TO ALL WHO VALUE THEIR SIGHT.

KINGSTON.

MESSRS. ROSENTHAL & MICHAEL, Opticians, and Graduates of the Royal Eye Infirmary of the City of Berlin, Prussia, would respectfully announce that the success they have met with in the treatment of all defects of the sight, during their residence in Montreal for the past year, has induced them to import a very large assortment of their celebrated

SCOTCH PEBBLE SPECTACLES,

Just received per S.S. Anglo-Saxon; and they are now prepared to suit the most defective vision with the utmost precision.

These Spectacles—now so universally used by all who value the sight—not only protect and assist, but also strengthen the eye. Their superiority has been acknowledged by the most eminent Oculists and Opticians in the world, who unhesitatingly recommend them as the most suitable and useful for the eye, of which fact all purchasers can satisfy themselves personally. The Scotch Pebble Glasses correspond so thoroughly with the curve of the eye, that the light coming from all directions is refracted as strongly as though the centre of the Glass. This allows persons of weak sight to follow the most intricate and minute employment, either by day or candlelight, without causing the least sensation of drawing of the sight, which common Glasses generally produce.

Messrs. ROSENTHAL & MICHAEL have also just received from Europe a fine assortment of OPTICAL INSTRUMENTS, consisting of Simple and Compound Achromatic Microscopes and Telescopes, Opera and Marine Glasses, Ladies' and Gentlemen's Eye Glasses, Magic Lanterns; Mathematical Instruments, Stereoscopes and Views, &c., &c., which they offer for sale at their Rooms, at a small advance on the cost of importation.

British American Hotel, entrance on King Street.

OFFICE HOURS from 9 A. M. to 6 P. M.

Messrs. R. & M. beg to lay before the Public the following Testimonials, being a few of the many hundreds they have already received in praise of the justly celebrated Scotch Pebble Spectacles:—

HAMILTON, November, 1856.

We, the undersigned, having used the Optical Instruments and Scotch Pebble Spectacles of the manufacture of Rosenthal and Michael, and having thoroughly tested their powers and qualities, do hereby certify that we have found them to be good, and can recommend them to the public as well worthy of consideration. We can particularly recommend the Scotch Pebble Spectacles, for the protection they afford the Eye, and the increased clearness and power of vision.

JOHN O HATT,
JAS. KIRKPATRICK,
D. WRIGHT,
JOHN MITCHELL,
JOHN W. KERR.

QUEBEC, 10th October, 1856.

I hereby certify that I have purchased, from Messrs. Rosenthal & Michael, a pair of Scotch Pebble Spectacles, which have given me much satisfaction. I can safely recommend them as able Opticians.

E. BOWEN, D. C. L.

QUEBEC, 10th October, 1856.

I have much pleasure in bearing testimony to the good effect produced on my eyesight from the use of a pair of Scotch Pebble Spectacles, purchased from Messrs. Rosenthal and Michael, and can confidently recommend them to all whose sight is at all impaired.
