THE PROVINCIAL EXHIBITION.

CIRCULAR.

Brantford, August 14. 1857.

To the President of the Agricultural Society of the County of Frontenac.

SIR,—

The Members of the Committee of Arrangement of the Provincial Agricultural Exhibition, which will be held in this town on the 29th and 30th of September, and the 1st and 2nd of October next, are exceedingly desirous of rendering that Exhibition as largely attractive and useful in carrying out the objects of the Association as possible, and it has occurred to them that the Officers of the several County Agricultural Societies and other influential parties, may render essential service to the cause, by inducing Farmers and others interested to send as large a quantity of Stock and Implements to the Show as will enable your County to be well represented on that occasion.

I trust therefore you will excuse the liberty I have taken, in addressing this Circular to you, in the hope that you may enlist the sympathies of many persons in your neighbourhood, and thereby contribute effectually to the general success of the Exhibition.

Arrangements are being entered into with the several Railway Companies that articles entered for exhibition may be conveyed to and from Brantford at a low charge.

It is intended also to run Accommodation Trains at a low fare to Buffalo and Stratford, every evening during the week, returning to Brantford early the following morning, so that parties attending the Exhibition can visit any of the towns along the line of railway, without losing any part of the Show.

The Keepers of Hotels and Taverns in Brantford have entered into an agreement with the Committee to receive visitors at a fair charge.

The Committee will be very happy to assist intending contributors in obtaining pasturage for their stock, in the neighborhood of the Grounds, if an early application be made to them.

I have the honor to be, Sir,
Your obedient Servant,
WM. N. ALGER,
Chairman Local Committee.

Blank Forms of Application to enter for the Exhibition at Brantford can be obtained from Thomas Glassup, Esq. Secretary of the County of Frontenac Agricultural Society.

THE PILL TRADE.—Who could dream of the magnitude such an undertaking as the manufacture of a Purgative Pill assumes when it comes into general use. And how painfully do the following numbers speak of the amount of human sickness and suffering, that little morsel of a remedy goes forth to combat and subdue. Dr J. C. Ayer of Lowell, manufactures in his laboratory forty gross per diem of his Cathartic Pills, through all the year. This is eight boxes a minute or one dose a second. We thus find over 43,000 persons swallow this pill every day, or 1,080,000 a month! Physicians, think of that! 43,000 patients a day seek relief from the medical skill of one man. Surely that man should be, as he is in this case one of the first intelligence and of the highest character. His occupation entails upon him a fearful responsibility for the weal or woe of his fellow man. Painsville Courier. 152

A Profitable Investment.—If you would save twenty dollars in physicians' fees, and twice that amount in time, buy a dollar bottle of Perry Davis' Pain Killer for family use; you will never regret it. 153

All should know that, in addition to its splendid toilette qualities, the Persian Balm is unrivaled as a Pain Killer. Try it. 161

Bite of a Rattlesnake cured in five minutes. MESSRS PERRY DAVIS & SON GENTS:—A merchant of Linneens, in this State, informs me that recently one of his sons was severely bitten on the leg by a rattlesnake, from the effects of which he suffered most dreadfully. The family chancing to have some of Perry Davis' Pain Killer in the house immediately commenced bathing the bitten place, without knowing whether it would or not, afford the least relief, but surprising as it may seem, the poison was soon observed to exude from the wound, and five or ten minutes the young man fell asleep, entirely free from pain, or any effect from the bite, except the flesh wound, which healed very soon. By giving publicity to this fact in your phamphlet designed for southern and western distribution, and such countries as poisonous reptiles more or less abound, it might serve the cause of humanity, and be the means of supplying an article, the want of which has long been experienced.

Yours respectfully. H. BLAKSLEY.

OXYGENATED BITTERS.

Read the following letter from Caleb Parker Esq. of Concord N. H., a man honored and esteemed by all who know him.—

Gentlemen:—With no disposition to make my name conspicuous, I take the opportunity to state to the afflicted the benefit I have derived from the use of Dr. Green's Oxygenated Bitters, and to recommend them to others. For two years I have been troubled with indigestion and its attendant evils, such as flatulency, constipation, severe attacks of diarrhœa, accompanies with water-brash at the stomach which reduced me in flesh, strength and spirits, so low that I was nearly unfitted for business. I applied to several physicians, from whom I obtained only temporary relief, and finding in a short time my disease returning upon me in all its malignity, I concluded, with the advice of friends, but without the least faith in their efficacy, to try the Oxygenated Bitters, from the use of which I found immediate relief, having no return of water-brash after taking the first potion. I continued to use it according to the directions, until I had taken eight or ten bottles, which have entirely cured me. My weight has increased some thirty-five pounds, and my health is perfect. I can truly say that I consider the Oxygenated Bitters the best tonic extant. I have recommended them to several, who have invariably found great benefit from their use.

