: HOCKEY :

Monday night in the Arena, Flesherton defeated last year's winners 5-4. It was a game to the boys credit. Handicapped by the loss of two players, they fought for supremacy, got it, and emerged victorious. Credti is due this team, who seem to have so much hard luck with their players. Flesherton opened the scoring in the first period. Followed by a goal scored by Priceville. The score see-sawed through out the game ending in Flesherton the winners. The play never centered around any one net for long, but went back and forth making the game very fast. In both teams passing was seldom tried, Johnson was a means of many of the goals scored for Flesherton. He is a tireless player, and a valuable asset to his team. As yet these games have nothing really exciting about them, but in the future the brand of hockey will be first class.

In Shelburne last night the Center-Grey team did not fare as well as the Semi-Pro. They lost 10-2 to the home team. Lack of practise was the main reason that they lost. It seems as if the rink is not available for their practices. This is caused by the irregularity of the schedules. If possible this matter should be remedied. MacTavish and Rev McMillen were the scorers in the game.

Friday night at Dundalk the Centre-Grey team was defeatd 10—0. The score was no indication of the play. Fights kept Flesherton men in the penalty box, thus enabling the opposition to score..

On Monday night Flesherton lost a game that was hard to lose. Again and again they tied the score, only to have another one scored against them. The hockey was fast with neither team having a monoply on the play. Dargavel was back in form scoring 3 goals. Boyd seemed to be able to out-play the opposition when he wished. It was in the closing minutes of the game that Dundalk broke through and scored. With only a few moments of play left this goal cinched the game. Shelburne plays here Tuesday, January 16. We wish the boys luck against this strong team. In the 1st period Johnson scored on a pass from Leavell. After Dundalk had tied the score, Johnson, on a pass from Leavell scored. In the second period Dundalk scored twice before Dargavel taliled on a pass from Boyd. In the last period Dargavel scored on a pass from Boyd, and got his third goal on a loose puck. Cairns notched the last goal.

On Saturday afternoon Flesherton P. S. boys handed the Ceyon boys a sound trouncing. The score being 13—2. It was something to watch Apps, Drillon and the other stars perform. The scorers for Flesherton were K. Henry 9, T. McCracken 4.
