MARVELLOUS REMEDY
FOR A MARVELLOUS AGE !!
HOLLOWAY'S OINTMENT.

The Great External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The Inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most eclebrated surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Old Legs	Fistulas
Old Breasts	Gout
Burns	Glandular Swellings
Bunions	Lumbago
Bite of Mosquitoes and Sand-Flies	Piles

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,

PREPARED by Dr. C. M. JACKSON, Philadelphia, Pa., will effectually cure Liver Complaint, Dyspepsia, Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Flutterings at the Heart, Choaking or suffocating sensations when in a lying posture, Dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant.—The testimony it its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

TESTIMONY FROM MAINE.

Astonishing Cure with only One Bottle.

Joseph B. Hall & Co. says:—

Presque Isle, Aroostook Co., Me., April 24th, 1856.

"We herewith send you a certificate of a cure with only one bottle of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story.

Messrs. Joseph B. Hall & Co.—Gentlemen,—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by 'Hoofland's German Bitters,' I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

WM. CLARK.

CERTIFICATE of CAPT. DANIEL ABBOTT.

Brooklyn, Me. July 16th, 1858.

"I was taken sick one year ago, last April upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, nor sleep, or appetite. At last, taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately; this was about 10 o'clock; at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands, ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it.'

Respectfully, yours,
To Dr. C. M. Jackson. DANIEL ABBOTT.

C. P. FESSENDEN, says:—

Rockland, Lincoln Co. Me., Jan 3, 1855.

The Bitters give good satisfaction in every instance.

They are entirely vegetable, free from all injurious ingredients or alcoholic stimulants, always strengthening and never prostrating the system.

AYER'S
CHERRY
PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BRIDGEVILLE, MASS., 20th Dec., 1853.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the uncomfortable symptoms of a Cold, is your CHERRY PECTORAL. Its immediate use in my family has not by family for the last ten years had shown it to possess some virtue for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N.Y., writes: "I have sold your PECTORAL myself and to my family ever since you introduced it, and believe it the best medicine for its purpose ever put out. With a bad cold I should scorn pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BARNSTABLE, MASS., Feb. 7, 1856.

DOCTOR AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the other diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Mortmer, Ill., writes, 24 June, 1856: "I had a serious influenza, which confined me in doors six weeks; took many medicines without relief. Finally tried your PECTORAL by the advice of a friend. The first dose gave me relief, the second broke up the cough and lodgement in my throat and lungs, less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we return you, Doctor, and your friends, our most grateful thanks."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

DR.: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved my child of Bronchitis, my neighbor of Asthma, and is now curing a man who has laboured under an affection of the lungs for the last forty years. HENRY L. PAUKS, Merchant.

A. A. RAMSEY, M.D., ALTON, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

AYER HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months labouring under the dangerous symptoms of Consumption, from which we did we could procure gave her no relief. She was steadily falling until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, of SCHLEYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the most learned chemists in the world, and its cures shall stand as long as the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all such. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an external Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Irritations, Inflammation of the Liver and Kidneys, Gravel, Dropsy and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with something else they make more profit on. Ask for AYER'S PILLS, and take nothing else. See what they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1856, the following Officers were chosen:

Rev Norris Cox, Boston, President; John Stiles, Esq., Boston, Secretary; Gideon Green, M. D., Boston, Treas.

The following Resolutions were unanimously adopted:

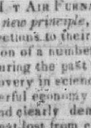
Resolved, That the nonconformists have neither to extend and so practise the Indian System of Medicine upon scientific principles, we believe we are conferring a favor upon the affected, and advancing the cause of true Medical Science.

Resolved, That we have had regular demonstration that Dr. Greene's treatment has cured hundreds of cases of Cancers, after they had been given up by other physicians, and that the fields of his practice for the last ten years cannot, conclusively prove that Cancers, Scrofula, Humours of the Blood, and various other diseases which have been so severely in the hands of the old systems of medicine, are permanently eradicated by the use of "Indian Medicine," in unskillful and skillful hands.

