CAUTION.

THIS IS TO CAUTION any person or persons from renting of Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Messrs. Platts, as they hold my property unjustly, and a writ from the Court of Chancery will dispossess whoever may rent their premises; and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRUNSWICK, MAIN., 20th Dec. 1854.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. REUBEN KNIGHT, M. D.

A. B. MORTLEY, ESQ., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purposes ever put out. With a bad cold I should scarcely pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

DROPSIE AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We do your fellowship in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, ESQ., MONTEREY, IA., writes, 24 Jan., 1856: "I had a severe inflammation which confined me in bed six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: YOUR CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

AMOS HOUSE, NEW YORK CITY, March 5, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and respect,
ORLANDO SHELBY, of SHELBYVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the most medical chemists in the world, and its cures are around us unpaid the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil.—They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout and other Kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in the intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

INDIAN MEDICAL SOCIETY.

AT a meeting of this Society, held in Boston, Oct 1st, 1855, the following Officers were chosen

Rev Morris Dan, Boston, President. John Stiles, Esq. Boston, Sec. Reuben Greene, M.D., V.Pres't. Wm. M. Tyler, Esq. Treas.

The following Resolutions were unanimously adopted:

Resolved, That it seems to us expedient to form and extend and perpetuate the Indian System of Medicine upon scientific principles, as we believe we are employing a force upon the afflicted, and advancing the cause of true Medical Science.

Resolved, That we have had ocular demonstration that Dr. Greene's treatment has cured hundreds of cases of Cancers, after they were acknowledged incurable by other physicians, and that the fruits of his practice for the last ten years conclusively prove that Cancers, Scrofula, Humors of the Blood, and various other diseases which have found no remedy in the adoption of the old exploded fatality of long displeasant and ludicious use of "Nature's Remedies," in scientific and skilful hands.

Resolved, That we will not countenance ignorant pretenders, or quackery in any form, or receive as physicians into this Society, persons who have not received a regular education.

Resolved, That we recommend the continued publication of the newspaper entitled "Nature's Arcana," and that an extra copy, containing references in cases cured in different parts of the country, be furnished gratuitously to any person calling at the office, or ordering the same by mail, enclosing a postage stamp, addressing Dr. R. Greene, 36 Bromfield st., Boston.

INDIAN MEDICAL INSTITUTE,
Office, 36 Bromfield street, ... Boston.

Established by Dr R. GREENE and his Associates, for the successful and scientific treatment of Cancers, Scrofulous Humors and all kinds of diseases, upon the Natural or Indian System of Medicine. This Institution has now a large MEDICAL OFFICE and LABORATORY at 36 Bromfield st, and several Houses for the accommodation of patients from abroad, and is the only Establishment sanctioned by the New England INDIAN MEDICAL SOCIETY. A newspaper has also been established, advocating this system of practice. It is entitled "Nature's Arcana," or the "Scientific Indian Physician." Monthly Parts, 25 cents each number.

There are connected with this Institution, Bathing Houses, where the patients can have the benefit of the ELECTRO-CHEMICAL BATHS.

Dr Greene has also discovered what he terms the **Electro-Medicated BATH**, which is the greatest discovery ever attained in MEDICAL ELECTRICITY, and offers new facilities for purifying the blood from all humors, and removing CANCERS, TUMORS, &c. IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE AND CHARACTER OF HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its execution to call at the store of

AYER'S Cathartic Pills, (SUGAR COATED.)

ARE MADE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach,

PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER,—SIR: I have been repeatedly cured of the worst headache by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. PREBLE.
Clerk of Shadyside Church.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., T Feb., 1855.

SIR: I have used your Pills in my family and Hospital practice ever since they were made, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, and in cases in which I have to rouse the torpid liver to healthy action, they are the most reliable pill I have used. I have seldom found a case of bilious disease sufficiently obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BARTLETT, M. D., *Physician of the Marine Hospital.*

Dysentery, Relax, and Worms.

FORT HOWARD, HARTLAND, LIV. CO., MICH., Nov 16, 1855.

DR. AYER—Your Pills are the perfection of Medicine. They have done my wife more good than I can express. She had been sick and failing some three months. Worst off to be doubted at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms and small tapeworm from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad and my wife cured him with two doses of your Pills, which others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be valued here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood

From Rev. J. V. Hines, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. J. V. HINES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet (big bad sores) of twenty-five years. The medicine has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also took your Pills, and they have cured her.

JOHN MORRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Hon. Div. Hunter, of the Methodist Episcopal Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and I brought on excruciating neuralgic pains which ended in chronic rheumatism. Now alternating I had the best of physicians, the disease grew worse and worse, until, by the advice of a friend, I tried Ayer's Cathartic Pills. Three boxes cured me. I tried your Pills in my family for various complaints, and the effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 8 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Costipation, and as a **Dinner Pill;** they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that follow quackly falling in unskilled hands. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of this American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than it cures. Keep it by you, and cure your colds while they are curable, for neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the deceitfulness of long slumbering disease, and also know how this virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
