I. B. LUCAS BURIED IN MARKDALE TUESDAY

Hon. I. B. Lucas former resident of Markdale, died at his home in Toronto on Friday of last week, in his 73rd year. He had been ill for a week with a heart condition.

For twenty years Mr. Lucas was a member of the Hydro-Electric Power Commission of Ontario, receiving the appointment of general solicitor and counsel in 1921 and continuing to 1934. Born in the County of Lambton he was the son of George and Elizabeth Cowan Lucas. He received his education at Strathroy Collegiate and the University of Toronto. For many years he was a resident of Markdale and head of the firm of Lucas, Wright & McArdie of Owen Sound, which subsequently became Lucas & Henry of Markdale.

First elected to the Ontario Legislature for Grey Centre in 1898, Mr. Lucas was re-elected in 1902, 1905, 1908 and 1911. He was appointed to the Whitney Cabinet as Minister without portfolio on Feb. 9, 1909, and as Provincial Treasurer in 1913. The following year he was appointed Attorney-General, succeeding Hon. J. J. Foy.

During the term of the Whitney Government he served as chairman of the Private Bills Committee. Mr. Lucas was active in the bilingual situation and was responsible for a revision of the succession duties legislation. As the Government's representative on a special commission reporting on the workmen's compensation, he had charge of the bill in caucus and in the Legislature. As acting chairman of the board, he undertook the task of organizing and bringing into force the whole scheme. He introduced many changes which were of interest to the farming community.

Following his retirement from the Hydro Commission, he opened a general law practice in Toronto under the name of I. B. Lucas & Company. A bencher of the Law Society of Upper Canada, he continued an active interest in the society until his death. He was a member of St. Paul's Anglican Church, Bloor Street East, Toronto, where a funeral service was held on Monday afternoon. COMMENCEMENT AT HIGH SCHOOL FRIDAY

Flesherton High School annual commencement exercises were held in the school auditorium Friday evening last and the hall was well filled with an appreciative audience. The highlight of the evening was the presentation by Miss Agnes C. Macphail of her scholarship to Miss Jean Collinson, who won it in 1939, the check being received by Miss Marion Collinson in the absence of her sister. Miss Macphail gave a splendid address that touched on some of the needs of education in relation to the rural districts. Education is being changed where it is becoming of some use to those who wish to remain on the farms. She did not think all the best brains should go to university, but they should be trained to build up the rural communities. Miss Macphail mentioned the folk schools in the Scandinavian countries, where the young people are trained and go back to their own community to make it a better place in which to live. She thought the community should support the school and the school the community.

Athletic awards won at the annual field last in the fall, in the form of crests, were presented to the champions by Miss M. Stewart to the girls and Mr. C. P. Wilson to the boys, as follows: Bernice Leavell, senior; Mary McMullen, junior, and Arlene Taylor, midget; Russell Johnson, senior; Bill Stephen, junior, and Mansell Atkinson, novice.

Flesherton Junior Band provided music prior to the opening of the program, which was applauded.

Graduation diplomas were presented by Principal K. G. Goheen, assisted by Mr. F. W. Duncan, to the following: Kathleen Bannon, Evelyn Hale, Wesley Jamieson, Grant Muir, Everett Parker Gladys Patterson, Lawrence Phillips, Aileen Karstedt, Anna McVicar, George Loucks, Fred McTavish, John Monaghan, Francis Reiley, Walter Russell, Mac Stephen, James Sutherland, Patrick Weber.

Intermediate certificates to: Walter McBride, Ben Bellamy, Donald Meads, Eileen Pattison, Laura Pedlar, Earl Plester, Minerva Stafford, Wm. Stephen, Frank Warling.

Other numbers on the program were picturesque drills by the girls and pyramids, tumbling and gymnastics by the boys.

A splendid play "Courage, Mr. Greene," was presented by the pupils and was well given. Those who took part in the presentation were Weslev Jamieson, Iva Brown, Lawrence Phillips, Walter McBride and Minerva Stafford. Miss Alice Heard was the director of the play.

CUT ELECTRIC PAD TO STOP RADIO STATIC

Many of us have at various times had a strong desire to do something when the static becomes too great on our radios, but it remained for a young Flesherton man to attempt to solve the problem his own way, and therefore made himself liable for considerable grief. This young man had trouble with certain programs coming in at certain times and placed the blame on a heating pad sometimes used by a neighbor in illness. Last Friday night when the neighbor family went to bed they found their hot pad cut and hacked into about two dozen pieces. After considerable discussion as to who the guilty party would be, it was remembered about this young fellow coming to their home and complaining about the nuisance, suggesting it came from their pad. Constable McClean of Flesherton and Provincial Constable Black apprehended the chap at the concert in the high school and took him in for questioning. At first he denied all connection with the affair, but finally came clean and related how he had known where the key was placed when the people left the house and how he had gone upstairs and committed the hostile deed. The neighbor wanted it to be a lesson to the guilty party and did no press charges of housebreaking and damage to property. It should be a lesson to any person to refrain from taking the law into their own hands, especially to enter another person's residence illegally.