Resolved, That we will not countenance, ignorant pretenders, who, upon the strength of a few months study, with a majority, persons who have not received a medical education, after their course of lectures, have received the diploma of the nonconformist called "Indian Doctors," and sold to any company, combining reference to cases found in different parts of the country, for thousands of dollars, for the mere making of the pillow, or ordering the same by mail, enclosing a postage stamp, addressed to Dr. H. Greene, 36 Brattle st., Boston.

JOHN STILES, SEC'Y. NORRIS COX, President.

INDIAN MEDICAL INSTITUTE, Office, 36 Brattle street, ----- Boston.



Established by Dr. H. GREENE and his Associates, for the successful and speedy treatment of Cancers and all kinds of diseases, upon the Natural or Indian System of Medicine. Dr. Greene has now a large MEDICAL OFFICE and LABORATORY at 36 Brattle st., and several Houses for the accommodation of patients from abroad, each Department of Establishment conducted by the New Orleans INDIAN MEDICAL SOCIETY. A newspaper has also been established, edited by the Society, called the "Medical Reformer," in which is contained "Nature's Arcana," or the "Scientific Infidel Confounded," and "Medical Science Simplified."

There are connected with this Institution, Bathing Rooms, where the patients can have the benefit of the ELECTRO-CHEMICAL BATH.

Dr Green has selected from a number of applicants, and has sent to the Electro-Medical School of PHILADELPHIA, a young man of good education, to be instructed in MEDICAL ELECTRICITY, and offers now facilities for purchasing the Medicines from all branches, and renovating Machines, &c. &c. The Medicines will be sent to any part of the country, free of charge, on receipt of the money, addressed to Dr. H. Greene, Brattle st. Boston.

IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to act from the foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON CITY, D. C., Feb., 1856.

DR.: I have used your Pills in my general and hospital practice ever since you made them, and cannot describe to you the low fever, bilious complaint, supplying them freely to my patients, and the good consequences. They are an invaluable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disorder in Columbia that I did not cure by the use of them.

ALONZO HALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than all the rest I ever took, and been sick and pining away for months. Hearing of its benefits, we commenced using your Pills, which soon cured her. By extending large quantities of worms they also broke her of a very obstinate relax, and cured her and our two children of bloody dysentery. One of our neighbors had it bad and my wife cured him with two doses of your Pills, while others had tried in vain for months. Give us a supply, for we know we can sell them to good advantage. Yours truly,

ELIJAH GRIFFITH, Postmaster.

Indigestion and Impurity of the Blood

I consider the combination of cathartic and purify the blood they are the only best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HINES.

WARREN, WYOMING CO. N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Distressing Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of a virulent sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples of her skin and in her hair. A dozen bottles of your Sarsaparilla, and your Pills and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hoover, of the Methodist Episc. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. I could settle in my bed or chair from excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATOR COMPTER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of rheumatic gout—a painful disease that has afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness**, and **Partial Blindness**, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtile and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the sudden croup that stems to strike down the unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, and neglect them until no human skill can master the irremovable rankle that, fastened on the vitals, sets your life away. In view the dreadful fatality of lung disorders, and so they know for the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. No pains no cost, no care, no toil to produce it the most perfect possible, and than afford those who rely on it the best agent which our skill can furnish for their cure.

BAKING OVEN!!

For Steamboats, Hotels and Families,
Warranted to cook with less fuel than any other Oven.

It is a perfect oven, doing everything required of it in the most superior manner.—It will roast at the same time, as many different kinds of meats as the oven can contain, and each piece will be perfectly sweet and free from the gases arising from the different varieties, as the gases are let off through an escape pipe at the top.

For baking bread and pastry, this oven is without a rival, and the heat is regulated by dampers at the bottom, and is under the perfect control of the operator. It is not excelled in point of economy, as the heat is generated in the oven.

The material from which it is manufactured being a non-conductor, and constructed with air-chambers, there is no radiation of heat, and a small quantity of fuel will keep it going for hours.

A water boiler is attached when desired, by which a supply of water can be readily heated without additional fuel.
