PRICEVILLE

We regret to record this week the passing an old time and honored friends of many years, in the person of Mr. Wm. Aldcorn, after an illness of several months. Our sympathy goes out to the two sons and daughters of Regina, and the five sons in Ontario, Walter, a guard at Burwash, Donald in Toronto, and Charlie, Neil and Tom at home, and to Mrs. Aldcorn, who was faithful to the last in her attendance upon her husband.

Mrs. F. McKinnon, we are pleased to hear, is improving nicely and able to be around every day.

Many were the expressions of gladness to see us at church again Sunday, after an enforced absence for several weeks by that arch enemy, sciatica, or something akin to it.

There are not many Irish in this town, but the Scotch along with them seem always anxious to celebrate St. Patrick's birthday, so the W.A. of St. Columba church intend holding a supper and program shortly. An Irish stew is promised, with other delecacies, so don't miss it.

We are hoping for good roads so that a big majority may be rolled up on the 26th for your favorite candidate.

It has been a busy mart in town during the past week. Mr. H. B. McLean had seven or eight big piles of wood buzzed up. Something about the engine that we admit we couldn't fix, delayed operations. Some 200 cords or more is a conservative estimate of the quantity.

It is reported that Mr. Albert O'dell and Miss Mary Mather joined the swelling ranks of the benedicts at the Manse, by Rev. A. R. Muir on March 2nd. Best wishes and congratulations.

The W.M.S. and W.H. Societies will hold their meeting on Tuesday, March 19, at the home of Mrs Sutherland. Topic for W. H. Society by Miss M. McArthur. Lunch committee: cake, Mrs. Archie McLean and Mrs. J. A. Nichol; sandwiches, Mrs. John Nichol Snr. and Mrs Wm. Brown. All the members will please bring a donation to the meeting.

Mrs. Allie Muir is visiting in Toronto.

Tuesday last Miss Macphail held a meeting in the school, which was well attended. Miss Macphail and F. R. Oliver, M.P.P., gave splendid addresses, which were listened to intently.

Sympathy is extended to Mrs. Aldcorn and family in the death of their husband and father, Mr. William Aldcorn.

Miss Gwynneth McLean of Toronto spent the week end at her home.

Mr. and Mrs. Brady Irwin held the Club dance on Friday night, at the home of his brother, Bert, when an enjoyable time was spent.

Congratulations to Miss Mary Mather and Mr. Albert O'dell, who were recently married.

A miscellaneous shower was held in honor of the groom and bride, Mr. and Mrs. Albert O'dell, at the home of the groom's father, when a very enjoyable time was spent in music and dancing. The young couple were the recipients of many beautiful gifts.

Mr. W. E. Stonehouse and bride, formerly Miss Dobson of Ravenna, are holidaying at the home of Mr. Alex. Stonehouse.

Misses Isabel Mather of Hanover and Eleanor of near Hampden, attended the shower of their sister, Mrs. O'dell Friday night.

Mr. Jim Sturrock has purchased Mr. George Campbell's farm.

Mr. Ed. Sullivan met with a nasty accident Friday, when in some manner the litter carrier hit him on the head. He was taken to Markdale hospital. All hope for him a speedy recovery.

SUPPLY and DEMAND

THE DEMAND FOR OUR CREAMERY BUTTER HAS INCREASED TO SUCH AN EXTENT THAT IT IS ALMOST IMPOSSIBLE TO FILL THE ORDERS OF YEAR-ROUND BUTTER CUSTOMERS

This is why you are assured of Highest Possible Market Prices for your cream when you are selling to us. Our advice to cream producers is to market their full supply of cream to their nearest creamery, thereby eliminating unnecessary gathering expense... It is particularly essential to save expense during war time.

BEN HESLIP DIES

On old resident of this district, in the person of Mr. Benjamin Heslip of Thornbury, passed away at his home on Thursday of last week. He was in his 68th year and had been in poor health for some years.

Mr. Heslip had been a barber in Flesherton and Thornbury for many years and was well known in both districts where he had lived. He was a breeder of black foxes in his later years and well known as a nature lover and had cared for a large flock of pheasants that wintered each year near his home.

He was born on a farm in Collingwood township district only a mile from Clarksburg, and had lived in that neighborhood almost all his life. He was a member of a family of seven boys and was a staunch member of the Gospel Workers' Church.

Mr. Heslip was married to Miss Annie Ottewell of Osprey, a sister of Dr. J. P. Ottewell of Flesherton, more than 40 years ago in Feversham.

Surviving are his wife and one daughter, Kathleen, of Collingwood township. Five brothers and one sister also survive and these are: Samuel, Jonas, Robert and Charles of Clarksburg and William of Saskatchewan, and Mrs. Silas McAuslan of Heathcote.

The funeral of the late Mr. Heslip was held on Monday afternoon, interment being made in Thornbury Union Cemetery.

ONTARIO

March of Time Picture "CANADA AT WAR"

THE Board of Censors, acting under the authority of The Theatres and Cinematographs Act, Chapter 319 of the Revised Statutes of Ontario 1937, has prohibited the exhibition of the film "Canada at War." In the opinion of the Board the picture is capable of being used—and is, in fact, presently being used in Canada—not for purposes of entertainment or education but for political propaganda. In proof of this, a copy of an advertisement published in Vancouver, B.C., papers under the sponsorship of the Vancouver Liberal Association is shown hereunder.

Complete Picture of Canada's War Effort

Every Canadian should see this picture and realize that the accomplishment is the work of one man

IAN MACKENZIE

(Facsimile)

In the Montreal *Star* of March 1, 1940, there also appeared an advertisement reading in part as follows: "Special March of Time 'Canada at War', sponsored by the Dominion Government now showing daily 10 a.m. to 1 p.m., Sunday 12 noon to 2 p.m."

Moreover, the film "Canada at War", No. 8 in March of Time features, was released for exhibition in advance of No. 7—which is a picture with an American appeal. The release date of "Canada at War" was said to have been advanced three weeks apparently to permit of the display of the film during the Dominion election campaign.

The action of the Board of Censors in prohibiting the exhibition in Ontario of the March of Time picture "Canada at War" follows the precedent adopted in the Ontario provincial election of 1937, during which time the Liberal Government of Ontario refused to permit the exhibition of films and pictures which gave vivid accounts and displays of C.I.O. activities and scenes of violence in American industrial centres. The showing of the pictures would have been to the undoubted advantage of the Liberal Government which was opposing C.I.O. activities in Ontario. Yet the Ontario Liberal Government banned the exhibition of the films and pictures.

The Board of Censors of the Province of Ontario would be false to its duty if it interfered in the wartime elections campaign by placing its stamp of approval on a film such as "Canada at War," which in this time of grave national peril is being used and exploited for purposes of political propaganda.

M. F. HEPBURN,
Treasurer of Ontario.

I Believe . .

A Nation at War needs a National Government

Absolute and rigid Economy to be essential.

In a clear-cut business administration of the country's affairs.

No War Profiteering should be allowed.

In stabilization and control of commodity prices.

No political patronage or favouritism should exist.

We must avoid extravagance and waste so as to prevent unnecessary high taxation.

The Farmer and Workingman should have a better chance.

The welfare of Canadians should be above petty politics and Party following.

We do not need Conscription. Canada will do its part voluntarily.

A War Veteran's experience should be of value to a War Time Government.
