Electors of Grey-Bruce

LADIES AND GENTLEMEN:

I am Soliciting Your Support in this Election for the Following Reasons--

A—I believe that the King Government has successfully administered the affairs of Canada and should be returned to office.

B—I believe that the Canadian war effort has been magnificent. This united effort was only possible under the leadership of Mr. Mackenzie King, who recognized that his most important duty was to maintain the unity of Canada.

C—I believe that the Government, by the appointment of the Wartime Prices and Trade Board has effectively controlled prices and prevented profiteering—a lesson learned from the last war.

D—I believe that if peace comes during the lifetime of this Parliament, as we hope it will, the Liberal Party offers the best means of re-establishing trade in Canada and promoting trade with other countries.

E—I believe that Grey-Bruce requires representation in Ottawa by a follower of the party which will undoubtedly form the government of Canada.

If you favor such a Policy—

If you wish the King Government Returned

Vote HARRIS

* First name on the ballot.

Late Wm. Aldcorn

(By Priceville Correspondent)

The funeral of the late Wm. Aldcorn who died at his home in Priceville on Saturday, March 2, was held on Tuesday of last week, interment being made in the family plot in Swinton Park cemetery A large concourse of friends and neighbors was in attendance, as a last tribute of respect. Despite the wish of the deceased against any lavish display and the family statement that flowers were gratefully declined quite a number of floral offerings were observed, among them being a wreath from Canada Packers, Toronto and other wreaths and sprays.. The family was all home shortly before, except Berta (Mrs. Vicq) who was present when her father died. The service was conducted by Rev. A. R. Muir, in the absence of their Moderator, from Orangeville, who was delayed by car trouble.

The late William Walter Aldcorn was born at Swinton Park on April 8. 1864, a son of Wm. Aldcorn and Janet Knox, natives of Roxboroughshire, Scotland, who came to Canada in 1840, settling in Quebec, later coming to Swinton Park. He was married to Miss Jane Black in 1889, to whom were born five children, Robert, William, Mary and Berta, who reside in Saskatchewan, one other dying in infancy His wife died in 1901 and in 1911 he married Annabelle McKinnon, to whom were born five sons, Charles, Walter, Neil, Donald and Thomas. Walter resides in Northern Ontario and Donald in Toronto.

In the great loss sustained by the relatives, we deeply sorrow with them, we can truthfully say. He was always friendly, sociable and courteous, with a kindly feeling towards us. Our conversations often seemed to run in the same channel.

Priceville and Feversham commenced the final games in the Semi-Pro. League Wednesday evening last, when one of the most thrilling games of the season was played, Priceville coming out ahead 10-8 with ten minutes of overtime. Feversham was in the lead 6-2 going into the last period, when Priceville came to life with a vengeance and in one of the most spirited ganging attacks we have seen tied the score at 7-7, going on to win in the overtime.

The next game was played in Markdale Saturday night, when Feversham reversed the count 8-4 and in the third game Monday night swamped the Priceville club with a avalanche of pucks to win 17-2, in one of the most one-sided scores ever seen here. Several members of Priceville team were ill, but played, and, while Priceville had a goodly margin of the play, the Feversham lads watched their checks closely and in the break-aways from their own end, turned on the speed and their passing attacks to baffle their opponets and net the rubber. The fourth game is being played in Markdale this Wednesday night.

21 PIGS IN LITTER

A sow, owned by Mr. Leslie Poole of 10th line, Osprey, last week gave birth to 21 little porkers, no doubt having heard that there was a war in progress and would do her bit to relieve any food shortage. Seventeen of them were alive that night.

EUGENIA

(Intended for Last Week)

On Thursday morning of last week Mr. and Mrs. Jos. Williams had a narrow escape from being burned out. The roof of the kitchen caught fire, but with the aid of neighbors the fire was soon extinguished. Luckily there was no wind at the time, or the whole building would have been destroyed. There was a small amount of damage to the contents and the roof of the kitchen will have to be replaced.

The Misses Mary and Isabelle McKee of Toronto and friends spent the week end with the formers' parents, Mr. and Mrs. Thos. McKee.

Mr. John Cairns is spending a few days in Toronto.

Mr. Warford and Mr. Reg. Fawcett have returned from Hanover, where they have been employed with the H. E.P.C. for several weeks.

We are sorry to report Mr. Ed. Fawcett ill in the Toronto General hospital with pneumonia. We wish him a speedy recovery.

Mr. Mervin Davidson of Feversham was a recent visitor in our village.

Mr. and Mrs. E. Purvis of Toronto spent the week end with the former's father, who returned home from a visit in the city.

Waterloo has reduced its tax rate four years in succession and that is one way in which even a progressive community will not complain about the number of mills becoming less.

WON FURTHER HONORS

Little Joan Cameron daughter of Mr. and Mrs. Dan Cameron of Clarksburg, formerly of Osprey, won more honors in singing when she captured first prize at an amateur night at the Gayety Theatre at Collingwood on March 14th. Her many friends in this district are pleased to her of her success.

WAREHAM

A special Palm Sunday service was held in the church on Sunday, March 17. A beautiful trio was rendered by Mrs. J. Thompson, Miss Minnie Thompson and Mr. S. J. Arnott.

The coming general election is causing very little excitement. So many great events are happening that our own affairs are overshadowed.

The sympathy of the community is extended to Dave Jamieson who recently lost his left arm in the railroad yards in Toronto, where he was working. In attempting to throw a switch, Dave was himself thrown under an engine. The arm was severed near the shoulder. He is doing well in the hospital at last reports and was able to see visitors.

A number of Wareham young people met Hatherton friends at the home of Charlie Winters, after the meeting of Hatherton Literary Society which was held at the home of Mr. Howard Gordon on Thursday evening of last week.

Miss Adelaide McCullough took charge of the Bible class on Sunday afternoon, her charge the Y. P. class being taken by Harry Wright.

The unrelieved hardness of this passing winter at least makes us feel in sympathy for the Finnish civilians who are now being moved to new homes. The nomadic life they are living must be very hard.

Dr. Mercer is conducting a series of prayer services in Wareham church this week from Monday to Thursday at 8 p.m. It is hoped that March will not decide to break up the roads too quickly.

A sacred concert is to be held in the church on Friday evening of this week; no admission and all welcome. This concert is put on for your enjoyment by the W. A.

United Church

FLESHERTON
Minister,
REV. G. K. McMILLAN, B.A., B.D.

Next Sunday services will be held as usual at the following hours:

11.00 a.m.—Worship, Flesherton.
12.00—Sunday School, Flesherton.
2.00 p.m.—Sunday School, Ceylon.
3.00 p.m.—Worship, Ceylon.

Next Sunday is Easter Day when we celebrate that glorious event in human history, the Resurrection of our Lord. At a time when Christianity is being challenged, as a way of life and as a proper interpretation of life, by monstrous forces, surely it is also a time when those who claim allegiance to Christ should proclaim their faith in a united voice. Let Easter Day be one time when we shall do this. In the morning at St. John's church their Easter message will be brought through word and music. In the evening the Young People's Union will give a sacred drama, entitled, "The Challenge of the Cross." They will be assisted in this by the choir. Come, bring your friends, and let us celebrate this day of days fittingly together.

There will be two services this Holy week. The first will be in St. John's church Wednesday, March 20 (to-night). The second will be in the Baptist church on Friday evening. Mr. Ashton will speak on Wednesday evening and Mr. MacMillan at the Friday service. Both services will be held at 8.00 o'clock.
