PRESENTATION TO MR. AND MRS. FRED LINTON

A very happy crowd assembled at the home of Mr. Jas. Linton in honor of Mr. and Mrs. Fred Linton (nee Beth Stinson). During the evening the recent groom and bride were presented with a kitchen shower in cream and red enamelware, by Messrs. Lloyd Little, Bob Meldrum and Clifford Taylor, while Miss Marjorie Stevens read an address of congratulations and best wishes, on behalf of the friends and neighbors. A number of individual gifts were also appreciated. Mr. Linton responded very ably, thanking all for their kindness. Splendid music throughout the evening was supplied by a number of those present and dancing was enjoyed by everyone, the crowd numbering about one hundred and fifty.

Mr. and Mrs. Linton have taken up residence on the groom's farm near Portlaw.

Mrs. H. Hoopor Dies

Mrs. Henry Hooper, a well known citizen of Priceville for the past few years, and a life-long resident of that district, passed away on Friday evening in the Durham hospital. Word of her death occasioned regret amongst a wide circle of friends.

The late Mrs. Hooper had been making her home with Mrs. William Beaton of Priceville. She had been in poor health throughout the winter and a week ago was taken to the Durham hospital, where death occurred.

In her 84th year, deceased was a native of Artemesia township, being born three miles north of Priceville. She was the last surviving member of the family of the late Thomas Lyness. Her husband, Henry Hooper, predeceased her by a few years. Prior to moving to Priceville, the late Mrs. Hooper had resided at Ceylon.

Mrs. Hooper was a member of St. Columba United Church, Priceville.

The funeral of the late Mrs. Hooper was held on Monday, with Rev. F. Ashton, pastor of Flesherton Baptist Church, conducting the service. Interment was made in Ebenezer Cemetery, Glenelg.

The pallbearers were: Messrs. Louis Frook, Geo. Arrowsmith, Jos. Hooper, Thos. Tucker, Angus Hooper, Angus McArthur, Henry Beaton and Edgar Patterson.

Mrs. R. W. Lyness of Vancouver, sister-in-law of Mrs. Hooper, attended the funeral.

REUNION AT EUGENIA

Mr. Ed. Kennedy of Glenboro, Man., has been visiting his sister, Mrs. I. Smith, and other relatives. His sisters and part of their families and grandchildren, to the number of 53, enjoyed a reunion at Eugenia Friday. The young people all took part in the games and races, for which each winner received a prize and all were treated to ice cream and chocolate bars. All sat down to well-laden tables in the pavillion. Some attended from Owen Sound, Berkeley, Proton Station,, Nottawa, Duntroon, Osprey township, London and Priceville.

Foresters Recruiting Militia Regiment

Orders were received last week to commence the mobilization of the 2nd Battalion (N.P.A.M.) of the Grey and Simcoe Foresters. Lieut.-Col. C. E. McRae, M.C., E.D., former commanding officer, has received the appointment to head this unit and was in Flesherton on Wednesday of last week in regard to the organization.

Recruiting for members for the 2nd Battalion of the Foresters commenced for "B" Company at the Markdale armories on Monday night and will continue Wednesday and Friday nights of this week from 7 to 9.30 p.m. Monday night 25 men were examined by the medical officer, Dr. D. B. Jamieson of Durham and 21 were passed in "A" category. The quota for this company is 150 men, to be recruited from Dundalk, Flesherton, Markdale, Durham and Hanover and districts surrounding these towns, and it is hoped to have the battalion at full strength this week. The battalion expects to leave for camp at Niagara-on-the-Lake on August 12th where they will remain for two weeks and considerable work will have to be done to prepare the troops for the camp.

Although medical requirements for the Non-Permanent Active Militia are not so rigid as are those for Active Service the physical fitness of the men who presented themselves Monday evening was very striking. The requirements are that the man must be five feet tall and weigh 120 lbs. Those in either A or B category will be given training and taken to camp.

The 2nd battalion of the Foresters is the Non-Permanent Active Militia, with the same organization and for the same purposes as has characterized the militia the past few years. From its ranks volunteers will be taken for reinforcements for the 1st battalion now on active service at Camp Borden. Every ablebodied man between the ages of 18 and 45 years is urged to take training at the present time.

LET US SING, AND SING

(By Wareham Correspondent)

What a change has come over the attitude of rural Ontario toward those lusty Victoran songs—Rule Britannia, Red, White and Blue, and others. Most of us had stopped singing them, feeling that there was no use in "tooting the horn." But in these days of national heart-failure what a thrill it gives us to sing "Britons never shall be slaves." How much better to sing and shout "Three cheers for the red, white and blue" than to moan "Poor old England!" Along with our constant prayers, let us sing — and sing.

