The Flesherton Advance.

VOL. 59; NO. 41 — FLESHERTON, WEDNESDAY, MARCH ~~14~~ 20 1940 — W. H. Thurston & Son, Proprietors.

St. Columba United Church

The March meeting of the W.M.S. and W.A. was held on Wednesday afternoon, a week earlier than usual, at the home of Miss Lizzie Mather, with 8 present. Mrs. E. G. Ritchie was in the chair and also gave a short paper. Sadie Oliver took the study book chapter on Medical Problems in India. It was decided to sell 2 quilts and make up 2 for the bale, for which a list of donations needed was made up. Mrs. Gary Whyte took the chair for the W.A. when arrangements were completed for the St. Patrick's supper. It was also decided to get Mr. Turner to paper the manse dining room. A delicious lunch was served by Miss Mather and Miss Anna Shortreed. The April meeting will be held at Mrs. Jas. Oliver's, Old Durham Road, if roads permit.

The Y.P.S. was withdrawn Thursday evening.

Miss Aileen Karstedt very acceptably substituted for the regular organist, Mrs. J. C. Harrison, who was absent Sunday evening, due to a severe cold.

A man in Buffalo who has five wives has been examined and proved perfectly sane. Might be well to have him examined by some men who can prove that they themselves are perfectly sane.

Baptist Church Notes

Minister: Rev. Fred Ashton

Services—Flesherton,
Sunday 11 a.m.—Worship.
12 noon—Bible School.
7 p.m.—Gospel Service.
Rock Mills:
2 p.m.—Bible School.
3 p.m.—Worship.

You are cordially invited to be with us in the St. John's United church on Wednesday at 8 p.m.

Pastor Ashton will give a spiritual message.

Then on Good Friday evening at 8 o'clock the union service will be in the Baptist church the Rev. G. K. McMillan will speak on the Crucifixion. It is hoped that as many as possible will join with us in these pre-Easter services. Next Sunday, Easter messages will be given in the Flesherton and Rock Mills churches and the choirs in each church will render appropriate music.

"He lives and loves, our Saviour King;
With joyful lips your tribute bring-"
"Hallelujah—Christ is Risen."

CHAS. GODDARD HAS TAKEN KIRKLAND LAKE POSITION

Atfer serving the public as manager of the Flesherton creamery, Mr. Chas. severed his connection with the firm on Saturday and left Monday morning to take a position as manager of a dairy plant at Kirkland Lake, owned by S. D. Eplett & Sons. Mr. Goddard has been with Rapp & Borinsky since the new creamery opened here and was highly regarded by the customers of the firm. His removal from town is regreted, but best wishes will follow him in his new position. Mrs. Goddard and children will remain in town for the present.

After which date the estate will be distributed amongst those entitled thereto, having regard only to those claims or accounts of which notice shall at that time have been received.

—C. C. MIDDLEBRO',
City Hall
Owen Sound.

Jos. H. Watson Died Thursday

A highly respected resident of Proton Station district, in the person of Joseph H. Watson, passed away Thursday at the home of his daughter, Mrs. R. J. Vause of Dundalk. Mr. Watson had not been in good health for the past two years, but it was only the past six weeks that he had been seriously ill. He was 78 years old in February.

Born in Artemesia Township near Mount Zion, he had spent his entire life in this district. As a young man he married Helen Ross and they farmed near Mount Zion until eight years ago, when they retired to Proton Station. Mrs. Watson predeceased him by four years. He was a member of Pilgrim Holiness Church, Proton Station and was the last member of his family.

Surviving are three sons and one daughter, Clarence on the homestead, Arthur of Toronto, Densmore of Proton Station and Pearl, Mrs. R. J. Vause of Dundalk. Two sons and two daughters predeceased him, Edward, Robert, Vina and an infant daughter, Myrtle.

The funeral of the late Mr. Watson was held on Saturday, March 16th, from the home of his son, Densmore, where a short private service was held followed by a public service in the Pilgrim Holiness Church in Proton Station. Rev. H. Shaw gave a very comforting message to the sorrowing members of the family and took as his text 2nd Samuel 19:34, "How long has a man to live." Miss Gertrude Irish and Mrs. H. Shaw sang "Sing me - song of that beautiful city." Internment was made in Mount Zion cemetery.

The pallbearers were: Messrs Ed. Duncan, Robt. Acheson, W. H. McNally, Ed Stinson, Richard Allen and Jos. Shier.

Friends from a distance were: Mrs. Ed Watson, Mr. Garnet Watson, Mr. Ken Watson, Mis Margaret Watson, Miss Bridget, all of Toronto. Mr. Elbert Cornfield, Shelburne; Mrs. Willis Tuck, Owen Sound; Mr. and Mrs. Hugh Hardy, Mr. Ernie Hardy, Hatherton; and Mr. S. Hemphill of Ceylon.

The flower bearers were: Elbert Cornfield and Wilfrid McNally.

Annual Meeting of Flesherton Old Boys

The following letter was received by the editor from Mr. Burton E. Field, secretary of the Flesherton Old Boys and Girls Association.

A meeting of the Executive of Flesherton Old Boys and Girls Association was held at the office of the secretary on Tuesday evening, March 13, 1940.

It was unanimously decided to hold a Euchre and Dance late in April, probably at Columbus Hall, this date being selected to admit of safer driving conditions for the benefit of Flesherton friends who may wish to make the trip to Toronto. Matters have not developed to the stage where a definite date can be set, but further notice will be issued as soon as possible.

It was also decided to hold the Annual Meeting of the Association at King St. United church, King St. East, on Thursday evening, March 28, 1940, at 8 p.m. This meeting is being thrown open to all members of the Association or not, and it is hoped they will respond in large numbers. The election of officers for the ensuing year will take place, and as there are several vacancies to be filled this year, the larger the attendance the better the selection can be made. It is important that care be taken to select those only who are willing and in a position to give their best efforts to this most worthy cause, and I would urge everyone interested in the affairs of the Association to make a supreme effort to be present and lend their help in promoting the well-being of your Association. Thanking you in advance for the use of your space in the Advance.

—Burton E. Field, secretary.

Hydro Prosperous

The local Hydro system, by an audit just completed, experienced the most successful year since it has been in operation. Net operating profit was $1,037.65. While cost of power increased over $600.00, revenue from all sources increased considerable, despite the fact that there was a substantial decrease in the cost to the consumer, in all classes of users, and the consumers benefited by a 10% rebate last year. Unpaid debentures are $1914.70, with one debenture, the last of one series paid since then. There remains 6 more debentures to be paid in the second series. During the past year the commission spent over $1500.00 in reconditioning the system, which was quite a benefit to the consumer, in better voltage, and decreased local radio interference, and it is the intention of the commission to recondition another portion this year. The "thirteenth" power bill was recently received, and while in the form of a credit, it was considerable less than last year, $136.71 against $546.02 in 1938. A successful year is expected for 1940.

Conference Held On Health Service

A one day conference on Health Services, believed to be unique in Ontario, was held in Flesherton, on Saturday, March 9th, when a representative gathering of leaders in farm organizations and other interested folk were present from Grey and Bruce counties. This conference was sponsored by the continuing committee of Saugeen Folk School.

The meeting was opened by Art Haas of Holstein, who gave a very interesting talk on "Why Health Services?" using recent research figures to bring home very forcibly the fact that we need a different system of Health Services in Ontario.

W. G. Nicholson of North Bruce explained the constitution of the "Associated Medical Services" and told how they give medical care and hospitalization at a set fee per month.

Hugh Bailey of Dundalk, president of the first Co-operative Packers, Barrie, discussed different schemes whereby we could pay for our medical care through Consumer Co-operatives.

The first speaker in the afternoon session was Mrs. W Inkster, Wareham, who took the subject "State Medicine" and referring to Western Canada, told us how township units might be carried on.

In the absence of Leonard Harman, educational secretary of the United Farmer's Co-operative Co., Toronto, Clifford Allen, Flesherton, led the discussion on co-operative medicine, referring to United States where many Co-operative Health Associations are in operation.

