Live Stock Report

(By Dunn & Levack)

Monday's cattle market was slow, as packers seemed to be pretty well supplied for present requirements and there was very little outside trade. Quite a number of cattle were left over at the close, but with moderate supplies for the balance of the week, it is expected the market will be cleared by Wednesday.

Choice weighty steers brought from 7.00 to 7.25; fair to good from 6.50 to 7.00; common to medium 6.00 to 6.50. Choice butcher steers and heifers were in fair demand at from 7.00 to 7.25, with a few extra choice lots at slightly higher prices; fair to good from 6.50 to 7.00; common to medium 6.00 to 6.50. Choice baby beeves were steady at from 8.00 to 9.,00 with those of medium quality at from 6.50 to 7.50. The cow trade was generally easier, a few choice heifery cows brought from 5.25 to 5.75; choice fat cows 5.00 to 5.25; fair to good 4.50 to 5.00; common to medium 3.75 to 4.25; canners and cutters 3.25 to 3.50. The bull trade was steady, choice butcher bulls from 5.50 to 6.00; good heavy bulls 5.25 to 5.35; common to medium light bulls 4.25 to 4.75.

Choice feed lot lambs brought from 10.75 to 11.00, with those of medium to good quality at from 9.50 to 10.50. The sheep trade was steady, choice from 6.00 to 6.50. Calf prices declined sharply, because of an equally sharp cut in prices on American markets, choice veals sold at from 10.00 to 10.50; fair to good from 8.50 to 9.50; common to medium 6.00 to 8.00.

The hog market was steady, with truck deliveries selling at 9.00 alive and at various prices on the rail graded basis. Sows 5.50 to 5.75 adive.