Feversham Talent Gave Fine Concert

Feversham night was the feature at the amateur program in Flesherton on Wednesday night last and the citizens of that district taking part were heartily applauded in their numbers. The opening song was that which is stirring the hearts of everyone in the Empire, "There Will Always Be An England," in which the large audience joined their voices. Feversham's Harry Lauder, in the person of Mr. Jim Davidson gave several Scotch songs that were heartily applauded. Others taking part in the program were the Purvis sisters with tap dancing, the male quartette, composed of Jas and John Hudson, Jim Davidson and Harold Osborne, solo by Yvonne Davidson, instrumental by Miss Delmar Seeley, song by three kiddies, Ruth Francis, Donna Osborne and Shirley Springgay, solo by Blanche Long, solo by Mrs C. N. Long and also a duet by Mrs. Long and Blanche, violin solo by Eunice Thompson, and Miss Mary Kay Perigoe of Malton, a daughter of a Feversham old boy, with a splendid exhibition of tap dancing. Mr. H. W. Kernahan, chairman of the amateur hour committee of the Flesherton Business Men's Association, sponsors of the programs, expressed his and the committee's appreciation of the excellent program given by our Feversham friends, as it was exceptionally good. Mr. C. N. Long, Clerk-Treasurer of Osprey was chairman and announcer over the loud speaker system and announced the reunion of the Feversham old boys and girls being held at Feversham on Monday, August 5th.

There were 26 woollen blankets donated and one quilt, while 85 articles for refugees were made up.

McKENZIE — EAGLE

A quiet marriage was solemnized at the Presbyterian Manse at Duntroon, Ont., at 11 a.m. on Monday, July 15th, 1940, when Miss Beryl Myrtle Eagle, youngest daughter of Mrs. and the late Charles Eagle was united in marriage to Sapper Neil Everett McKenzie, R.C.E., of Camp Petawawa, Ont., son of Mr. and Mrs. Jas. McKenzie of Feversham. The young couple left immediately for Petawawa, where Mrs. Eagle will reside, until her husband is called for overseas duty. Best wishes are extended the young couple by a host of friends.

There was to have been another wedding in town, but in the words of this war age, the young lady scuttled the boy friend.

Hydro Coach At Flesherton Saturday

An excellent opportunity is afforded farm dwellers to learn at first hand the many uses and benfits of electricity in the home and at the barn, by visiting the display coach of the Hydro-Electric Power Commission, which will be open for inspection both afternoon and evening on Saturday, July 27th, at the Munshaw House in Flesherton.

The coach consists of a large trailer, one end of which is fitted with electrical equipment for the home and the other end with electrical equipment for the barn.

For the home there are on display a representative variety of ranges, rangettes, refrigerators, washing machines, ironers, vacuum cleaners, radios and almost every type of small appliances. For the barn we find water pumps, grain grinders, milking machines, milk coolers, brooders and several items of a general nature.

Everyone is welcome, whether at present using electricity or not. Come and bring your friends. The Hydro representatives will be glad to explain the appliances in general and are anxious to help you with any special information you may require concerning your own special interests or problems.

Let them show you how your tiresome time-consuming chores can be shortened and time, money and effort can be saved.

There is no charge for this inspection or information. Your visit will prove both entertaining and instructive.

In Memoriam

PARTRIDGE — In loving memory of our dear son and brother, Clifford Partridge, killed July 22, 1935.

We little thought when leaving home
You would no more return;
That you in death so soon would sleep
And leave use here to mourn.
We didn't know the pain you bore,
We did not see you die;
We only know you passed away
Without a last good-bye.
More and more each day we miss you,
Tho' our thoughts are not revealed,
Little do they know the sorrow
That is within our hearts concealed.
—Ever remembered by his Mother, Dad, Brother and Sister.

In Memoriam

SIMMONS — In ever loving memory of our dear husband and father, Walter Robert Simmons, who passed away July 29th, 1925.

Treasured thoughts of one so dear
Often brings a silent tear;
Thoughts return to scenes long past,
Years roll on, but memories last.
"Thy will be done," seems hard to say
When one we loved has passed away;
Some day, perhaps, we'll understand,
When me weet again in that better land.
Sadly missed by
—Wife and daughters.

Some ear trouble is said to arise from not keeping the mouth shut. That is not easy to overcome because there are a number of people who find it extremely difficult to keep the mouth closed.
