MARVELLOUS REMEDY
FOR A MARVELLOUS AGE !!
HOLLOWAY'S OINTMENT

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrated through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by outrewise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Moschetoes and Sand-Flies	Piles

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Consumption, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it bears favor given by the most prominent and well known Physicians and individuals in all parts of the country is imfinense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Astonishing Cure with only One Bottle.

JOSEPH B. HALL & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

WM. CLARK.

CERTIFICATE of CAPT. DANIEL ABBOTT.

Brooklyn, Me. July 16th, 1853.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, not sleep, or appetite. At last, taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.

Respectfully, yours,

To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

Rockland, Lincoln Co. Me, Jan 3, 1855.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BURWELL, MICH., 20th Dec., 1856.

Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the consumptive symptoms is Dr. Ayer's Cherry Pectoral. Its constant use in my practice and my family for the last few years has shown it to possess superior virtues, for the treatment of those complaints. FERN RUSHIE, M.D.

A. B. MORTIMER, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should suppose pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPENCERVILLE, Miss., Feb. 7, 1856.

REVEREND AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M.D.

AMOS LEE, Esq., MONTERRY, Ia., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of a old druggist. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has laboured under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., AMHON, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

AYER HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, Lowell: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months labouring under the dangerous symptoms of Consumption, from which no aid was could governs, and fast was she rapidly falling, until Dr. Strong, of this city, where we have gone for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has been restored to health, apparently from the very jaws of death, and to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHERRY, of SHERAYLIE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win universally the esteem of all men. They are safe and pleasant to take, but powerful to cure. They penetrating properties stimulate vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some pretended substitute, they are worthless. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1856, the following resolutions were closed:

Resolved, That the Associating Committee be requested to extend and investigate the Indian System of Medicine upon scientific principles, as being the most ancient and universally adopted, and as being the most efficacious, and advancing the cause of true medical science.

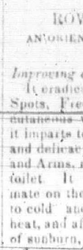
Resolved, That we have heard of many cures effected by the Indian Green Medicines, and have heard of cases of Cancer, after they were acknowledged incurable by other physicians, and that the Public Fame has spoken of the Indian Medicines as possessing powers that Cancers, Scrofula, Humors of the Blood, Rheumatism, Liver Complaint, Dropsy, Costiveness, Piles, and the infirmities of the old systems of medicine, are permanently cured by a judicious use of "Nature's Remedies," in scientific and skillful hands.

Resolved, That we will not consult those ignorant pretenders, or quackery in any form, to receive a physician into our Society, but one who has received a regular education.

Resolved, That we recommend the continued publication of the newspaper entitled "Natures Arcana," and that an extra copy, containing references to cases cured in different parts of the country, be furnished gratuitously to any person calling at the office, or ordering the same by mail, enclosing a postage stamp, addressing Dr. R. Greene, 36 Bromfield st., Boston.

JOHN STILES, Sec'y. JOSIAH BIRDEN, President.

INDIAN MEDICAL INSTITUTE,
Office, 36 Bromfield street, ----- Boston.



Established by Dr R. GREENE and his Associates, for the successful and scientific treatment of Cancers, Scrofulous and all kinds of diseases, upon the Natural or Indian System of Medicine.

This Institution has now a large MEDICAL OFFICE and LABORATORY at 36 Bromfield st, and several Houses for the accommodation of patients from abroad, and is the only Establishment sanctioned by the New England INDIAN MEDICAL SOCIETY. A newspaper has also been established, entitled the "Nature's Arcana," in which is published "Nature's Arcana," or the "Scientific Indian Physician." Monthly, 32 pages, annum, 25c. There are connected with this Institution, Bathing Houses, where the patients can have the benefit of the Medicated Vapor Bath, Electricity, &c.

Dr Greene has also discovered what he terms the **Electro-Medicated Beaver Hat**. This is the greatest discovery ever made in MEDICAL ELECTRICITY, and offers new facilities for purifying the blood from all humors, and removing CANCERS, TUMOURS, &c. &c. Dr. Greene may be consulted personally or by letter, on the above and all other diseases free, which is entitled. All letters should contain a postage stamp, and be directed "Dr. R. EXTRACT OF A LETTER from a MEDICAL GENTLEMAN at Madras, to his Brother at WORCESTER May, 1851.

