Wareham "At Home"

(By Wareham Correspondent)

On Friday afternoon of last week the teacher, Miss McCullough, and pupils of the school held an "At Home" in the school. An exhibit of work done by the pupils was held, and comprised articles made of wood, fabrics, glass and plasticine, also painting and drawings in color and pencil. Unrehearsed exercises in oral reading and memory work and school singing recalled pleasant (?) days of the past to interested ex-pupils. The "harmony" singing of groups of children is a pleasing part of the work being done under the new course of studies. An interesting school paper was read by Ivan Mossop. At the close of the session a dainty lunch was served by the pupils, under the direction of Miss McCullough and Miss Estelle McCutcheon, who has been in charge of the school for the week. The thanks of the community for a pleasant afternoon was proposed by Mrs. Florence Lyons.
