TO THE PEOPLE OF CANADA.

AS I AM NOW MAKING A TOUR through the Provinces of Canada, East and West, of Her Most Gracious Majesty the Queen of England I find a general improvement that I have accidentally been enriched by my animals. I am however happy to assure all who may favor me with a visit, that the injuries I received, which have given rise to the present report, were but of minor inconvenience to my limbs or flesh, which so far have become again the same in health and strength as ever.

Respectfully yours,
I. A. VAN AMBURGH.

ONE DOLLAR

WILL BUY

ONE of the best Purgative and Liver Medicines now before the public, namely, Dr. Sanford's Invigorator or Liver Remedy, that is to say a Cathartic, easier, milder and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off the matter, thus accomplishing two purposes effectually without any of the painful feelings experienced in the operations of most cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.

Dr. Sanford's Invigorator is compounded entirely from new articles of medicine, camphor, gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Calomel, without any of its deleterious effects.

Though possessing rare medicinal powers, these Gums have been but little known to physicians, and never used in the prescriptions until used in the form of the Invigorator which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure Liver Complaints in their worst forms.

Indigestion being caused by a deranged Liver is cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as a proof that the Invigorator relieves this disease let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its natural color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it assists nature in its operations. By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases originating from a diseased Liver. The testimonials of so many of our physicians in its favor, induced us to try it, and now conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and of ten that gave pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia troubles you, do not fail to try this the greatest remedy in the world.—State Fact.

There has never been tried in our family a remedy which has met with such unbounded success as the cure of disease incident to children, as Dr. Sanford's Invigorator; nor is it alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently, and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are cases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It must become so useful in our family that we will not be without it.—Jacksonville, Ala, Republican.

Valuable Leasehold Property and Machinery For Sale.

THE Subscriber is authorized to offer for Sale, that valuable Leasehold Property in Princess Street, in the occupation of Mr Wm. Hodgate as a Cabinet Ware Manufactory, together with the Steam Engine and other Machinery therein. The property is held by a lease, of which four years are yet to run from May last, with every probability of a renewal on liberal terms. It consists of FOUR ENTIRE LOTS, one of 132 feet fronting on Princess Street, corner of Sydenham, and the other 132 feet fronting on Queen Street, thus running through the block from street to street. Upon the premises are a good Frame House, and a large Brick Factory and out houses suitable for any large Manufacturing business.

The Machinery consists of a FIRST CLASS

Ten Horse Power Steam Engine,

Boiler and Shafting all recently put in a thorough state of repair,

THREE TURNING LATHES,

LARGE SIZE

ONE SELF-ACTING LATHE,

Suitable for a Chair Manufactory on a large scale, one Trip Hammer,

Eccentric Saws, Cross Cut do., Ripper Saws,

In short a complete set of MACHINERY for a large Cabinet Manufactory.

—ALSO—

One Daniel's Planing Machine.

New and in first rate order, having been only in use for a few months.

The Machinery will either be sold along with the property or separately, as may suit the purchaser.

The Frame House, and a small portion of the ground, is at present rented for more than covers the ground rent of the entire premises, thus leaving the Factory, its out buildings and about two-thirds of the ground rent free.

A profitable and large manufacturing business is at present carried on in the premises, which might be retained by an active man, the party disposing of it only doing so from being unable to attend to it by age and bodily infirmity.

If required, a large and commodious Brick Building for a warehouse in the immediate neighbourhood would be leased to the purchaser along with the Factory.

This presents a rare opportunity for an active business man, with some means to enter upon a profitable business, which cannot fail in the hands of a man of moderate enterprize to yield him an independence in few years.

Joy to the Admirers of a Fine Head OF RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE—We call the attention of all old & young to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or deceased in scalp, to use it; and surely the young will not as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since;

Deep River, Conn July 28, 1856.

Mr. Leavenworth—Sir; I have been troubled with dandruff or scurf on my head for more than a year, my hair began to cast out scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store the 1st of April last, and I purchased one bottle to try it; and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as anything of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours with respect, RUFUS PRATT.

Philadelphia, Sept 9, 1856.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its coverings in fact bald. I have used but two half pint bottles of your Restorative, and the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,
D. R. THOMAS, M D.

Vincennes, Ia., June 22, 1853.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that, I have for several years been in the habit of using other Hair Restoratives, and I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy cool and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,
WILSON KING.