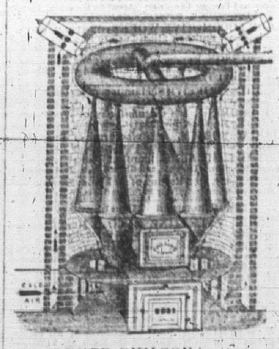
IMPORTANT NOTICE.



GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES the PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

DR. AYER: Your Pills are the quickest relief to the Bowels. They have cured me of the worst and most painful form of dysentery, which had been sick and prostrate about a month. Would not be discouraged at great expense, but took your pills. Have then recommended them to my family, and they have found them to be the best medicine they have ever used. Some of them had been long bedridden with Rheumatism, and have found relief from your Pills. Their effect on the liver is prompt and decisive, and they are the best cathartic we have ever used in our practice. We shall use them in our family in preference to all others, and can recommend them to the world as the best cathartic with which we are acquainted.

Indigestion and Impurity of the Blood.

From Hon. J. T. Hoyt, Judge of Adams County, Indiana.

DR. AYER: I have used your Pills with extraordinary results, and know many others who have used them with the same effect. I have also given them to my family and to the poor of my district, and have found them to be a safe and reliable cathartic. I cheerfully recommend them to my friends.

J. T. HOYT.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From Hon. Wm. Wightman, of N. Yarmouth, Me., 1855.

DR. AYER: Your Pills have cured my daughter of Erysipelas, which had defied all other treatment for years. Her physicians, and many others, have used your Pills in their families with the same results, and pronounce them the best cathartic they know of.

WM. WIGHTMAN.

JOHN O. MERCHAM, M.D., of Indianapolis, says:

Rheumatism, Neuralgia and Gout.

INDIANAPOLIS, CENTRE TOWNSHIP, IND., Feb. 1, 1856.

DR. AYER: I should be ungrateful for relief from such sufferings as your Pills have afforded me, not to make it known. I was settled in my ankle and brought on excruciating neuralgic pains, which extended to the knee. Nothing would do any good, but I had to abandon the use of my limb. I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SPECIAL CERTIFICATE, BOOTH BAYOU, LA., Dec. 16, 1855.

DR. AYER: I have been confined by your Pills of Rheumatism. Food—a positive cure that the afflicted are for years.

VINCENT SIBLEY.

For Dropsy, Plethora, or Kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a **Dinner Pill,** they are unequalled and unique.

Fits, Suppression, Paralysis, Inflammation, Pain in the Side and Loins, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in this market contain Mercury, which, although it salivates the system in skillful hands, is dangerous enough to make every intelligent person tremble at the idea of taking it. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, the wonderful cures of pulmonary complaints have made it already known, and there are the families in any civilized country on this continent without some personal experience of its effects, and there yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest medicine ever invented for infants and young persons. Parents should have it in store against the deadness cloudy that steals upon them each period. Are they threatened with croup? Are their children hoarse? Do they have incipient consumption? It prevents their fears, it cures. Keep it by you, and cure your colds while they are curable, for neglect them until no human skill can master the inexorable disease, and you invite your friends to the grave.

All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them that its still made the best it can be. We spare no pains, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

BLODGETT'S PATENT
IMPROVED
BAKING OVEN!!

For Steamboats, Hotels and Families,
Warranted to cook with less fuel, than any other Oven.

It is a perfect oven, doing everything required of it in the most superior manner.—It will roast at the same time, as many different kinds of meats as the oven can contain, and each piece will be perfectly sweet and free from the gases arising from the different varieties, as the gases are let off through an escape pipe at the top.

For baking bread and pastry, this oven is without a rival, and the heat is regulated by dampers at the bottom, and is under the perfect control of the operator. It is not excelled in point of economy, as the heat is generated in the oven.

The material from which it is manufactured being a non-conductor, and constructed with air-chambers, there is no radiation of heat, and a small quantity of fuel will keep it going for hours.

A water boiler is attached when desired, by which a supply of water can be readily heated without additional fuel.
