

2/ Frank Green bought present abode from his mother in the year 1937

Whose Ancestors chose this land unknown

price But Robert paid 900.00 for the 50 acres. (north half of lot 19 from William Richardson ^{June 14, 1886} in 1886,

He paid 700.00 for the south half of lot 18 (50 acres) on April 28/1891 from

William Hillyard Craig

1st house built date unknown but it ~~burned~~ was lost by fire.

family moved into a log house that was on lot 18. And lived there until present house was built in

year 1900, a 10 room brick home. By Robert ^{Green} ~~Green~~

Don't know when old log house was built, but was torn down in 1960, or so & at present the logs are around the house, for a flower bed,

Barn First barn built before 1900, on present place of barn now. same barn only. it was split in early 1900s and a centre put in to make it larger

By Robert Green
