BEST HAIR DYE IN THE WORLD!

This is strong language, yet Bogle's Electric Hair Dye (recently improved) was proven to be so, by the judges at the late mechanic's Fair, held in Boston, (among whom was Dr. Hayes, the eminent chemist and State assayer) who awarded it the PRIZE MEDAL AND DIPLOMA, over the chemical Hair Dyes on exhibition from all parts of the Union. Its unparalled superiority consists in, 1st. The ingredients are nourishing to the hair, not destructive as others are. 2d. Does not stain nor hurt the skin. 3d. Is easily applied, and dyes the hair any color required, from a delicate brown to a deep black, so natural as to appear marvellous. Manufactured, sold and sold by WM. BOGLE, 277 Washington st. 232

Parties wishing to have Freight or Passengers conveyed by the Company, are hereby notified that such cannot be forwarded unless previously arranged for. Much inconvenience having hitherto been felt in the mode of settlement at the end of each Season, it is desirable that a proper understanding should be entered into, in order to make it satisfactory for all Interests concerned.

Emigrants destined for the Upper Ottawa will find all necessary information at the office of A. C. Buchanan, Esqr., Chief Emigrant Agent at Quebec, which will enable them to proceed direct by this route. They may rest assured that every attention will be paid to them, as also to their Luggage. The attention of Emigrants is particularly direct to the great inducements held out by the Government to settle on the Waste Lands of the Crown in this section of the Province.
