MARVELLOUS REMEDY
FOR A MARVELLOUS AGE !!
HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countles numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Fistulas
Bad Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Moschetoes and Sand-Flies	Piles

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Consumption, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Astonishing Cure with only One Bottle.

JOSEPH B. HALL & Co. says:—
Presque Isle, Aroostock Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoefland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

WM. CLARK.

CERTIFICATE of CAPT. DANIEL ABBOTT.
Brooklyn, Me. July 16th, 1853.

"I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor sleep, or appetite. At last, taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.'

Respectfully, yours,
To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—
Rockland, Lincoln Co. Me., Jan 2, 1855.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

AYER'S
CHERRY
PECTORAL,

FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BRIDGEFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last six years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

DOCTOR AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our care.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTPELIER, IA., writes, 31 Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing many wonderful cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKE, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most astonishing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 6, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. THIS made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their purgating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous disease that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its Functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1856, the following Officers were chosen

Rev Norris Day, Boston, Pres't; John Stiles, Esq, Boston, Sec. Reuben Greene, M.D. Wm. M. Tyler, Esq. Treas.

The following Resolutions were unanimously adopted:

Resolved, That in associating ourselves together to extend and perpetuate the Indian System of Medicine on scientific principles, we believe we are conferring a favor upon the afflicted, and advancing the cause of TRUE Medical Science.

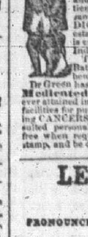
Resolved, That we have had ocular demonstration that Dr. Green's treatment has cured hundreds of cases of Cancers, after them were medically pronounced by other physicians, and that the fruits of his practice for the last ten years conclusively prove that Cancers, Scrofula, Humors of the Blood, and various other diseases which have found no remedy in the labyrinths of the old systems of medicine, are permanently cured by judicious use of "Nature's Remedies," in scientific and skilful hands.

Resolved, That we will not countenance ignorant pretenders, or quackery in any form, to practice or be patronized by this Society, persons who have not received a medical education.

Resolved, That we recommend the continued publication of the newspaper entitled "Nature's Ancient," and that an extra copy, containing references to cases cured in different parts of the country, be furnished gratuitously to any person calling at the office, or ordering the same by mail, enclosing a postage stamp, addressing Dr. R. Greene, 38 Bromfield st., Boston.

NORRIS DAY, President.
JOHN STILES, Sec'y.

INDIAN MEDICAL INSTITUTE,
Office, 38 Bromfield street, ----- Boston.



Established by Dr R. GREENE and his Associates, for the successful and scientific treatment of Cancers, Scrofulous Humors and all kinds of diseases, upon the Natural or Indian System of Medicine. This Institution has now a large MEDICAL OFFICE and LABORATORY at 38 Bromfield st. and several Houses for the accommodation of patients from abroad, and is the only Establishment sanctioned by the New England INDIAN MEDICAL SOCIETY. A newspaper has also been established, advocating this system of practice. It is entitled "Nature's Ancient," or the "Scientific Indian Physician." Monthly; 20 cts per annum.

There are connected with this Institution, Bathing Rooms, where those patients can have the benefit of the ELECTRO-CHEMICAL BATHS.

Dr Greene has also discovered what he terms the Electro-Medicated BATHS. This is the greatest triumph ever attained in MEDICAL ELECTRICITY, and offers new facilities for curing the blood diseases, and removing CANCERS, TUMORS, &c. *** Dr. GREENE may be consulted personally or by letter, free of charge. IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES the PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSBURG, PA., May 1, 1855.

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache and body ills I have by a dose or two of your Pills. It seems to arouse from sickness, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,
ED. W. FREELE,
Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and I unhesitatingly say they are the best cathartic we employ. They regulate action on the liver in quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours,
ALONZO BELL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went to Detroit at great expense, but got no better. She then commenced taking your Pills, and when she were cured herself by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

Indigestion and Impurity of the Blood

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit professionally. They cleanse the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours,
J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of obstinate scrofula, which had baffled the skill of the most celebrated physicians. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured she also tried your Pills, and they have cured her of a long standing scrofula.

ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Episc. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

RENATUS CHAMBERS, BATON ROUGE, LA., 6 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We are abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, not neglect them until no human skill can master the inexorable canker that fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still available the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best aid which our skill can furnish for their cure.

BLODGETT'S PATENT
IMPROVED
BAKING OVEN!!

For Steamboats, Hotels and Families, *Warranted to cook with less fuel than any other Oven.*

It is a perfect oven, doing everything required of it in the most superior manner.—It will roast at the same time, as many different kinds of meats as the oven can contain, and each piece will be perfectly sweet and free from the gases arising from the different varieties, as the gases are let off through an escape pipe at the top.

For baking bread and pastry, this oven is without a rival, and the heat is regulated by dampers at the bottom, and is under the perfect control of the operator. It is not excelled in point of economy, as the heat is generated in the oven.

The material from which it is manufactured being a non-conductor, and constructed with air-chambers, there is no radiation of heat, and a small quantity of fuel will keep it going for hours.

A water boiler is attached when desired, by which a supply of water can be readily heated without additional fuel.
