CAUTION.

THIS IS TO CAUTION any persons against purchasing a Substantial Brick Dwelling House and Store in the Thriving Manufacturing Town of Adolphustown, near the Mills, as they hold my property equable, and a writ from the Court of Chancery will dispossess whoever may rent their premises, and seize their goods and chattels for costs and damages.

I also caution all INSURANCE COMPANIES from insuring the above House and Store, because, if they have insured, or do insure, under the circumstances, it will be for no useful purpose.

ONE DOLLAR WILL BUY

ONE of the best Purgative and Liver Medicines now before the public, namely, Dr. Sanford's Invigorator or Liver Remedy, that acts as a Cathartic, easier, milder and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject the morbid matter, thus on the stomach and bowels to carry off the matter, thus accomplishing two purposes effectually which no any of the painful feelings experienced in the operations of most cathartics. It strengthens the system at the same time that it purges it, and when taken daily, in moderate doses will strengthen and build it up with wonderful rapidity.

Dr. Sanford's Invigorator is compounded entirely from new articles of medicine, namely, tissue.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Colonel, without any of its deleterious effects.

Though possessing more medicinal powers, these Gums have been but little known to physicians, and never used in the prescriptions until used in the form of the Invigorator which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure Liver Complaints in their worst forms.

Indigestion being caused by a deranged Liver is cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as a proof that the Invigorator relieves this disease let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its natural color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it assists nature in her operations. By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work. Sick Headache is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us commended as a cure for Liver Complaints, and all diseases arising from a Diseased Liver. The testimonials of so many of our physicians in its favor induced us to try it, and now conviction is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything eatable without trouble, while before nothing but the lightest food would digest, and often that gave pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you, do not fail to try this the greatest remedy in the world.—State Fact.

There has never been tried in our family a remedy which has met with such unbounded success in the cure of disease incident to children, as Dr. Sanford's Invigorator; nor is it alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently, and seems to renovate the system so thoroughly that we think we are doing a service to all in advising them when they need medicine to try this remedy. There are cases that have come under our notice where great benefit has been received in diseases of the Liver, Stomach and Bowels, where all other remedies failed to give relief. It has become so useful in our family that we will not be without it.—Jacksonville, Ala, Republican.

Joy to the Admirers of a Fine Head OF RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all old & young to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, it hing, and all cutaneous eruptions—cures a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from turning to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or deceased in scalp, to use it; and surely the young will not as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since;

Deep River, Conn. July 23, 1856.

Mr. Leavenworth—Sir; I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store the 1st of April last, and & purchased one bottle to try it and I found to my satisfaction it was the thing; it removed the scurf and new hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as anything of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours with respect, RUFUS PRATT.

Philadelphia, Sept. 9, 1856.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its coverings in fact bald. I have used but two half pint bottles of your Restorative, and the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully,

D. R. THOMAS, M.D.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that, I have for several years been in the habit of using other Hair Restoratives, and I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy soft and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours,

WILSON KING.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BOSTON, MASS., 20th Dec. 1855.

Dr. J. C. AYER: I deem it my duty to inform you, that during the last winter I have ever found Your Cherry Pectoral, in colonial, as a remedy for Colds, Hoarseness, Influenza, and the complicated symptoms of a Cold, in your Cherry Pectoral. In colonial, as it, my family and my family for the last few years has shown it to possess superior virtues for the treatment of these complaints. JOHN KNIGHT, M.D.

A. H. MOUTLEY, Esq., of Union N.Y., writes: "I have used your Pectoral myself and in my family ever since you revealed it, and believe it the best medicine for the diseases you give it out. Which I cheerfully pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SOMERVILLE, MASS., Feb. 7, 1856.

DOCTOR AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicines to our care.

HIRAM CONKLIN, M.D.

AMOS LEE, Esq., Hopewell, Va., writes, 23 Feb., 1856: "I take a pleasure in informing you what your Cherry Pectoral has done for my family. I think it the best medicine we have, and have found it to be the best family medicine we have ever tried your Pectoral by the advice of our clergyman. The first dose relieved the croup in my child and lungs; less than one-half the bottle made me completely well. Your medicine is the cheapest we need as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

DR: Your Cherry Pectoral has performed wonderful cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., ALTON, MONROE CO., IOWA, writes, Sept. 8, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral, for getting rid of and relief in consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some of its benefits are within all our reach; but even to those the Cherry Pectoral affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been for months laboring under the distressing symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Stroup of this city, recommended your Pectoral, recommended, a trial. It now gives her ease, to be free from her cough, and is quite herself well.

Yours with gratitude and respect,

OGDEN SHELBY, or SHELBYVILLE.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is the most efficacious remedy in the world, and in cases all around are bearing the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills,

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have vastly surpassed in excellence the ordinary medicines, and that they will, in precedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their protecting properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While They produce powerful effects, they are at the same time, in diminished doses the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our medicines, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Dispepsia, Dropsy, Heartburn, Headache arising from a Foul Stomach, Jaundice, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Bloody and Cutaneous Diseases which require an evacuant Medicine, Scrofulous Kings Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some their pill they make more profit on. Ask for AYER'S Pills, and take nothing else. No other they can give you compares with them in its intrinsic value or curative powers. You pick want the best and there is for them, and they should have it.

IMPORTANT NOTICE.

GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES THE PRINCIPLE and CHARACTER of HOT AIR FURNACES, *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its evolution to call at the store of

BURLINGTON, VT., VILLAGE DISPENSARY,

WASHINGTON, D. C., 7 Feb., 1856.

DR: These used your Pills in our general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decisive, and compatible with all the requisite results of a cathartic. Indeed, we do not know of any other cathartic we can so confidently rely on to cure the bilious disease so obstinate that it did not readily yield to them.

ALFRED HALL, M.D.,

Physician to the Marine Hospital.

Dysentery, Relax, and Worms.

FORT TRUMB, ST. AUGUSTINE, KY., Nov. 13, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months, without being able to be delivered at good expense, but now is better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and myself of our chronic dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

Indigestion and Impurity of the Blood

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family, and among those I am called to visit in distress. They regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. J. V. HIMES.

WARSAW, WYOMING CO., N.Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system, and purify the fountain of the blood.

JOHN G. MEACHAM, M.D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous scrofulous humors, and her feet had become incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her face and in her hair. Your one child was cured, she tried your Pills and they have cured her. ASA MORRINGER.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Episcopal Epis. Church.

PLANTERS HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SEVERE CHARGE, BATON ROUGE, LA., 8 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its efficacy, and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. It is the most powerful antidote yet known to man for the fatal diseases and dangerous diseases of the pulmonary organs. It is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptives it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker that fastened on the vitals, sets your life away. All know the dreadful fatality of lung diseases, and all they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and those who have used it know it is the best agent which our skill can furnish for their cure
