The Toronto At-Home

One of the most successful "At Home" gatherings of the Flesherton Old Boys' and Grls' Association was held in Toronto Monday evening of this week, when over 350 attended and enjoyed a splendid evening of fellowship, euchre and dancing. A large contingent of 41 people went down from Flesherton to join with the boys and girls from there and other distant points in this annual mid-season fraternizing. Many old familiar faces were not to be found due to circumstances and their presence was missed. Dancing was enjoyed to music from a first class orchestra and the floor was filled with enjoyment seekers for both the modern and old-time dances. Who should do the calling but an old resident of the Ceylon district, who has guided the square dances there in years past, Frank Cairns, who has lost none of his vigor since sojourning in the city.

Special entrance prizes were given to half a dozen lucky ticket holders, but the main prize of the evening was that to the oldest gentleman and lady present. This was won by Mr. and Mrs. Richard Smith, well known here, who are 84 and 81 respectively who enjoyed the proceedings as much as those years younger.

Quite a number of tables of euchre were played, the winners of the prizes being: Ladies — first, Mrs. Gordon Badgerow; second, Mrs. J. R. Consley. Men's—first, W. Poulter; second, H. C. LeGard. Mr. Fred LeGard conducted the euchre, while Mr. C. J. Crossley was Master of Ceremonies for the dancing.

Featured on the program was tap dancing by Elaine Cook, 9 years old, while Miss Mary K. Perigoe, daughter of Mr. and Mrs. Chas. Perigoe, also brought applause from the gathering for her clog dancing, so gracefully given, to which she gave an encore.

Among those from Flesherton who attended the "At Home" were: Mr. and Mrs. W. Turney, Mrs. Ed. Fisher, Ruth Turney, Elma Hamilton, George Boyd, J. A. Senn, Ruby Akitt, Mr. and Mrs. F. Gorrell, Mrs. W. Moore, Mr. and Mrs. Ab. Stewart, Jos. Field, Mr. and Mrs. F. Pinder, Mrs. G. E. Henry, Mrs. W. E. Morgan, H. C. LeGard, F. H. W. Hickling, Mrs. W. A. Armstrong, Mr. and Mrs. Alf. Down, Milford Piper, Mrs. Geo. Johnson, Mr. and Mrs. F. W. Duncan, Jean Duncan, Jean McTavish, Harold Best, Mrs. T. Brady, Mr. and Mrs. F. J. Thurston, Mr. and Mrs. Gordon Wauchope, Ben Leavell, Chas. Adams, Marion Miller, C. S. McTavish and Mr. and Mrs. G. A. McTavish.

E. VAN DUSEN DIES

Word was received on Tuesday of the death of Mr. Edward (Ted) Van Dusen, which occurred at Portland, Oregon, on Friday of last week, April 26th. He was a son of the late Mr. and Mrs. A. S. Van Dusen and was born in Flesherton, where he spent his early life. He has spent most of his later life at various points in the United States. His last visit to his old home was about 19 years ago, after which he again went to the Western United States. No further particulars are to hand at the time of going to press.

Looks as if Winston Churchill has what it takes to smash the Nazi war machine.

A MERCIFUL PEACE URGED BY MINISTER

Rev. G. K. McMillan, pastor of St. John's United Church, made reference to the address of Duff Cooper, British Member of Parliament, broadcast to Canada one evening last week, and stated that he did not think the German people were behind Hitler in this war. Rev. McMillan's reference was as follows:

