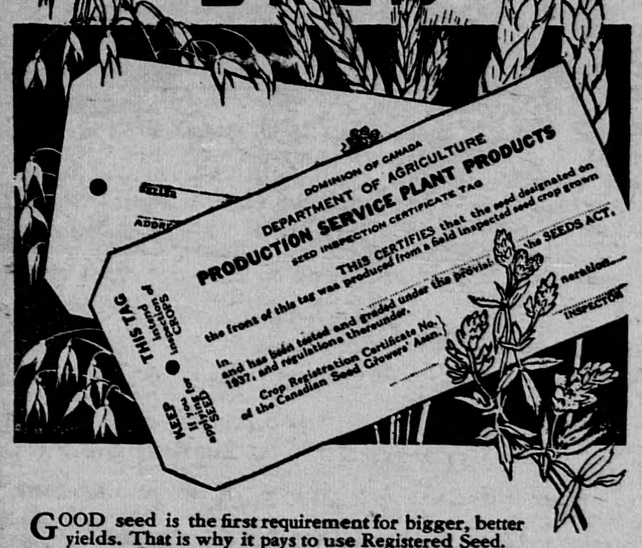
Large numbers of German propaganda leaflets intended for France were blown by the wind and landed in Belgium. Something the same happens to the advertising matter which is dropped on the doorsteps.

REAP Bigger, Better CROPS USE REGISTERED SEED



GOOD seed is the first requirement for bigger, better yields. That is why it pays to use Registered Seed.

Registered Seed is pure as to variety and ensures crops of greater yield, higher quality and better grade. Registered Seed is *sold only in sealed containers, government-tagged, and government-inspected.* It requires no cleaning.

It pays to use Registered Seed!

For information regarding sources of supply of approved varieties write to:—the District Supervisor, Plant Products Division of the Dominion Department of Agriculture for your district, the nearest Dominion Experimental Farm, the Provincial Department of Agriculture, or the nearest Agricultural College.

Food supplies are important in Wartime—
This year, plant and raise only the best!