Yours respectfully,
CALEB PARKER.

BEST HAIR DYE IN THE WORLD!

This is strong language, yet Bogle's Electric Hair Dye (recently improved) was proven to be so, by the judges at the late mechanic's Fair, held in Boston, (among whom was Dr. Hayes, the eminent chemist and State assayer) who awarded it the PRIZE MEDAL AND DIPLOMA, over the choicest Hair Dyes on exhibition from all parts of the Union. Its unparalled superiority consists in, 1st. The ingredients are nourishing to the hair, not destructive as others are. 2d. Does not stain nor hurt the skin. 3d. Is easily applied, and dyes the hair any color required, from a delicate brown to a deep black, so natural as to appear marvellous. Manufactured, sold and sold by WM. BOGLE, 277 Washington.

SPECIAL NOTICE.

FRANGIPANNI.—Mr E. W. Palmer advertise the genuine Frangipanni—a most exquisite perfume. Its name has a history which we copy from Notes and Queries:—

"There is in Rome a family bearing the patronymic of Frangipanni, as famous in Italy as the Plantagenets and the Tudors in England. The origin of the name of this family is traced to a certain office which an ancestor filled in the church—that of supplying the holy bread, the water in one of the ceremonials. Frangipanni literary means 'broken bread,' and is derived from Frangi, to break, and Panus, bread. Hence we have the Frangipanni puddings, which good housewives know are made with broken bread. One Mercutio Frangipanni, who lived in 1493, was a famous botanist and traveller, famous as being one of the Columbus expedition when they visited the West India Islands. The sailors, as they approached Antigua, discovered a delicious fragrance in the air. This, Mercutio told them, must be derived from sweet smelling flowers. On landing they found vast quantities of the Plumeria Alba, in full bloom, rendering the air redolent with rich odor, and from this plant, which the present inhabitants of Antigua call Frangipanni flower, is distilled that exquisite fragrance which is now so popular in fashionable circles."

We would caution all who buy Pain Killer to be careful and call for Perry Davis' Pain Killer, and to take none not put up in square bottles, with Perry Davis & Son's note of hand on one side of the bottle, and "Davis' Vegetable Pain Killer" blown in the glass. All others are spurious.

Sold by E. W. Palmer, Kingston. 142

The Oxygenated Bitters have received the strongest testimonials of any medicine in the world for the cure of Dyspepsia, Asthma and general Debility, and is worth the confidence of all who seek a remedy for these complaints. 152.

Joy to the Admirers of a Fine Head of RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all old & young to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or deceased in scalp, to use it; and surely the young will not as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

Deep River, Conn. July 23, 1856.

Mr. Leavenworth—Sir; I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store the 1st of April last, and & purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as anything of the kind is used in this place, you may have a market for many bottles after it is known here,

Yours with respect, RUFUS PRATT.

Philadelphia, Sept 9, 1856.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its coverings in fact bald. I have used but two half pint bottles of your Restorative, and the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,
D. H. THOMAS, M.D.
No. 464 Vine Street.

Vincennes, Ia., June 22, 1858.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that, I have for several years been in the habit of using other Hair Restoratives, and I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy soft and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,
WILSON KING.

HOOFLAND'S GERMAN BITTERS

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is a new and untried article, but one that has stood the test of a ten years' trial before the American people, unrivalled by any similar preparation extant. The testimony in its favor given by the most prominent and well-known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

ONE of the best Purgative and Liver Medicines now before the public, namely, Dr. Sanford's Invigorator or Liver Remedy, that acts as a Cathartic, easier, milder and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off the matter, thus accomplishing two purposes effectually without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.

Dr. Sanford's Invigorator is compounded entirely from new articles of medicine, namely, Gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Calomel, without any of its deleterious effects.

Though possessing rare medicinal powers, these Gums have been but little known to physicians, and never used in the prescriptions until used in the form of the Invigorator which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure Liver Complaints in their worst forms.

Indigestion being caused by a deranged Liver is cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as a proof that the Invigorator relieves this disease let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its natural color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it assists nature in her operations. By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases arising from a Diseased Liver. The testimonials of so many of our physicians in its favor, induced us to try it, and now conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and often that give pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you, do not fail to try this the greatest remedy in the world.—State Fact.

There has never been tried in our family a remedy which has met with such unbounded success in the cure of disease incident to children, as Dr. Sanford's Invigorator; not is it alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently, and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are cases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It has become so useful in our family that we will not be without it.—Jacksonville, Ala, Republican.