"Duff Cooper's recent speech was a most unfortunate one. It was too bad that Mr. Churchill, because of attending a meeting of the War Council in Paris, was unable to keep the speaking engagement. Until this one, speeches by leading statesmen since the beginning of war have been filled with promise, because they indicated that this war is being fought on a basis that peace, real peace, will be possible when it is over. Mr. Chamberlain, Mr. Churchill, and our own Prime Minister have said again and again that we have no quarrel with the German people, our quarrel is with the Nazi government, which is anything but a government of the people. But Duff Cooper has fallen from this considered and fair position, and in his fall hopes to take many with him. He denounced as common sinners, the Georman people and the German government. 'Hitler says the entire German people is behind him,' Duff Cooper said, 'I, for one, am prepared to take him at his word.' Surely the cause for which Britain is fighting is worthy enough to enlist the total support of her people without these unchristian appeals to that beastly spirit in men, hatred of their fellows. If we follow Duff Cooper, this war will be followed by the same kind of peace with which the last ended, for a lasting peace must be a merciful peace, and there can be no mercy shown toward those we are taught to hate."

Largest Fish Again Caught At Eugenia

Artemesia Township and the Eugenia Hydro pond in particular, again demonstrated its superiority in large speckled trout when the largest fish of the opening of the season was caught by Douglas Free of Meaford, a 12-year-old lad who caught his Sunday evening, tipping the scales at 3 pounds 10¾ ounces and measured 18½ inches in length. Douglas won a bicycle as the winner of the boys' section in the fishing competition, outclassing the men's section by over a pound. Arthur Bell, principal of the Priceville school, took third place in the men's section with a fine trout of 2 pounds 5¾ ounces caught in the Saugeen river at Priceville. and his prize was a fine bait casting coutfit, rod, reel, line and basket complete. Donald McMillan of Priceville had an entry of 11½ ounces, 12 inches long, in the boys' competition, which had many fine specimen on display. Keith Carruthers, 8 years old, of Kimberley caught a fine trout in the Beaver River, 15½ inches in length and weighing 1 pound 9 ounces. Congratulations are extended to these fishermen for upholding the honor of the district.

As far as the Eugenia lake is concerned it can always be counted upon to produce one of the largest fish, but the easterly wind Friday and Saturday was the cause of so few large fish being caught. Sunday afternoon the wind changed to the south-west and the large fish was caught in the evening.

MR. AND MRS. WM. KAITTING HONORED BEFORE LEAVING

A party was held in the hall on Thursday evening in honor of Mr. and Mrs. Will Kaitting, who are leaving the Beaver Valley Club House to reside at Duntroon, where they will manage a store. A pleasant program, consisting of duets by the Phillips sisters, community singing, tap dancing by the Purvis sisters, etc., was rendered, at which Mr. Robt. Purvis presided. Following is the address read by Mrs. C. Martin, the presentation, on behalf of the community, being made by Messrs. Clarence Williams and Chas. Martin:

INSERT

Dear Mr. and Mrs. Kaitting.—It is with mingled feelings of pleasure and regret that we, your friends and neighbors, assemble here this evening in your honor. Pleasure, because we are enjoying a few hours of your company before we say farewell; and regret, because we are sorry of your departure from our midst. We will greatly miss you from our vicinity where you have proven yourselves good neighbors and friends. Your kind hospitality will never be forgotten. You were always willing to assist in any good cause. We will certainly miss you in social circles where your presence always assured us there would be few dull moments. Thus has been our associations during the past ten years of your sojourn here, in which time our friendship has grown stronger. But what is our loss is Duntroon's gain. We cannot let you depart without showing in some way our esteem for you.

So, now we take this opportunity
And ask you to please accept
From your friends of this community
This electric toaster and iron and smoker's stand.
These gifts will bring you cheer,
And say "Good Luck" to you;
They are tokens of remembrance dear
From friends who'll think of you.
In each gift is hidden
Our wishes most sincere—
May health, strength and happiness
Attend you with good cheer.
Though not so far, nor yet so near,
You must come back and see us,
You'll always find a welcome here
And greetings, warm and cheery.
As you travel to your new abode,
May God be your Guiding Light,
May He bestow His blessings on you,
From each morning until night.

Signed on behalf of your many friends and neighbors—
Clarence Williams.
Charles Martin,

Both Mr. and Mrs. Kaitting made fitting replies, thanking all heartily for the lovely gifts and expressing their regret of departing from the community.

