Archduke Otto von Hapsburg paid a visit to Toronto. He is the pretender to the Austrian throne. And that means he has to pretend there is an Austria and then pretend that he is likely to get it.

There seems, says the Fergus News Record, to be an epidemic of shortages in municipal treasuries in the district lately, and it seems that such things are not entirely confined to Ontario. According to an American newspaper, a new system of audits across the border revealed many shortages in one State.

Live Stock Report

(By Dunn & Levack)

Almost 4,000 cattle arrived for Monday's market and the trade was active and strong for cows and bulls, also stocker cattle, but butcher cattle and heavy steers were slow of sale and generally from 15 to 25c lower. Lambs featured the market, advancing to 11c for choice feed lot lambs, while hogs met with a very poor market and prices surprisingly lower. Choice butcher cattle and weighty steers brought from 7.00 to 7.25; fair to good from 6.50 to 7.00. Choice baby beeves 7.50 to 8.50. Selected stockers and feeders from 6.25 to 6.75. Choice butcher cows were from 5.00 to 5.50, with some light heifery cows up to 6.00; fair to good butcher cows 4.50 to 5.00; common to medium 3.75 to 4.25; canners and cutters 3.25 to 3.75. Choice butcher bulls made from 5.50 to 6.00; good heavy bolognas 5.25 to 5.50; common to medium 4.50 - 5.00

Choice feed lot lambs sold readily at 11c, with some Ontario lambs of medium to good quality at from 10.50 to 10.75. Choice butcher sheep were steady at from 5.50 to 6.50. The calf market opened strong, with choice calves selling from 10.00 ot 11.00; fair to good from 8.50 to 9.50; common to medium easier, from 5.50 to 8.00.

The hog market is in an upset condition, as buyers were bidding much lower prices, but finally most of the hogs sold alive at 8.00, leaving a small number of hogs for sale on a dressed weight basis at 11.00.
