THER'LL ALWAYS BE AN ENGLAND

There'll always be an England, while
there's a country lane
Wherever there's a cottage small, beside a field of grain.
There'll always be an England, while
there's a busy street,
Wherever there's a turning wheel, a
million marching feet.
Red, White and Blue, what does it
mean to you?
Surely you're proud—shout it aloud
—Britain's awake
The Empire too; we can depend on
you.
Freedom remains, there are the chains
nothing can break.
There'll always be an England, and
England shall be free
If England means as much to you, as
England means to me.

WAREHAM

It was with regret that the community learned last week that Mr. John Thompson and family of Maxwell sideroad are moving to Hamilton shortly. Just what Wareham will do without this energetic family is hard to guess. The anticipation of the loss ahead of us is overwhelming.

Three of the local members of the C.G.I.T. are leaving today (Monday) for the girls' camp at Lora Bay. Mrs. Thompson, their leader, will be unable to attend, as she is at present in Hamilton. The lucky girls are Evelyn Leppard, Helen Hargrave and Helen McCutcheon. It is expected that a large group will visit the Bay this year, as the spot visited in the past years by Wareham group, has been chosen for the girls' camp from the whole district of Grey. Lora Bay is a delightful spot two miles west of Thornbury on the Georgian Bay, and it is due to the recommendation of Mrs. Thompson that the Girls' Work Board has chosen it as the county camp site.

Wareham W. A. held their July meeting at the home of Mrs. Wm. Wright Wed., July 10th. About 20 members and visitors attended. After singing "He Leadeth Me," the roll call was answered by a verse on "Summer." Contributions were made by Mrs. Russell and Mrs. Percy Lougheed. Accounts in connection with the garden party, held recently, were closed and a payment on the minister's salary ordered. A short time was spent in prayers for the Empire, and several communications were read from recipients of flowers and fruit, and invitations from Maxwell and Bethel Societies to visit them. The benediction closed the meeting.

Owing to the inability of the boys' guest speaker, Mr. Thibaudeau of Markdale, to be present, considerable disappointment was felt. In the girls' section, presided over by Hazel McMillan, vice-president, after routine business was disposed of, a letter from the president, Mrs. Elgin McCutcheon, was read, asking to be released from her duties. Upon a reluctant acceptance, Miss Hazel McMillan was elected president for the balance of the year, and Miss Doris Fisher vice-pres. In the joint meeting with Doris Fisher presiding and Lloyd Allen as secretary, besides routine business, a very amusing reading was contributed by Clifford Allen, a duet by Misses Cole and Fisher and a contest of an educational nature, put everyone on their toes. Excellent editions of "The Spotlight" were read by Miss Jeanne McCutcheon, who is past the amateur stage in journalism, and by Norman Jackson.