A number of Flesherton people paid Mr. and Mrs. Kaitting a friendly call on Wednesday night last and presented them with an electric floor lamp, as a token of their appreciation of the hospitality accorded them many times in the past. The following address was read:

Dear Mr. and Mrs. Kaitting:

It is with regret that we have learned that you are leaving the Club House. You will be greatly missed in this community, but what is our loss is another's gain. We are sure that you will make many new friends in Duntroon.

We have taken this opoprtunity to gather here this evening to show you, in a small way, our appreciation of the many good times that we have had here with you.

We wish you to accept this gift as a token of remembrance of the Flesherton gang.

Jim Stewart,
Clarence Alexander

Corp. Lawlor Honored

Corp. Instructor Arthur Lawlor of the Seaforth Highlanders and his bride, who were home from Toronto recently visiting with his parents, Mr. and Mrs. Geo. Lawlor, were taken by surprise when a party was held in their honor in the Robinson hall at Feversham. During the course of the evening, they were presented with a well-filled purse and the following address:

Mr. and Mrs. Arthur Lawlor:

Arthur, we were all very surprised and interested to hear of your marriage and tonight we gather to wish you and your charming bride bon voyage through life. You have spent your boyhood years with us and we can truly congratulate Mrs. Lawlor. We have always found you a friend and a willing helper in all our social activities. We admire you for the noble work you have chosen in life, and while we regret that it takes you from our midst, we look forward to seeing you and Mrs. Lawlor, at least occasionally, in the future. We ask you to accept this small offering, not by any means for its value, but hoping that it may, in some small measure, convey our heartiest good wishes for your future happiness.

Signed on behalf of your many friends here,

Kilbourne Hawkins,
Bill Somers.

Arthur, speaking for himself and bride, replied in well chosen words, thanking his many friends for their kindness.

The first annual Drama Festival for high school competition, sponsored by the Ontario Secondary School Teachers' Federation of District No. 14, was held in the auditorium of Flesherton high school Friday evening, with three school taking part. Markdale school was proclaimed winner of the Federation Trophy when they presented a drama "The Bishop's Candlesticks." Dundalk school presented a comedy "Nicodemus" and Flesherton presented a fantasy "Six Who Pass While the Lentils Boil." The Flesherton players taking part were: Janet Campbell, Ruth Leavell, Ruth Graham, Ena Adams, Dorothy Falconer, Margaret McMillan, Alan Chapple, Isabel Karstedt, Donald Meads and Florence O'Neil. Professor J. D. Robins of Victoria College, Toronto, was adjudicator, and while making the necessary criticisms, complimented the players on their efforts.

The high schol auditorium was filled to capacity with many having to stand during the entire program. The net proceeds of the festival will be divided between Flesherton, Markdale and Dundalk Red Cross Branches. Mr. K. G. Goheen, B.A., principal of Flesherton high school, introduced the numbers of the program.

Agnes Macphail Will Seek Saskatchewan Nomination

Miss Agnes Macphail has indicated that she will seek the nomination as a candidate for election to Parliament in the city of Saskatoon constituency, which has been left vacant by the death of Rev. W. G. Brown, who was elected at the March 26 election as a United Reform candidate. He died a short time after the election.

Miss Macphail stated that she will accept the nomination if messages she has received represent the general feeling of Mr. Brown's followers.

GREY COUNTY COUNCIL TO MEET IN HANOVER

The June session of Grey County Council will be held in Hanover, it was decided by that body at its recent April meeting in Owen Sound. The invitation extended by the town council to meet here was accepted unanimously. As far as we can ascertain this will be the first session of the county body ever to be held in Hanover. In Bruce County, the council holds its June session in a different municipality each year, and it is possible that Grey County will adopt a similar plan in future. The council sessions will probably be held in the community hall, which can be fitted up as a legislature hall with a minimum of effort. —Hanover Post.
