BUCKINGHAM

Mrs. J. T. Davidson spent a few days recently with her daughter, Mrs. Wm. Armstrong, at Barrie.

The November meeting of the community Club, held at the home of Mrs. Jas. Hudson on Nov. 1st, w attended by 23 members and visitors. The meeting was opened with the president in charge, all singing a hymn and repeating the Lord's Prayer. The secretary, Miss Doris Conn, read the minutes of the previous meeting, which were adopted. After disposing of a few items of business, the ladies spent the remainder of the afternoon preparing articles for the fish pond and knitting A very dainty lunch served by the hostess, was the final item on the program of a very enjoyable afternoon. The next meeting will be held at the home of Mrs. Ern Davidson on Wednesday, Dec. 6th.

We wish to offer congratulations to Mr. and Mrs. Harold Freethy of Rob Roy, recent groom and bride. Mrs. Freethy was formerly Miss Isobel Potts of Batteau.

The memebers of Rob Roy United Church Ladies' Aid will hold their November meeting at the home of Mrs. Arthur Brownridge on Thursday, November 9th.

Our congratulations and best wishes go to Mr. and Mrs. Chas. Irwin, who were married recently and who, we understand, will reside near Gibraltar.

The social evening and fish pond held on Friday evening in the church under the auspices of the Community Club, proved enjoyable for all present and remunerative to the ladies. The small charge of ten cents made at the door and sale of articles resulted in proceeds of $16.35. Mr. C. Long was chairman for the program, which included recitation speeches, dialogues and singing, and several numbers given by pupils of the 12th line school, under the direction of their teacher, Miss Alda Hawton, were especially well done. After the fish pond had been angled in all corners, the ladies served sandwich, cake and tea, which brought the evening to a close.

We are glad to know that Mrs. J. Tyson is greatly improved from her recent illness.

Mr. Dan Brown of Collingwood has been forced to spend a few days in the Collingwood hospital, as the result of injuries received in an accident near Mitchell the past week, when his car was almost completely wrecked when hit by a large truck loaded with stock. We hope Dan's injuries are not serious and that he will soon be around again.

On Saturday evening, Nov. 4th, Mr. and Mrs. Mervin Mullin invited members of the family to a fowl dinner in honor of the 70th birthday of Mr. W. J. Mullin. We hope Mr. Mullin may live to enjoy many more such happy birthdays.

Messrs. Mac and Bert Edwards and Lloyd Neff of Singhampton and Gilford Mullin of Rob Roy returned recently from Saskatchewan.

Monday evening at 8 p.m. we are to be favored with a visit by two distinguished leaders of our church in the person of Dr. Manson Doyle and Dr. W. J. M. Cragg, missionary on furlough from Japan. Dr Cragg will illustrate his address by pictures taken of work in Japan. All are invited.

The ladies of St. John's church wish to thank all those who contributed so generously in money in the canvass that was carried out this year in place of holding a fowl supper.

UTILITY OF MILK

Many things are being made from milk quite apart from the usual dairy products. In Canada there are several factories for making casein from milk and other casein firms make buttons, imitation ivory, furniture glue, binder for paints, sizings and many other commodities. One factory buys whole milk, skims it, and makes butter from the cream. The skim milk is used in casein; the lactose or baby sugar, is used as a supplement in baby foods; the albumen is separated out and being rich in protein and Vitamin C, is used as an animal concentrate. In fact, all that is left when the firm i done with the milk is water.

Presentation

To Mr. and Mrs. Stanley Menzies,-
Dear Friends:-

On this happy occasion we, your friends of the Wareham community, have gathered here to share your happiness and to extend to you our heartiest congratulations and good wishes.

You Stanley, have spent your boyhood in our midst, when we enjoyed your quiet, friendly and honest personality. We doubt not that it was geatly due to these qualities that you received your present position. We feel sure that you and your wife may be valued assets to the village in which you will reside.

With the majority here to-night Delsa you are a stranger but we all congratulate you as Stanley's bride. We trust this new life may bring to you both its best gifts, health, happiness and contentment.

As a token from your Wareham friends we ask you to accept this Electric Floor Lamp. With it goes our best wishes for a long and happy wedded life.

Signed on behalf of your friends, Lloyd and Joe Little, Elgin Mc Cutcheon.

HOME TOWN OYALTY

Remember that no outsider is going to help you build your town. Every time you give business to an outsider that can be as advantageously placed with your home firms, you are making the community poorer. It is the local business houses who pay wages to local people, who pay heaviest taxes, who are called on to subscribe to various organizations and appeals for help. We admire the customer who gives the home towner an even break. There are many little services and accommodations given that no outsider can or will give—for one good turn deserves another.

Fine bits of broken glass which defy the broom may be easily picked up with moistened absorbent cotton.

The shoes now being supplied to the Canadian soldiers are being manufactured throughout of the very best leather, and the shoes are pliable and comfortable. Some 125,000 pairs are on order at the various factories in Canada.

Police of the province have been ordered to check up on the ownership of cattle that are running at large along the highways, and already several farmers have learned to their regret that cattle owners are responsible for accidents which occur as a result of straying animals. Many serious motor accidents have been caused by grazing cows roaming the highways. Farmers would be most wise to protect themselves from expense and court actions by seeing to it their cattle are not on the public roads.
