifist group of United Church ministers, as presented in the United Church "Observer" of Oct. 15, does not express the sentiment of the majority of ministers in the church.

This pacifist group, representing only a small minority of ministers, are not the kind to set themselves forward as leaders in a time of crisis when the Empire is at war defending her right to live. The contention of the group is "that war is incompatible with the Christian spirit and aims." Would they say that it is wrong and unchristian for England and France to fight in a war of defence, to stop Hitler from murdering women and children without mercy? Do the brethren know that it is wrong to sow seeds of disloyalty in a time when "England expects every man to do his duty?"

I am opposed to their manifesto, because I do not see in it any signs of loyalty to our Dominion Government in a time of war.

—P. TILLER,
United Church Minister.

A visitor tells of Hitler gnawing nervously at a fingernail. If all else fails, the Fuehrer slowly devouring himself is a solution.

## Live Stock Report

(By Dunn & Levack, Toronto)

On Monday the cattle market was slow and practically all classes sold from 15c to 25c lower. Selected stockers and feeders were active and steady while butcher cattle and weighty steers were in limited demand, on account of heavy deliveries direct to the packing plants, which were shipped in from Western Canada, causing them to be limited in their requirements on the local market. Canners and cutters were strong, while fat cows were lower. The bull trade was about steady. Sheep and lambs were strong, with choice lambs selling at 9.50, but calves were from 25c to 50c lower. Hogs reacted sharply, due to liberal deliveries at all centres.

A few choice weighty steers brought from 6.75 to 7.00; fair to good from 6.25 to 6.75; common to medium 5.50 to 6.00. Choice butcher steers and heifers sold at from 6.75 to 7.50; fair to good from 6.50 to 6.75; common to medium 5.50 to 6.00. Baby beeves were lower, choice from 8.50 to 9.00; medium to good from 6.50 to 7.50. Selected stockers and feeders sold readily at from 6.50 to 6.75; fair to good from 5.75 to 6.25; common to medium 4.75 to 5.25. Choice heifery butcher cows sold at from 5.00 to 5.50; choice fat cows from 4.50 to 5.00; fair to good from 3.75 to 4.25; canners and cutters 3.25 to 3.75. Good heavy bulls brought from 4.75 to 5.40 and common to medium light bulls 4.25 to 4.65. Milch cows and springers were in strong demand at from $60.00 to $85.00 each.

Lambs sold strong at 9.50 and choice butcher sheep from 4.50 to 5.50. The calf market was easier, choice veal calves from 10.00 to 10.50; fair to good from 9.00 to 10.00; common to medium 6.00 to 8.00. Grass calves 5.00.

Buyers forced hog prices downward on Monday in anticipation of the lifting of the embargo on American pork entering Canada, which it was felt would affect the domestic sale of pork products in Canada. Truck deliveries sold at 8.50 alive and on the dressed weight at 11.50. A few sales were made at slightly higher prices, depending upon weights and quality. Sows sold from 5.75 to 6.00 alive.
