## CAUTION.

THIS IS TO CAUTION any person or persons from renting of Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Messrs Platts, as they hold my property unjustly, and a writ from the Court of Chancery will dispossess whoever may rent their premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE-COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

AYER'S
# CHERRY PECTORAL,
FOR THE RAPID CURE OF
**Colds, Coughs, and Hoarseness.**

SHREWSBURY, MASS., 20th Dec., 1852.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the consumptive symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. REBEN KNIGHT, M. D.

A. B. MONTLET, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should scorn pay twenty-five dollars for a bottle than do without it, or take any other remedy."

**Croup, Whooping Cough, Influenza.**

Framingham, Mass., Feb. 7, 1855.

RODNEY AYER: I will cheerfully certify your Pectoral is the best remedy we prize so for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Monterey, Ia., writes, 23 Jan., 1856: "I had a bilious Influenza, which confined me to doors six weeks; took many medicines without relief. Finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

**Asthma or Phthisic, and Bronchitis.**

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of Consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY I. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

**Consumption.**

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 6, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we take our family, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELEY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures are all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

## Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Piles arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases, which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not benefit, and they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

To be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1856, the following Gentlemen were chosen:

Rev Hosea Ballou, Boston, Pres't | John Stiles, Esq., Boston, Sec. Reuben Greene, M.D., "V.Pres't | Wm. M. Tyler, Esq., "Treas.

The following Resolutions were unanimously adopted:

Resolved, That we unite together to extend and perpetuate the Indian System of Medicine upon scientific principles, we believe it as a means of preserving health, and advancing the cause of true Medical Science.

Resolved, That we have had ocular demonstration that Dr. Green's treatment has cured hundreds of cases of Cancers, after they were acknowledged incurable by other physicians, and that the fruits of his practice for the last 20 years convince us that Cancers, Scrofula, Humors of the Blood, and various other diseases which have proved the remedy in the hands of the Medical profession, are permanently cured by a judicious use of "Nature's Remedies," in scientific and skilful hands.

Resolved, That we will not cons "science ignorant pretenders, or quackery in any form, or society, as physicians who do not belong to the Medical Society, or have had a medical education.

Resolved, That we recommend the continued publication of the newspaper entitled "Nature's Arcana," and that, as each copy, containing reference to cases equal in difficulty to any in the country, be furnished gratuitously to any person calling at the office, or ordering the same by post, enclosing a postage stamp, addressing Dr. R. IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting, or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES the PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will hesitate to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of