A period was then given to open discussion when the merits and weak places of each system were thoroughly considered. The meeting was unanimous in its approval of Co-operative Medicine as being the most adaptable to our rural areas. The group decided to lend its support and influence into organization of one particular community and after careful consideration decided to center their activities on the Wareham district. The following committee was appointed to continue the work: Cliff Allen, Flesherton; Hugh Bailey, Dundalk; Art Haas, Holstein; Adelaide McCullough, Proton Station and Elgin McCutcheon, Proton Station. It was decided that the first step should be an intensive educational campaign.

We ask that you give the committee your support in helping to organize something which will give the people medical services at cost. Watch later issues of this paper for articles on Health Services.

There was a strike of choir members in a church at Kingston thus striking something that sounded like a sour note.

Maxwell Couple Are 45 Years Married

The family of Mr. and Mrs. David Winters of Maxwell gathered at their home Wednesday, March 13th, to have a little surprise party and supper with them on their 45th wedding day. Mrs. Winters before her marriage was Annie McInnes of McIntyre. Guests numbering about thirty sat down to a table centred with a three storey cake decorated with silver and red. After a social evening together their daughter, Mrs. Harvey Pedlar (Annie) read the following address, after which their eldest son, William and youngest son, Clarence, presented them with a lovely occasional chair, while Lillian Winters carried a nice wool cushion and Michael Winters a foot stool as a small remembrance from their family of nine children, four sons and five daughters. Mr. and Mrs. Winters thanked them for the lovely givt of remembrance.

Dear Mother and Dad;

We your children have gathered here with you this evening to do honor to you on this your forty-fifth wedding anniversary. First of all we wish to extend to you our hearty congratulations.

To you who have lived as life partners for these many years, and have borne faithfully the many burdens and shared the same joys of this life, we feel you have shared them equally and bravely.

We realize that on our part, there were many shortcomings, and your care and devotion, which only Dad and Mother can give are beyond our ability to repay. Seeing that the Giver of all Good things has granted you the privilege of seeing us all grow to manhood and womanhood and take our different places in life, we, as men and women wish to say thank you, and as a token of our appreciation we ask you to accept this small gift, not for its material value but as our way of expressing our gratitude to you, hoping you will enjoy many of the coming years together, may we conclude with the following lines:

THE ZIGZAG PATH

We climbed the heights by a zigzag path,
And wondered why—until
We understood it was made zigzag
To break the force of the hill.

A road straight up would prove too steep
For the traveller's feet to tread;
The thought was kind in the wise design
Of a zigzag path instead.

'Tis often so in our daily life—
We fail to understand
That the twisting way our feet must tread
By love alone was planned.

Then murmur not at the winding path;
It is our Father's will
To lead us home by the zigzag path
To break the force of the hill.

(Collingwood & Dundalk papers please copy.)

Collingwood	494	55	148	594
Shallow Lake	47	4	30	91
	6736	1219	1798	8073

Majority for Telford 1337.

Card of Thanks

The family of the late Jos. H. Watson wish to thank all their friends and neighbors for the many acts of kindness and sympathy shown them during the illness and passing of their father, also for floral tributes.

—Sons and Daughter.

To the Electors of Grey-Bruce:

My Friends:

Together for eighteen years—eighteen years this very month—we have done a unique job in the Parliament of Canada.

Together we have carried on a successful experiment in genuine democracy — no party funds or party discipline has come between us. Without remuneration other than your satisfaction of enjoying the privileges of democratic citizenship, you have carried—cheerfully and effectively—the work of organizing the poll, the meetings (fifty in this campaign) advancing our ideas in conversation with others, and the highly important job of getting the vote polled.

It has been a brave and glorious adventure which has brought hope to countless people who live far from us. Many M.P.'s have said to me: "The people in your riding are remarkable; they don't have to be bought by jobs, promises and patronage." Grey-Bruce gives me faith that the 'better Canada' we envision (the Canada of security and the Good Life for all) can be achieved.

Whatever I have been able to accomplish has been inspired by my pride in and gratitude to you, the electors of Grey-Bruce.

Yours very sincerely,

AGNES C. MACPHAIL
