AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

SHERMAN, Mass., 20th Dec., 1855.

DR. J. C. AYER: I feel bound to say the last bottle of your Cherry Pectoral I have purchased for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my family and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and to my family ever since you introduced it, and believe it the best medicine for its purpose ever put out. With a bad child I should never buy twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SHERMAN, Mass., Feb. 7, 1856.

DR. AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

ALVIN LEE, Esq., Worcester, Ct., writes, 31 Jan., 1858: "I had a bad case Influenza, which confined me in doors six weeks; took many medicines without relief. Finally tried your Pectoral, by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine acts the cheapest, as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1858.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

"A. A. RAMSEY, M. D., Albion, Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to such it gives the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1855.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as robust as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, of SHELBYVILLE.

Consumption, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all around us speak the high merits of its virtues.—*Cambridgeport Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all who use them. They are safe enough and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a Bilious Stomach, Sick Headache, Jaundice, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Liver and Cutaneous Diseases which require an evacuant Medicine, Colics or Kings Evil, Tetter, Tumors, Salt Rheum, purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgic and Nervous Debility, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Ayer's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Practical and Analytical Chemist, Lowell, Mass.

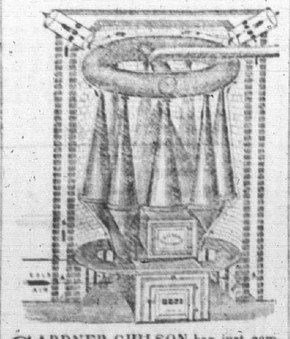
IMPORTANT NOTICE.



GARDNER CHILSON has just completed and patented in America, England and France, his new invention—THE CONE FURNACE—and asks the special attention of those about erecting or remodelling buildings, as well as, dealers in Hot Air, Steam or Hot Water Furnaces, and all interested in Steam Power, to carefully examine this invention, which entirely CHANGES the PRINCIPLE and CHARACTER of HOT AIR FURNACES; *developing another and a new principle*, and obviating all former objections to their use. The practical operation of a number of these Furnaces, erected during the past winter, points out a new discovery in science by which the most wonderful economy in fuel has been attained, and clearly demonstrates, that the waste heat lost from chimneys is enough to warm every dwelling in the city. By this invention the heat formerly lost is made to warm the house.

This discovery—simple in itself—is the daily wonder of those who witness its results, and it becomes a matter of surprise, that a plan at once so simple and practical in its operation, should thus far have entirely escaped the notice of scientific men. We believe no one who investigates this principle will be liable to use a furnace constructed on any other principle, and we invite all who would witness its operation to call at the store of

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

PITTSTON, Pa., May 1, 1856.

DR. J. C. AYER: Sir: I have been repeatedly cured of the Sick headache any body can have by a dose or two of your pills. It only takes from a foul stomach, which they cleanse at once. If they will cure others as they do me, they are worth a world.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., Feb., 1856.

SIR: I have used your Pills for my general and hospital practice very much of late, and find them a safe and reliable remedy for the purpose for which they are intended, namely, the thorough purging of the system in cases of bilious origin. Indeed, I have seldom found a case of bilious character in which I did not find them fully equal to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

PORTLAND, HARTLAND, LIT. CO., NEBR. Nov. 16, 1856.

DR. AYER: Your pills are the best medicine of our time. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. Was given up to her grave. Your pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors declared that, and my wife, cured him with two doses of your Pills, while others around us paid from five to twenty collars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Imparity of the Blood

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I keep and your Pills with extraordinary success in my family and among those I am called to visit in discreet. To regulate the organs of digestion and purify the blood they are the very best medicine I have ever known, and I can conscientiously recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and could not obtain an equivalent if required to cleanse the system, and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Revenuing Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the pearls of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin, and is benefited by them. After our child was cured, she also tried your Pills, and they have cured her. ASA MORSINGER.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Dawson, of the Methodist Episc. Church.

PLANTER HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skillful pills have brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Now thoroughly I had the best of physicians, the disease took root and grew apace. At the advice of your excellent Wesleyan brother, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

SENATE CHAMBER, HAVANA ROYAL, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or Kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even **Deafness,** and **Partial Blindness,** have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country in this enlightened world some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumption it prevents than it cures. Keep it by you. Use it in your own colds while they are curable, or neglect them until no human skill can master the inexorable canker that, fastened on the vitals, eats your life away. All know the dreadful mutality of lung disorders, and all they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure
