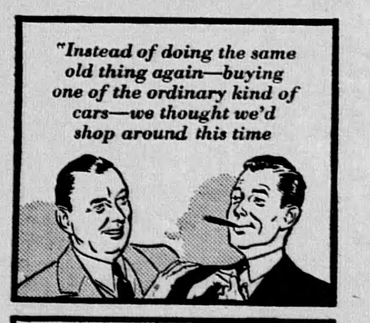
"WHY NOT GET UP IN THE BIG CAR CLASS? FOR SUCH A LITTLE BIT EXTRA"



"Big Car" doesn't necessarily mean "Big Expense!" Look at Oldsmobile. Olds is a really big car any way you measure it. 197¾ inches from bumper to bumper. Big and roomy inside. It's powered by a big, 95 horsepower Oldsmobile engine, and it's the lowest priced car with modern coil springs all around for extra riding comfort. In addition, Olds gives you more style, more quality and more prestige. Yet Oldsmobile costs so little more than ordinary cars—and figures show Olds is very economical to run. See it! Drive it—today! We have a new Olds waiting for *you*.
